Need for Volunteer Blood Donors Stressed in Film at Women's Inst.

INTERESTING PROGRAM AT LACHUTE BRANCH SESSION; COUNTY CONVENTION TO BE HELD AT ARUNDEL, MAY 13

The regular monthly meeting of the Lachute Women's Institute was held Tuesday afternoon in the Legion Memorial Hall. Many items of business were discussed.

The president, Mrs. F. A. Brennian, read the program for the forthcoming Musical Festival in the Auditorium next Saturday. Arrangements have been completed by the various ladies' groups of the local churches to serve suppers to all those children attending the Festival who come from outside Lachute.

Several of the members present showed interesting and cleverly made articles of wearing apparel in response to the roll-call. It was agreed that this branch would prepare a display of handicraft work to be shown at the Ottawa Exhibition this fall.

The librarian, Mrs. S. Milnes, reported that Mr. and Mrs. H. B. Wilder, of Hill Head, had brought 46 books to the library, which are part of a very generous donation of modern fiction. Sixteen new books had also been purchased by the librarian.

The president announced that the annual W.I. county convention would be held in the Intermediate School at Arundel on Saturday, May 13, commencing at 10 a.m. Mrs. S. Milnes and Mrs. G. Dobbie were appointed delegates, and plans were made for the transportation to Arundel of all members attending this convention. . . Another announcement made was that the Short Course offered to Women's Institute members at Macdonald College would be held this year from May 29th to June 2nd. This course provides instruction in rug-making, leather work or sewing, and also included are lectures on — how to operate a projector; fabrics; poultry; and handicrafts.

The county scholarship of $50 will again be given this year to the student, boy or girl, in Argenteuil County, who obtains the highest percentage of marks in Grade XI in the June examinations, and who intends to enter the teaching profession.

After adjournment of the business meeting, Mrs. J. G. Lamontagne, convener of Home Economics, presented two very interesting films, which were shown by Mr. Roger Gravel. The first one, entitled "This Is Nylon", illustrated the manufacture and uses of nylon yarn. Many different types of clothing, all made of nylon, were modelled in this colored picture.

The second film, entitled "Miracle Fluid", also in color, gave a complete picture of the Red Cross blood transfusion service. Every phase of this life-saving work was depicted, from the organization and preparation of blood donor clinics, to the sending of blood by airplane to save the life of a sick woman in a tiny log cabin on the outskirts of civilization.

Mrs. Geo. McGibbon, as a representative from the local branch of the Red Cross, emphasized the importance of a good attendance at the next blood donor clinic, which will be held in the Lachute Auditorium on May 17 from 1 p.m. to 9 p.m. She also extended a vote of thanks to Mr. Gravel.

Tea was served and members were reminded that an exchange of plants will take place at the next meeting, June 6.

Liberals Appoint Delegates to Que.

A meeting under auspices of the Argenteuil Liberal Association was held recently at the Court House in Lachute, when 58 representatives from the various county polling divisions gathered to elect delegates from this constituency to attend the Liberal convention in Quebec City on May 18-19. The prime business of this convention will be to appoint a provincial party leader.

The gathering here was organized by the former M.L.A. for Argenteuil, Georges Etienne Dansereau. Philippe Valois, M.P. in the federal parliament, was in attendance. Two representatives were invited from each of the 60-odd polls, but difficult travelling conditions prevented a complete representation. Those elected from the county as delegates to the Quebec convention were:

Mrs. George McGibbon, Lachute; Bernard Gosselin, Lachute; Arthur Quinn, Brownsburg; E. F. Brosseau, Huberdeau; W. Poulin, Lachute; Laurent Chantal, Calumet; Victor Pothier, St. Andrews.

Substitutes—Gaetan Dansereau, Grenville; William S. MacKimmie, Lachute; Mrs. Philippe Valois, Lachute.

Sell Bond Issue For Catholic School

Successful bidders for the $580,000 debenture issue of Lachute Catholic School Commission were the firm of A. E. Ames & Co. Ltd. Nine tenders were received and considered by the board at a meeting last week. The commissioners were confirmed in their selection by finance experts of the Quebec Municipal Commission, from whom they sought advice.

The $580,000 issue is in bonds of varying terms up to 30 years, bearing interest rates of 2¾, 3¼ and 3½ per cent — averaging an interest rate of 3.394 per cent, at the price of $99.20.

Other tenders considered were from — Mills Spence & Co. Ltd., Greenshields & Co. Inc., S. G. Beaubien & Co., Gairdner & Co. Ltd., Wood Gundy Corpn., Dominion Securities Corpn., J. F. Simard & Co., Provincial Bank of Canada.

The debentures are to finance the building of the new St. Viateur College, now under construction, and to provide the necessary equipment.

Perfect Cribbage Hand

A reader informs The Watchman of that rarely-found phenomenon, a perfect cribbage hand, having occurred this week in Dunany. Holder of the hand was Bruce Hunter, who was playing with Chas. Meighen. It seems there is a coterie of cribbage enthusiasts in their little circle of acquaintances. Bruce Hunter reckons he has played no fewer than 4,000 games this winter, and among these local veterans of the game there was none who had ever caught a perfect hand of cards. Mr. Hunter — while holding the jack of hearts, the five of diamonds, clubs and spades — turned up a 5 of hearts, to make a perfect score of 29.

Couple Honored At Mount Maple

Mr. and Mrs. Wm. Jackson, of Mount Maple, were feted at a surprise gathering Saturday evening in honor of their 43rd wedding anniversary. All members of their family were present, including Mr. and Mrs. Douglas Jackson, of Cornwall, Ont., but with the exception of their daughter (Jean), Mrs. David Connell and Mr. Connell, who were unable to be present. The family presented them with a handsome white enamel kitchen range. Lunch was served by the visitors, in conclusion of this pleasant evening.

Mr. and Mrs. Jackson were 43 years married on May 1.

Music Festival This Week-end

The School Music Festival sponsored by the Teachers' Association of Argenteuil and Two Mountains has received excellent response from all the schools. The number of entries are such that the festival is now beginning on Friday at 1.30 p.m. with the vocal section in the Presbyterian Church Hall and the piano section in the High School Music Room. The Festival will continue on Saturday with the choral section in the Lachute Auditorium and the instrumental section in the High School Music Room.

There are limited provisions for an audience. Interested people may purchase a Music Festival ticket for Friday afternoon, Saturday morning and afternoon sessions. There are available for the audience 200 seats in the Auditorium, 100 seats in the Presbyterian Church hall on Friday and 50 seats in the High School Music Room.

The audience will only be admitted between the performance of numbers, because of the necessity of silence for the proper adjudication of the participants.

For the evening concert, tickets are only being sold at the door; it will be an Inter-School Concert, in which all the schools will be represented with the best numbers from each. The highlight at the conclusion of the afternoon session will be a short concert given only for the participants by the Montreal Inter-School Orchestra. The Inter-School Orchestra will also perform at the conclusion of the evening concert.

Gains in Farm Science Featured at Farm Day,

Macdonald College will hold its Farm Day on June 24 this year, it has been announced by the chairman of the college's Field Day Committee, Dr. F. O. Morrison. Displays by the various departments will feature some of the big advances in agricultural science that have been made during the last 50 years.

The Quebec Farm Forum Association will meet during the morning for presentation and discussion of reports from its committees on car insurance, co-operative activities, hog production, women's activities and the association's charter.

The afternoon program starts with the official opening of an agronomy greenhouse dedicated to the memory of the late Professor R. Summerby, at 1.30 p.m. This will be followed by four tours, the first of which will be to the household science department.

The second tour will go to the barns, when progress through selection from cow families will be shown. A third will inspect the seed plots where vegetable varities are checked for purity, quality and yield, and a fourth to Maxwelton Farm to see a portable sprinkler system in use on pasture.

The last three tours will converge at 3.15 for a demonstration of equipment for harvesting grass to make silage.

Assistant Editor Visits Homeland

Don Titman

After 28 years' residence here, the Assistant Editor leaves today to visit his native England. Having missed few issues of The Watchman in the past 20-odd years — grinding out the triumphs and tragedies of local news, the accidents, festivities, celebrations and obituaries — he is confident that a change of tune will be refreshing to these pages. He will be absent for seven weeks, and is grateful to the publishers for releasing him at this busy season.

Blue Cross Is Largest Hospital Plan in Canada

$5,000 PAID FOR PATIENTS RECEIVING TREATMENT AT PROVIDENCE HOSP'L

Over 200,000 Blue Cross Members Hospitalized Since 1943

At the annual meeting of Quebec Hospital Service Association (the non-profit Blue Cross Plan), held this week in Montreal, E. Duncan Millican, executive director, announced that $5,000. had been paid by Blue Cross for hospital care to local residents receiving treatment in the Providence Hospital.

It was also announced that over 200,000 Quebec residents have now been hospitalized under the Blue Cross Plan since 1943, and that Blue Cross paid over $11,000,000 in settlement of their bills, to its 75 affiliated hospitals in Quebec.

J. R. H. Robertson was elected chairman of the Board of Governors; A. Stewart McNichols, vice-chairman; Ernest Charron, D.D.S., L.D.S., honorary secretary, and Irenée Monette, honorary treasurer.

Continuing its expansion throughout Quebec, Blue Cross now has regional offices in Sherbrooke, Quebec, Chicoutimi, Hull and Trois-Rivières. These offices were opened with a view to providing adequate service to all groups, and keeping Blue Cross in constant contact with residents of the most distant localities.

In 1949, concluded Mr. Millican, Blue Cross paid 97,926 hospital, surgical and medical bills for residents in Quebec Province. Total number of members enrolled as at 1st January, 1950, was — 504,179 under the hospital plan; 359,318 under the surgical plan; and 254,670 under the medical plan. Quebec Blue Cross is now the largest medical services plan in Canada.

Plaster of Paris was originally manufactured near Paris, France.

Blood Donor Clinic Here, May 17

TO FURTHER HUMANITARIAN WORK OF RED CROSS FREE TRANSFUSION SERVICE

Measurable in terms of human life and happiness are the benefits of the Red Cross free blood transfusion service — with which the Lachute hospital, 25 institutions in Montreal and several elsewhere in this province, are now affiliated. This good work can continue only insofar as it is made possible by voluntary blood donors. The appeal is a personal one, to every healthy adult in this community and county.

The Red Cross mobile clinic will be in Lachute on Wednesday, May 17; the staff and technicians count on an enrolment of between 300 and 400 volunteers for this occasion. Last call will be issued in The Watchman next issue; but meanwhile, both town and country readers are urged to hand in their names for appointments at the clinic. Enrolment secretary is Mrs. H. Rigg, telephone 337-W, or Mrs. C. F. Prosser, Brownsburg 2537.

Council Meeting At Brownsburg

"IN BROWNSBURG"
Specially Contributed

No Chlorine? Not So!

In our "municipal musings" last week we stated that when leaks in the municipal water system render the supply inadequate, the council asks C-I-L to pump water into the lines from the river and that this water does not go through the filter beds, nor is it chlorinated. This statement is but half right, or half wrong, depending on how you look at it. It is not filtered, of course, being just pumped in from the dam, but C-I-L have installed a chlorine feeder on their pump line through which chlorine is fed into the supply. This service substitutes for the water not passing through the municipal chlorination plant, and is considered adequate. The addition of chlorine, in measured quantities, sterilizes drinking water

A Delicate Question

If my neighbor's house is on fire, should I endanger my own by exhausting my resources in assisting him? The Brownsburg Council would like to send the municipal fire truck to fight fires outside the village area, but as keepers of the people's trust, are they justified in leaving the village without protection? There is a Quebec Government ordinance which forbids the sending of municipal fire equipment outside the specified area to which it is assigned, and as Quebec pays 50 per cent of the cost of all municipal fire-fighting equipment, attention must be paid to such regulation. Nevertheless, it is a hard fate which decides that assistance be not rendered thy neighbour if his home is on fire. The matter was discussed at the last council meeting but a clear-cut decision was not arrived at. If it is possible to use the subsidiary pumper, this will be available for outside fires, but great care is to be exercised before the new pump is taken outside the area, if at all.

"God helps those . . "

During this discussion it was revealed that two of the most likely places to need fire prevention apparatus could quite easily be supplied, and at small cost — piping water to a central location having sufficient pressure, or with the assistance of a booster, to control any reasonable outbreak. Someone in those areas should take the initiative.

B-o-o-m!

The fire chief called attention to the prevailing practice of allowing a chip-wagon to park for trade beside a gas station. The chief pointed out that the vendor used an open flame which with the proper atmospheric conditions could be conveyed by gas fumes up to a distance of 60 feet back to the source — the gas tank.

Surface Water Damage

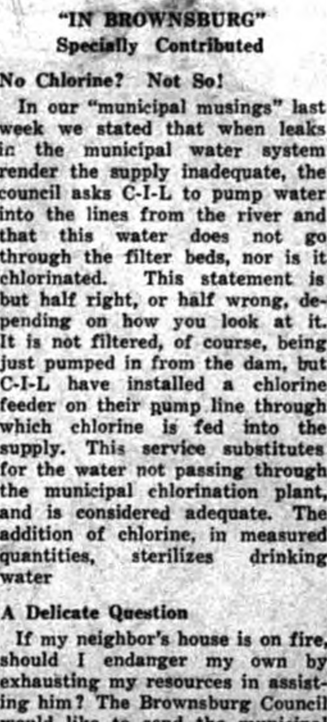

A letter from the legal adviser to this municipality, informed the council that damage to property caused by surface water, the result of road contour alterations by the council, must be made good by that body — as in the case at Rosedale, which was the subject of discussion at a former meeting. When the overflow is "an act of God", or from the natural flow of water, the council's liability is nil. The council decided upon widening of the road at Rosedale, with the assistance of a grant of land from Mrs. Kettyle, which the council greatly appreciated. This will enable sidewalks to be erected to act as a barrier against the flow of surface water, and direct it into a number of catch-basins which are to be installed.

The council also discussed the asphalting of roadsides from vehicle surface to sidewalks, at a cost of $1.35 a yard. This work is to be commenced with the least possible delay.

Echoes of Closing By-law

Mr. Pariseau asked to have the closing times changed so that the hours would be Friday 10 p.m. and Saturday 9 p.m. The secretary

(Continued on page 7)

—Central Press Canadian

Manitoba agriculture spokesmen estimate that thousands of acres of farmland were under four feet of water. This youngster at Rosenfeld mournfully watches the water undermine the tracks which are now unsafe for rail traffic.

Winner of Raffle, Hawkesb'y Legion

In the Easter raffle held by Hawkesbury Legion, Branch 472, the holder of the winning ticket was Walter Allard, of Grenville, who received the prize of a complete men's spring outfit. The drawing was held at the Regent Theatre recently.

It is stated that the Hawkesbury Legion benefitted through this effort to the extent of a few hundred dollars, which will be applied to the renovation of their hall and reduction of the mortgage.

Funeral Today of Well Known Citizen

The Late Harold McFaul

The death of Harold Jas. McFaul, which occurred at his home on Grace Street, Tuesday evening, removes a well known business figure from this town. As a partner with his brother Cecil, the late Harold McFaul operated the grocery and drygoods business known as McFaul Bros., which was established by his late father (James) and his uncle (John McFaul) in 1891.

For the past four months he had fought a losing battle with a fatal ailment, having received surgical and hospital treatment, then returning home to Lachute. He was approaching his 50th birthday. .

This community rated his loyalty and reliability highly, in various roles outside his immediate business. He was a member of Argenteuil Masonic Lodge, of the United Church, the Lions Club and Lachute Curling Club — having been a. active curler and for many years the secretary of this club. There are many who recall, with equal appreciation, his long service on the Fire Brigade in past years, when facilities and equipment for fire-fighting in this town were less scientific than those presently in use.

The son of the late Mr. and Mrs. James McFaul, he was born and educated in Lachute, and devoted his years to the successful operation of his business — Harold and Cecil having taken over their father's store on his retirement, around 1940.

Harold was married to Miss Ruth Arthur, of Belle Riviere, who remains to mourn his passing, besides two brothers and a sister — Clifford, of Peterborough, Ont., Cecil, of Lachute, and (Eileen) Mrs. L. Claxton, of London, Ont.

The funeral, held this afternoon from the United Church, was very largely attended. Many floral tributes bore evidence of the esteem which he enjoyed among his fellow townsfolk. The Rev. W. B. Rosborough officiated, assisted by the Rev. C. Maclean, and a solo was sung by Mr. J. S. Giles.

Honorary pall-bearers were Messrs. John and Robert McFaul, S. S. Campbell, Sidney Elliott, A. Middleton and A. A. McOuat. Pallbearers were Messrs. Geo. F. Calder, F. A. Brennian, Angus Taylor, Chas. McFaul, John Falconer and Percy Swail. The remains were laid to rest at Lachute Cemetery.

Brownsb'g Hockey Team Holds Closing Dance

The Brownsburg hockey team held their closing dance recently at Longtin's Grill. Towards the end of the evening Jack Seary, on behalf of Mr. Longtin and Bill Tessier, made presentations to each of the players.

Ronald Hebert was awarded the trophy donated by Mr. Longtin for being the player most valuable to the team. Bill Hewitt was awarded a cup for being the best playmaker of the team; this cup was donated by Larry Presseault. One Brownsburg restaurant owner who did not wish his name to be known, donated a flat fifty of cigarettes to each of the players, while other merchants of the village were most generous, so that each player on the team was awarded some gift.

The hockey club thanks those who made these presentations possible. It is hoped that next year will see great things under the roof of the new rink, which should be rising in the very near future. . . Have you made your contribution to this cause?

91st Birthday of Calumet Citizen

(Our District Correspondent)

Calumet — The oldest citizen of this community, Mr. H. Trineer, Sr., celebrated his 91st birthday on Monday, May 1. He received a beautiful bouquet of snapdragons, carnations and daffodils from Radio Station CJAD, Montreal. Many relatives and friends, townsfolk and out-of-town visitors called to extend their congratulations. We join with the community in wishing that Mr. Trineer may enjoy many more happy birthdays.

Fine Program by School Glee Club And Band Groups

The third annual spring concert presented by Lachute High School Glee Club drew a capacity audience at the Auditorium last Friday evening, and the program was a highly creditable performance throughout. Under direction of their instructor, Earl Morrison, B.Sc., the school choristers gave a flawless recital of songs, in various moods and of different national settings. The major undertaking of this group was a nautical theme, "Down the Wind", in which male and female voices and brief solo parts were interwoven in a jaunty song of the sea.

Tenor solos by a guest artist, Dr. Arthur S. Perlin, of Montreal, were warmly applauded; while the High School band, another product of Earl Morrison's unflagging enthusiasm, gave a good account of itself in several well-performed selections . . . In contrast with this martial rhythm of the band, several selections of chamber music were played by Angelo Fassio's string ensemble—which also laid claim to considerable credit, having advanced from scratch (some of the musicians completely strange to their instruments) to a very commendable measure of achievement. Mr. Fassio's violin solos, and Miss Juliette Rodrigue's piano accompaniment, brilliant throughout the performance were other high-spots in this talented program.

On behalf of the Glee Club, Miss Rodrigue was presented with a bouquet by Jean McMahon, and Keith Wilson tendered the gift of an electric sandwich toaster to Mr. Morrison, with fitting sentiments of appreciation and of good wishes in his new sphere of activity. (Mr. and Mrs. Morrison will be leaving Lachute for educational work in New Brunswick, on conclusion of the school year.)

Following the concert, a dance was held by the Glee Club and senior school pupils, in the music room at Lachute High School.

Male Choir Sings At Brownsburg

The Brownsburg Male Chorus again scored a success with their performance at the United Church on Tuesday evening. This group, which is under direction of Mr. Warner Norman, of Montreal, gave one of its finest concerts. The choisters were supported in the program by Miss Doris Killam, a brilliant accompanist, and by Mr. Harry Maude, popular bass-baritone.

The Chorus offered three contrasting numbers for their first selections — Beethoven's stirring "Creation Hymn", the English ballad, "Drink to Me Only", and the "John Peel" song.

Mr. Harry Maude then gave a trio of classical solos, by Handel, Gounod and Mozart. The "Catalogue Song" from Don Giovanni (Mozart), which was sung in Italian, proved very popular with the audience, as Mr. Maude gave a short synopsis of the humor of this song.

Miss Doris Killam and Mr. Warner Norman teamed up in a pianoforte duet, and their interpretation of Tchaikowski's "Nutcracker Suite" proved popular with the audience.

Three other scores were then interpreted by the male chorus, including the beautiful spiritual, "Nobody Knows the Trouble I've Seen", which was one of the finest pieces of the performance.

After the intermission, Miss Killam favored with a piano solo, choosing a caprice by Paganini, arranged by Franz Listz — a difficult number, which earned a rousing "encore".

Five Negro spirituals by Marshall Bartholomew were then rendered by the male group, and the unaccompanied singing gave the group a splendid opportunity for fine harmony.

Mr. Maude again sang five selections, all of which were well received by the audience. Two encores were graciously added, with "The Flea" concluding a fine, appealing repertoire by this Montreal soloist.

One of the most beautiful and difficult renditions of the male group was "Fain Would I Change That Note", which was in the final group. This selection, by R. Vaughn Williams, was very ably directed by Mr. Norman who commanded a fine response from his singers. . . "Border Ballad" rounded out this well-balanced program.

Rev. Henry Cousens Receives Honorary Degree

The Rev. Henry Cousens, B.A., B.D., was honored this week by the Presbyterian Convocation, when he was given a Doctorate of Divinity Degree.

Gatineau LINES

Mercier Dam

About 100 miles straight north of Ottawa, in a wilderness of forest and water where a lumbering depot is its only neighbor, lies Mercier Dam on Lake Baskatong — the No. 1 control point for the waters of the Gatineau River which provide the waterpower to operate the largest electricity-producing plants of Gatineau Power Company.

Comparatively few people have ever seen Lake Baskatong — but today more than 55,000 families in Quebec Province have better electric service because the Baskatong Storage Reservoir is there. Sprawled across the Upper Gatineau, the giant structure has as much as 95,000,000,000 cubic feet of water backed up behind it in a lake 30 miles long. Baskatong stores this water in the spring and in periods of heavy rainfall, then releases it gradually down the river as it is needed to keep the generators humming in the power plants many miles away.

To build Mercier Dam over 20 years ago men had to have faith in the future of Canada in general and of Quebec Province in particular; for the time, trouble, and huge sums of money which were risked in the building could be justified only by faith in a steadily-growing demand for electric power coming from an expanding and prospering area. Events have proven that the men were right in their dream of an electrified Quebec, and many thousands of Quebec residents are benefitting today as a result.

It was not easy to build Mercier — a massive concrete structure almost 1,200 feet long and 100 feet high. Roads of 20 years ago were not what they are today. Everything that went into its construction had to go in by tractor, horses and sleighs, or be gleaned from the forest itself. Everything the construction crews needed to keep themselves alive while the job was being done, had to be obtained in the same way. But despite all this, the work was done.

Today, Mercier Dam is one of the main reasons why the turbulent Gatineau River — which once had a spring-time flow up to 80,000 cubic feet a second and then dropped to 2,000 feet a second in the late fall—now is normally maintained at a flow of 10,000 cubic feet per second, month in and month out, so that the power plants can receive a steady supply of the water they need to supply industrial and farm requirements and to light a large section of Quebec. Like so many other mighty undertakings in this rich land of ours, it is a monument to the courage of those who risked everything they had to build it.

Mercier Dam could not do the whole job of controlling the Gatineau alone, however. It needs, and gets, tremendous help from other dams and reservoirs too — but, that's another story to be told at another time.

Gatineau Power Company

Seasonal Farm Topics

Improving Pastures

Ottawa — Good productive pastures offer the stock grower a number of important advantages, says W. T. Burns, Superintendent of the Experimental Sub-Station at Smithers, B.C.:

1. The forage from pasture is harvested in the cheapest possible manner — this in marked contrast to the labor required for storing hay.

2. The forage from well maintained pastures is of the highest quality possible—it is unweathered, contains all the vitamins required by the animals, and minerals if the latter are supplied by the soil or fertilizers.

3. Good pasture herbage in the spring and early summer is high in protein and stimulates rapid growth in young animals and high output in producing animals — during this period, animals generally make the largest part of their growth.

Fertilizers for Potato Crop

The rate at which fertilizer should be applied to potatoes depends not only on the soil, but on climatic and economic factors. Usually, the increase in yield from a given quantity of fertilizer falls off at the higher rates of application. This is illustrated by results obtained in recent fertilizer tests with potatoes on different soil types in Eastern Canada.

In six tests on soil types in Prince Edward Island and one in New Brunswick, where an average yield of 140 bushels of potatoes per acre was produced on unfertilized plots, the yield per acre obtained on plots receiving different fertilizers at a rate of 1,000 pounds per acre was 228 bushels as compared with 237 bushels for a rate of 1,500 pounds, and 248 bushels for a rate of 2,000 pounds.

However, potatoes will respond to substantial rates of fertilizer as shown by results obtained in five tests on soil types in the vicinity of Ottawa, Ont. The average yield of potatoes was increased from 222 bushels per acre on the untreated plots to 243 bushels where fertilizers were applied at 500 pounds per acre, and to 267 bushels where a rate of 1,000 pounds was employed.

The most economical results will be obtained where careful consideration is given to other factors in management such as the inclusion of sod crops, preferably legumes, in the rotation, and the proper use of barnyard manure where available, reports A. J. MacLean, Field Husbandry Division, Central Experimental Farm at Ottawa, Ont.

ORLO MILLER of London, Ontario, writer on topics of interest to the farmer, who prepares many of the radio scripts broadcast in the CBC's "Summer Fallow" series of half-hour dramas. The program is heard on the CBC each Monday during the summer, at 8.30 p.m. Last year he toured Canada, gathering material for this year's Summer Fallow series. His May 8th broadcast is a result of that trip.

Agriculture in Newfoundland

Various steps have been taken during the past year by the Canadian Department of Agriculture for the promotion of agriculture in Newfoundland. Many are related to the control of plant and animal diseases and insects, inspection and grading of farm products and soil studies. The sum of $251,169 was paid in freight assistance on the moving of 12,554 tons of feed grain to Newfoundland and about $2,000 will be paid toward meeting the cost of agricultural limestone transportation. Officers of the Marketing Service at Ottawa, and of the Department of Natural Resources at St. John's, are planning a survey of marketing of farm products on the Island.

AUCTION SALES

AT SOUTH PLANTAGENET,
Lot 14-12, 2½ miles west of Riceville Village, on Wednesday, MAY 10, at 12 noon D.S.T.:

FARM STOCK — 12 choice Holstein and Ayrshire milch cows; 10 choice Holstein heifer calves — all sold subject to T.B. and Blood Test; team of Arabian mares (ages 5 and 9 yrs., weight about 1,300 lbs. each); General Purpose mare, 9 yrs, old, excellent driver; Collie dog.

IMPLEMENTS — International Farmall H. rowed crop tractor, International 2-moleboard tractor plow, Cockshutt 2-furrow disc plow, 2 walking plows, International 6 ft. cut grain binder, drag grubber, 12 ft. smoothing harrow, 2 M.H. horse discs, McC.-D. 13-disc drill seeder, ditching plow, International dump rake, M.H. drop-head hay loader, low wheel wagon, hay rack, express rig, buggy, new horse fork (car and rope), manure sleigh, cutter, set heavy bob-sleighs, single driving sleigh, Fairbanks-Morse 2 h.p. engine, wagon and box, 2 sets double harness, 1 set single harness, Western saddle.

Fanning mill, cream separator, barrel churn, horse collars, quantity of lumber and posts, hay-seed sower, potato grader, root cutter, potato planter, M.H. 2-rowed cultivator, Cockshutt potato hiller, potato sprayer, hop duster, Stewart horse clipper, buffalo robe, scales, 3 30-gal. milk cans, box stove, washing machine, kitchen table, small table, cook stove, 10 tons pressed hay, and many other articles too numerous to mention.

Farm is sold so all articles will be sold without reserve.

Strangers unknown to proprietor or auctioneer wishing to buy on time, will have to furnish bank references.

Terms: $20 and under, cash; over that amount 6 months' credit on furnishing approved joint notes, 3% interest; 3% off for cash.

— Albert Faubert, Auctioneer, Phone 165-J-5, Alexandria.
— Frank Willis Wilson, prop.
-1p R.R. 1 Lemieux, Ont.

At the farm of the
LATE FRED RENAUD
3rd Concession,
TOWNSHIP OF GRENVILLE
on Route No. 8, Saturday, May 13, at 12 noon (sharp) D.S.T.:

Team work horses, 4 milch cows, 8 hens, wagon and hayrack complete, 2 mowing machines, 2 horse rakes, broadcast seeder, disc harrow, smoothing harrow, plow, milk cart, stone boat, 2 heavy sets farm sleighs, set express sleighs (double), set double light sleighs for team, single rack sleigh, Page wire stretcher complete, buggy, cultivator, lot of wheels, 2 hand sleighs, horse clipper, double express, horse fork (car, ropes and pulleys for wooden track), wagon box, set double harness with breeching complete, set single harness for buggy, set cart harness, lot of harness parts, 9 rolls hen wire, fanner, vise, lot of carpenter's tools, post-hole digger, chicken cage.

Lot of lumber, grindstone, corn sheller, picks, shovels, hoes, forks, whiffletrees, chains, crowbars, canthooks, 3 Swede saws, 2 crosscut saws, lot of 5-gal. oil cans, 3 cook-stoves, oil heater with a 45-gal. drum, 3 ladders, 115 sap cans, 2 sap pans for boiling, lot of barrels, Daisy churn, 2 5-gal. milk cans, 3 8-gal. milk cans and one 10-gal., milk pails, hand washer, bread mixer, new electric washer (Renfrew), counter scale 250 lbs.

Extension table, 4 double beds with mattresses and springs, 2 single beds complete, 4 bureaus, Philco battery radio, 3 washstands, 4 tables, 10 kitchen chairs, 3 rocking chairs, kitchen cabinet, 2 cupboards, organ, 2 Renfrew cream separators (600 lbs. cap. — one almost new), bake-stand, pictures, 20 sheets aluminum tin (2 ft. x 7 ft.), 2 rolls flat iron galv. sheet, 4 rolls of Brace wire (50 lbs. each), watering cans, 3 iron gates (one 12 ft. and 2 14 ft.), some staples and roofing nails.

Fargo ½-ton truck, 1942 model, good condition.

Terms for truck and fences, cash.

SPRED-LUSTER
Washes like a China Plate

The Original Oil-Enamel that Reduces with Water

for KITCHEN
BATHROOM
BASEMENT
WALLS
CEILINGS
WOODWORK

SPRED-Luster
is the amazing new oil-resin enamel. Simply add water and it's ready. The first water-mix enamel in history.

- ✓ Goes on like magic . . . cuts painting time in HALF.
- ✓ Practically NO odor.
- ✓ Goes on over almost any surface—including wallpaper.
- ✓ One gallon mixed with quart of water makes over five quarts of enamel.
- ✓ Colors preferred 3 to 1 by leading decorators.
- ✓ Brushes and spatters easily cleaned with damp cloth.
- ✓ Approved by Good Housekeeping.

LOOK HOW YOU SAVE MONEY
With SPRED-Luster the cost of decorating the average room is generally less than five dollars—that's because a gallon of Spred-Luster mixed with water makes five quarts of enamel. Think of it—a fine, washable, lustrous enamel at such a low cost.

Gardening Fever

ANY DAY now, you can look for an outbreak of gardening fever, a highly contagious springtime affliction for which there is no known cure. It is likely to strike almost anyone.

Of course, the neighbor you see sallying forth with spade, hoe and rake may tell you he just wants to get out in that spring sunshine. But, in reality, the gardening fever has got him. If you don't watch out, he'll talk you, too, into doing some hard work either in his garden plot or your own.

"Jim Jones was spading his garden when I came by", you'll tell your wife at the supper table. Wisely, she may pretend not to hear, but you'll go on:

"By golly, I think I'll make a start on that old weed patch of ours before dark. Maybe we can do something worthwhile with it this year; last spring we left it too late."

And then, almost before you realize what is happening, you are launched on a program of digging, seeding, weeding, spraying and, finally, more digging. You will probably get blisters, sunburn and backache. By midsummer, nothing else will seem as important as staking those tomato plants or dusting insecticide on the cabbages. When the hot weather comes, you will break any appointment rather than miss watering the garden.

But there are compensations.

The tomatoes from your own garden will taste twice as good as any others — you'll say so, at least. And the green peas will seem the tastiest ever picked, the lettuce the crispest, the strawberries the juiciest.

When autumn rolls around, you'll remember these wonderful things you harvested from your little plot of ground. All but forgotten will be the toil and heartaches that started with a springtime touch of gardening fever.

OUR grass-roots — a comment by the High River, Alta., Times:

But there is more to rural life than money-making. It definitely is "a way of life", carrying with it a large measure of freedom and independence even in these vexatious times. It is a sane and balanced life, the very bedrock of all society. The present trend away from the land may be only temporary. It may not even be general over Canada. But if the municipal district which has lost 30 families in one year is any indication of general movement, it is time for government, and all Canadian people, to concern themselves with root causes.

PROGRESSIVE communities throughout Canada know well the advantage of a clean, tidy and well-painted town. We urge those who have not yet realized the importance of beautifying the town, to give the matter some thought, roll up their sleeves and go to work.

— Campbellton Tribune

Newfoundland's Contribution

A DISPARAGING, unjustified and perhaps permanently harmful impression of Newfoundland as a Poor Relation resignedly being found room in the Canadian family, has been rapidly growing in Canada since the old island became Canadian.

It is true that the products of the sea have been traditionally Newfoundland's almost sole economic reliance, and that the fishing industry is in difficulties. But those official voices at St. John's and Ottawa, so vociferously campaigning for Federal aid for fishing, should not smother Newfoundland's transformed outlook from a one-industry economy, and fail also to tell of the contribution already being made to the Canadian Family's running expenses.

Canadians have been told so much about the needs of fishing they have not been permitted to realize that, two years ago, pulp and paper dramatically overtook sea products and rose to the leading industrial role. The combined newsprint production of the Bowater and Anglo-Newfoundland companies topped fishing in product and export value in 1948, did it again in 1949, and undoubtedly will again repeat this year.

The greatest single industrial unit contributed by Newfoundland to the Canadian economy, with Confederation, was not a codfish enterprise. It was the woods operations and newsprint mill of a pulp and paper company on the unknown west coast. Last year alone, this single industry added $30,000,000 in needed American funds to the credit side of Canada's — not Newfoundland's — trade balance. It employed just short of 10,000, with a payroll of more than $13,000,000; with the service, shipping and supply industries it supports included, Bowater's at Corner Brook can be fairly said to provide the livelihood for 10% of all Newfoundland's wage-earners.

Canadians should know these brighter things, should know Newfoundland no longer lives with the dangers inherent in a one-industry economy, but also depends on a second, one that is thriving, expanding, relieving the employment situation, raising the living scale and annually bringing Canada millions in valuable trading dollars from the United States. A third industry, mining, is also filled with future promise.

Newfoundland has a future to equal Canada's own. The Tenth Province is paying its way far better than Canadians realize. If Newfoundlanders do not want the Poor Relation impression to stick, their official voices should relieve the prospect of gloom they are portraying for Canadians.

THE NEXT time somebody complains that he never had a chance to get an education, set him on the highroad to success by staking him to a year's subscription to a newspaper.

— St. Mital (Man.) Lance

TO THE EDITOR

The Family Physician And Modern Curatives

April 29, 1950.

Editor, The Watchman.

Dear Sir:

In your issue of April 27th, 1950, there appeared an editorial labelled, "Those New Drugs", and I wish to make a few observations on the theme of this editorial.

It is a fact that by far the largest majority of all patients are treated by the family doctor and if the benefits of medical science are to be of any use to the general population, they will have to be brought to the public by the family doctor.

While it is true that he is a very busy man — the average family doctor is a conscientious physician and not only keeps abreast of the new medical discoveries, but, uses them in his practice. In fact, much of the value of these new drugs is assessed from their use in general practice. This has to be so because of the much greater opportunity offered.

I believe you will agree that the family doctor will continue to be the main medium through which the advantages of improving medical science will be passed on to the great mass of the general public.

— F. W. FitzGerald, M.D.C.M.

• • •

Ed. Note: Publicity on the new medical discoveries far outstrides their general use, and it seems that many too-hopeful sufferers count on a ready cure — to learn, ultimately, that the new remedies have been found perhaps impractical in particular cases. We agree with the writer's comment. The public looks to the family physician as a logical dispenser of newfound medications. One fact not mentioned in our editorial, however, is that patients also have confidence in their physician to safeguard them from a misguided application of new drugs, until they are completely understood and beyond the experimental stage. Thus, any intimation that "wonder" curatives are slow to reach the public, is not intended as a reflection upon the busy practitioner. It is likewise the public's assurance of his practical judgment.

$3-Billion for War Damage

Compensation payments for war damage in Britain are now approaching some $3-billion. The latest figures issued by the War Damage Commission show that during the past year another $310-million has been paid for repairs and reconstruction. Compensation still averages $6-million a week. This average is expected to continue for some time to come.

PLANNED EMIGRATION TO DOMINIONS URGED

London (CP) — Planned emigration of as many as 20,000,000 Britons to Canada, Australia and New Zealand was urged by F. H. Hinsley in an address to the Royal Empire Society.

Hinsley, a university lecturer in modern history, argued the case of planned emigration by agreement between Britain and the Dominions, as against the present system of spontaneous emigration.

He said a whole cross-section of the British population, including people old and young, skilled and unskilled of all trades and professions, should be sent abroad.

Hinsley termed exaggerated, the horror with which many economists regard the economic disruption that might follow any large-scale emigration from Britain.

TOWN CAN GET GRANT IF IT FORMS A BAND

Atikokan, Ont. (CP) — There's something about a home-town band.

The Arigogan Chamber of Commerce was told at a recent meeting that if the town started a band it could obtain a grant of $400 a year from the army and instruments from army surplus.

This information was given by two guest speakers, Major L. Leatherdale and Sgt.-Maj. R. G. Morrow of the Reserve Force Unit, Prairie Command.

They also said that the Reserve Army is interested in obtaining young men to be trained as officers. The process of establishing a reserve army unit in Atikokan was outlined.

The Chamber also was told that a cadet corps could be formed as part of the reserve army to provide training for young high school students. A sergeant would be sent from Winnipeg at least once a week to help with the training. The chamber unanimously endorsed a motion that such a group be formed.

DISTRICT NEWS FROM OUR COUNTY CORRESPONDENTS

Grenville

Mr. and Mrs. Ray Dawson and son, Mr. Garth Dawson, motored to Hudson and Montreal for the week-end and visited with friends.

Mrs. James Oakman and little daughter, Linda, were in Montreal on Monday and Tuesday.

Mrs. Harris Dewar and son, Gordon, spent Monday in the city.

Mr. and Mrs. Douglas Scharf and small son, of Ottawa, were week-end guests of Mrs. A. Conway.

An afternoon tea under auspices of the Ladies' Guild of St. Matthew's Church is being held May 11 at the rectory. Friends are asked to keep this date open.

Bereavements

Sympathy of this community is extended to relatives in the passing of Mr. John Woodbury.

News was received of the passing of Miss Helen Stelle, at a nursing home in Montreal. The late Miss Steele was well known here, and leaves many relatives.

Harrington

Mr. and Mrs. Wallingford and daughter, Ruth, spent Sunday as guests of Mr. and Mrs. H. Bennett.

Mr. Les Pratt and Miss A. Watts, of Montreal, called at the home of Mr. and Mrs. Geo. Bennett on Sunday last.

A number of people from a distance attended the funeral of the late Mr. John McMahon, which was held on Tuesday of this week. Sympathy is extended to Mr. and Mrs. Clarence McMahon and to Mrs. McMahon in their bereavement.

Miss Isobel Fraser, of Lachute, spent the week-end with her sister, Mrs. J. D. Shaw.

Miss Lois Bennett, nurse-in-training at the Alexander Hospital, visited at her home last week.

Mrs. Chesser Waite, of Kilmar, spent the week-end with Mr. and Mrs. Wm. Provencal. . . Mr. and Mrs. Wm. Provencal and family, also Mrs. Waite, spent Monday in Lachute and Hawkesbury.

Mr. and Mrs. Chas. Oswick and family, of Grenville, spent the week-end at the home of Mr. and Mrs. John Provencal.

Bell Falls

Mr. and Mrs. George Paul and daughter, Sharon, of Lachute, visited Mr. and Mrs. T. McNeil. Miss Ruby McNeil, of Montreal, was also a guest.

Miss Mary Bennett and Miss Joan Blore were guests of Mr. and Mrs. C. Bennett.

The Misses Isabel and Edythe MacCallum, of Gatineau, spent the week-end at their home here.

Sympathy is extended to Mrs. John McMahon and other relatives, in the recent death of her husband.

Church Items

Service will be held at 11 a.m. D.S.T. in the Harrington United Church. With this service, Mr. Colin Wert, student pastor, will commence his summer work here. . . Sunday School will be held at 10.15 o'clock.

Grenville

Mr. and Mrs. A. W. P. Gaudry, of Greenfield Park, visited his mother, Mrs. A. V. Gaudry, and his brother, Victor, here on Saturday afternoon.

Mr. and Mrs. Eddley Woodbury, of Ottawa, attended the funeral of his father on Sunday, held from St. Matthew's Anglican Church. Mr. Woodbury's daughter, Mrs. John Stewart and Mr. Stewart, of Ottawa, also attended. Sympathy is extended to the bereaved relatives.

The Rev. J. G. Duncan, of the Brownsburg Baptist Church, held service at the home of Mrs. Craig last Sunday afternoon.

Lake Keatley

Miss Enid Stewart, of Montreal, was the recent guest of her parents, Mr. and Mrs. S. Stewart.

Mrs. Sanford MacVicar and little daughter, Marylin, spent last week in Lachute, as guests of Mr. and Mrs. Howard Jones.

Week-end guests of Mr. Chas. Watson, were his uncle, Mr. Glindon Watson, and Alfie Hefferman, all of Montreal.

Mr. Fred Parent, Mr. Norman Parent, and Mr. Ken Ford, of Montreal, spent the week-end at "Oak Ben Cabin".

Mr. Lawrence Thomas, of Montreal, spent the week-end here with his wife and baby, who are visiting her mother, Mrs. Pauline Young, for a few weeks.

Mr. G. J. Bennett and son, Stewart, of Montreal, paid a brief visit to "Echo Valley Camp", have returned to Montreal.

Mrs. Dave MacVicar has returned home after a week's visit with her sister and brother-in-law, Mr. and Mrs. Bert McGregor, in Ottawa.

This community extends sincere sympathy to the wife and family of the late John McMahon, whose death occurred last Sunday.

Cushing West

Capt. and Mrs. J. D. Weir, of Senneville — with their three grandsons, Davis, Tommy and Johnny, as their guests — spent the week-end at their summer home.

Mr. Clarence MacKinnon left a few days ago for Port Weller to resume his duties on S.S. Bayanna.

Mr. and Mrs. Leonard Bond and family, and Mr. and Mrs. W. Pilon and son, of Vankleek Hill, were guests of their aunt, Mrs. W. Usher, on Sunday.

Miss Eileen MacKinnon left Tuesday last for Ottawa, after spending three weeks taking care of her mother, Mrs. A. MacKinnon, who has been in ill health for the past two months.

Mrs. J. Brooks spent the week-end in Montreal.

Miss Olive Hartley, Mr. and Mrs. Lawrence Hartley and daughter, Margaret, motored from Montreal and spent Sunday at their summer home.

Mrs. Wm. Usher will be in Toronto this week to attend an executive meeting of the Dominion W.C.T.U.; going via Montreal, Mrs. Usher will also attend the annual meeting and banquet of the W.C.T.U. of that district, of which she is past-president.

Mrs. S. Campbell spent a few days in Grenville as the guest of Miss Eva White; also Miss Grace McMeekin has returned to Mr. C. Hartley's, after spending some time in Hawkesbury.

Mr. and Mrs. F. Pitt and family, and their guests Mrs. Trigg, Sr., Mrs. Trigg, Jr., and son Arnold, spent the week-end at their summer home.

Mr. and Mrs. Wm. Petit, of Newington, Ont. were guests of the latter's sister, Mrs. Henry Villeneuve, during the week-end. Mr. H. Villeneuve, of Montreal, also spent the week-end here with his wife and family.

Mr. and Mrs. Hugh Danford, of Montreal, have opened their summer residence on the rivershore for the season.

Mr. and Mrs. Roland Desforges attended the hockey game at the Forum on Saturday between the Jr. Canadiens and the Regina Pats.

Miss M. Whelehan had the pleasure of a call from one of her oldest friends, in the person of Mrs. A. Davidson, of Como. This remarkable old lady, who is now in her 90th year, is the only remaining member of the family of the late Murdoch MacKinnon, in former years a highly respected citizen of Cushing. Mrs. Davidson was accompanied by her son and daughter-in-law, Mr. and Mrs. George Davidson, at whose home in Brockville she had been visiting.

The regular Sunday morning service in St. Mungo's United Church will be held at 11.30 a.m. (D.S.T.)

The Rev. A. G. Moore and Mr. J. Innes were in Montreal on Tuesday attending a meeting of the Presbytery.

Ice-Break on Ottawa River

The ice moved out of the Ottawa River on Saturday and navigation (if any) may open immediately.

Calumet

Mr. and Mrs. George Martin and baby daughter, Donna, of Toronto, were week-end guests of Mr. and Mrs. L. G. Martin. Mrs. Martin and daughter are remaining here for a week.

Mr. and Mrs. M. Matthew and son, Brian, were week-end guests of Mr. and Mrs. W. E. Brigden.

Mr and Mrs. C. Cooke and children, Valerie and Lorne, who have taken up their summer residence at Lowe, Que., spent last week-end with Mr. and Mrs. H. Trineer.

Mr. and Mrs. J. Druce, of Hawkesbury, were Sunday guests of Mr. and Mrs. H. Druce.

Miss Kay Bigelow is spending a few days with her parents, Mr. and Mrs. S. Bigelow.

Buildings Destroyed by Early Morning Fire

Great excitement was evident here Tuesday morning around 7 o'clock, when fire broke out in the shed belonging to Mr. R. MacIntyre. The shed was completely demolished, as was another structure next door belonging to Mr. A. Craig. However, thanks to prompt action, both the homes were saved. The extremely high wind that morning caused anxiety to all the adjacent neighbors, but happily no further harm was done.

Brownsburg

An Amateur Night, sponsored by the Sunday School will be held in the United Church Hall on Monday evening, May 22nd. You are asked to keep the date open.

The Jr. Women's Association meeting, postponed from this week on account of the men's concert on Tuesday, will take place next Tuesday evening at the home of Mrs. D. Golphin. The Sr. Women's Association Mother's Day Tea will be held on Friday afternoon, May 12th, in the United Church hall from 3 p.m.

Mrs. Robert Creswell spent Friday last in Montreal.

The Sr. Women's Association of the United Church have changed the date of their food sale and salad tea to May 12th instead of May 13th as previously announced. A number of the members wish to attend the annual Convention of Argenteuil Women's Institutes which is to be held in Arundel on May 13th.

Mrs. F. Barker spent part of last week in Montreal.

The annual meeting of the Ladies' Aid of the Maple Avenue Baptist Church was held at the home of Mrs. J. Mason on Thursday evening last. The following officers were elected. President, Mrs. Hector Mason; 1st vice-president, Mrs. Howard Dixon; 2nd vice-president, Mrs. F. Barker; treasurer, Mrs. G. Creswell; secretary, Mrs. N. E. Smillie. Plans were made to hold a lawn social on June 27. Further particulars will be found in "Coming Events".

Mrs. Wannamaker of Belleville was a recent guest of Mr. and Mrs. Wm. Prosser.

Morin Heights

Mrs. C. Wildgust, and son Bruce have returned home after the latter having being in hospital for tonsil operation.

Mrs. Goldthorpe has returned home after having spent the winter in Montreal with her daughter, Mr. and Mrs. R. Hulley.

Mr. Dudley, of Montreal, spent last week with Mr. and Mrs. Wm. Doherty

Mrs. Wm. Nesbitt has returned home after having spent a couple of weeks in Montreal.

Mr. and Mrs. T. E. Seale and son Huntley, were guests of Mr. and Mrs. L. Crawford, in Montreal on Sunday last.

Mrs. E. Green, of Montreal, spent the week-end with Mr. and Mrs. F. Watchorn.

Rev. and Mrs. C. R. Wood and son David are on holiday. The Rev. Mr. Smith, Assistant Superintent at Boy's Farm, Shawbridge, conducted the United Church Service on Sunday last.

Mr. and Mrs. C. Major, and daughters Beverley and Audrey, also Mrs. E. Milner, of Montreal, were Sunday guests of Mr. and Mrs. Willis Seale.

Mr. and Mrs. Jack MacKimmie and daughter, Bonnie, of Lachute, spent the week-end with Mr. and Mrs. E. Kneeland.

Abolishing Passport Visas

Nineteen nations are studying the means of abolishing passport visas for visitors staying not more than three months. The Council of the Organization for European Economic Co-operation has asked member countries to put this plan into force as soon as possible.

Peninsula literally means "almost an island".

Northern Grenville

Mrs. Fred Rolfe is spending a few days in Montreal.

Recent visitors at Mr. and Mrs. Holland Kennedy's were Mr. Joseph Kennedy, of Brownsburg, and Miss Eileen Smith, also of Brownsburg.

Mr. Asa Younge returned home after spending the week in Avoca.

Visitors at the home of Mr. and Mrs. Wyman Young were Mr. Batstone and Mr. Vernon Haddlesey.

Mr. H. H. MacKrith spent the week-end in Lachute.

Mr. and Mrs. Scott McLean and family were recent guests of Mr. and Mrs. Earl MacIntyre.

The Misses Gwen and Bernice Hoare were recent guests of their parents, Mr. and Mrs. Thomas Hoare.

(Payable in Advance)

BIRTHS

ARMSTRONG — At Ormstown Hospital, May 1, 1950, to Mr. and Mrs. Stuart Armstrong (née Maud Cottingham), a son.

BOYD — At the Providence Hospital, Lachute, Que., on April 30, 1950, to Mr. and Mrs. Arnold Boyd, a son, brother to Beverley.

LAFLEUR — At the Providence Hospital, Lachute, May 1, 1950, to Dr. and Mrs. Jules Lafleur (Ruth La Prairie), a son.

McFAUL — At the Royal Victoria Hospital, April 20, 1950, to Mr. and Mrs. Edmund McFaul (née Annie MacRae), a son, John Edmund.

DEATHS

DAWSON — At Mille Isles, on April 28, 1950, to Mr. and Mrs. Duncan H. Dawson, a son (brother to Shirley).

DEMONE — At Hamilton, Ont., on May 1, 1950, Mary Margaret McFarlane, beloved wife of Donald Demone, daughter of Mr. George McFarlane, sister of Mrs. Jesse Hawkins of Hoosier, Sask., and dear niece of Mrs. Mary Doig and Mrs. David Berry, of Lachute.

McMAHON — April 30, 1950, at Rivington, Que., John McMahon, in his 83rd year, beloved husband of Hectorina Fox. Funeral held Tuesday from Harrington United Church; interment Shaw's Cemetery.

ACKNOWLEDGMENTS

CRUISE — The family of the late Mrs. John Cruise, Sr., are grateful for kindnesses extended by many friends, and for expressions of sympathy tendered in their bereavement.

McCAMBLY — Mrs. Thomas McCambly and family wish to thank all relatives and friends for their kind expressions of sympathy and floral tributes, in their recent sad bereavement. Special thanks are extended to Mr. Henry Neil and Mr. Wilbert Sherritt for their kind and invaluable assistance.

WILSON — Mr. Sydney Wilson, of North River, wishes to express thanks to all relatives and friends for their many expressions of sympathy in his recent bereavement.

IN MEMORIAM

STACEY — In loving memory of my dear mother, Mary Louise Denman, who passed away May 5, 1949. — Always remembered by her daughter, Hazel, and son-in-law, Harry.

NEW ROAD RULE

Halifax (CP) — The Nova Scotia legislature has approved in principle a bill which will prohibit woodsmen leaving brush within 100 feet of a highway. The measure is aimed at reducing the forest fire hazard and improving the appearance of the countryside.

School Music Festival

Counties of Argenteuil and Two Mountains

FRIDAY 1.30 p.m. Presbyterian Church Hall — Vocal Section
1.30 p.m. High School Music Room — Piano Section

9.30 a.m. High School Music Room — Instrumental Section

Seats available for audience in Presbyterian Hall and Auditorium on Friday p.m. and Saturday a.m. and p.m. — 200 seats.

Seats available for GRAND EVENING PERFORMANCE — 400 seats — Admission 50c. — 7.30 p.m. Admission 35c.

Mr. Harry Norris — Adjudicator for Piano and Instrumental Sections
Mr. S. E. McKyes — Adjudicator for Choral and Vocal Section
Montreal Inter-School Orchestra at Saturday afternoon and evening sessions. Director, Mr. Elvin.

Grenville Consolidated School News

By Martha Richardson

A new film-slide projector has recently arrived at school. It is the new type S.V.E. Instructor. It has quite a number of features that the older models do not have, and will be of great assistance to both pupils and teachers alike.

* * *

The bird-house construction contest for boys, and the doll's fashion style-parade for girls, have been completed.

The boys exhibited 24 houses, of all sizes and shapes, which showed that the lads really applied themselves to building comfortable homes for their feathered friends. There were some designs entirely new to architecture, that had a futuristic quality about them; others that showed a lot of imagination.

The girls entered over 40 dolls in the style parade. Their efforts taxed the decision of the judges, who found it difficult to determine the winners. Frow a feminine point of view, the little dresses worn by the dolls were "marvellous".

Both competitions were divided into four classes. This enabled the small folk to compete with small folk, and the older children to compete in their own classes. Mrs. Geo. Kelly and Mrs. K. A. Farrara judged the dolls. Mr. U. Beauchamp was the judge for the bird houses

The following are the winners in the boys' competition.

Class One — 1 Guy Kelly, 2 Graham Murphy, 3 David Reeves.

Class Two — 1 Thomas Provencal, 2 Roy Reeves, 3 Drummond Hall.

Class Three — 1 Ronnie Prophet, 2 Hartland Dewar, 3 Jean McMichael.

Class Four — 1 Eric Beauchamp, 2 David Bennett, 3 David Foreman.

The winners in the fashion-parade were:

Class One — 1 Betty Beauchamp, 2 Jocelyn Provencal, 3 Heather Stone.

Class Two — 1 Lorna Morrow, 2 Lucy Boyd, 3 Beverley Young.

Class Three — 1 Barbara Cowan, 2 Heather Prophet, 3 Laura McMichael.

Class Four — 1 Elsie Cousins.

New Seating Installed at Rex Theatre

Seats of a modern type shown in the accompanying illustration, have been installed this week in the Rex Theatre, Lachute. Of smart appearance, they are contour-styled for comfort of the patrons. They are described as the nearest thing to chesterfield chairs procurable for use in public auditoriums, with higher, wider backs, wider seat cushions and tapered spring construction. These chairs are distributed by the Perkins Electric Company Ltd., and the Rex management are confident they will meet with the approval of local theatre-goers and contribute further to their enjoyment.

DOUBLE ANNIVERSARY

Metabetchouan, Que. (CP) — Alfred Tremblay, retired shoemaker of this Saguenay district village, is looking forward to the double celebration in May of his 100th birthday and the 59th anniversary of his marriage.

MAIN STREET DEMOCRACY

(Stanstead Journal)

Rural and semi-urban areas . . give democracy a personal touch such as no city, or a provincial or federal parliament, can enjoy.

Country municipalities, like those which run our village, township and school affairs, are comprised of individuals for the most part known to one another, and the councils and boards thus gain an intimacy unknown to bigger forums of public debate.

Some may say this is a bad thing, that personalities, close relationships and private prejudices too often take the place of sound judgment, that well-reasoned opposition fades before friendship, that personal antagonism prevails over the public good.

We disagree. These weaknesses certainly may be present all too often in rural local government; but they are never so serious as a big-city councillor deliberating, when at home he doesn't know his next-door neighbor's name, or a Member of Parliament from Nova Scotia sitting at Ottawa with power to vote on, say, the floor price of Western wheat, when he never has seen the grain-laden Prairies at harvest, or any other time.

* * *

In other words, on the subject at hand, the village councillor is more likely to know more about anything he is called upon to deal with than the big-city alderman, the M.P. and even the M.L.A. at a provincial capital. Day-to-day living in his community gives the local man his local knowledge to best run local affairs. Broaden his field of responsibility and his direct value to the democratic process necessarily is weakened, unless he possesses an extraordinary intellect together with wide experience and knowledge — qualities all too rarely attracted to public affairs.

All this is not to say that in province and Dominion our democratic system is weak because of mere size. It only is to point up the paramount importance of local government in all government.

This fact frequently is overlooked or minimized in the higher echelons of government, despite the insistent if monotonous warnings of our own Premier Duplessis to the "centralizers" at Ottawa. The more we let provincial matters be controlled by Federal authorities, and the more we let the government of the province abrogate our county and municipal affairs, the more certainly we are assuring ourselves of not having the best qualified individuals to conduct our business.

Undoubtedly, we are the government — federal, provincial and local — by virtue of the power of the ballot. But the ballot represents the means of placing our affairs in the hands of elected representatives and we should be more careful in deciding which representatives should be doing which jobs for us.

Most of us read periodically of the Dominion-provincial arguments as to which authority will deal with this and that matter. Often it boils down to who is going to tax what. Since we the people are going to pay these taxes anyway, whoever collects them, the arguments to us individuals seem purely academic.

The reasons for these arguments, however, are of moment to us because they arise from the need for the various governments to gain new sources of revenue, or keep what sources they have, to meet the ever-mounting costs of government at all levels.

Apart from the expense of such popular socialistic plans as unemployment insurance, family allowances, pensions of all kinds for nearly everyone, and the like, the costs of government have grown also from the costs of centralization of functions, away from regional and local authorities.

Every time you centralize something, the apparent economies immediately are offset by additions to the bureaucracy required to administer it. For example, if Quebec were to take over the responsibility for all street lighting in the province, we would find a whole, big, new office established at Quebec City to house a small army of civil servants to draw up plans, keep files, issue orders, hear complaints and keep the accounts. All this would replace the simple expedient of local authorities, who are on the spot, running the show with simplicity from their own local knowledge.

* * *

Local government, therefore, is the real foundation of our democracy. It is the closest-to-home stronghold of the citizenship and freedom that we possess. It is where politics have least play and individual integrity has its greatest opportunity to be expressed for the general welfare. It is the birthplace of statesmanship, the true testing ground for public leadership. It's government more yours than any other.

It becomes us all to look to our local governments, support our representatives in them, jealously guard their prerogatives, champion them against bureaucratic encroachments from above, and broaden our knowledge of all our affairs so that we may intelligently likewise guide those others whom we set in authority over us.

Efficiency and effectiveness in provincial, federal and world government starts with those qualities along Main Street.

Queen Mother at Work

This informal picture of Her Majesty Queen Mary engaged on tapestry work in the gardens of Malborough House has recently been released, as the beautiful gros-point carpet which Her Majesty took eight years to make, has been on display at the Metropolitan Museum, New York, and many cities in Canada and the United States. . . Her Majesty is seen working on a piece of tapestry which resembles the gros-point work of the carpet.

Govt. Housing Loans At Peak

More joint loans were approved under the National Housing Act in March of this year than in any month since Government housing legislation was first enacted, according to figures released by Central Mortgage and Housing Corporation at Ottawa.

Preliminary figures for the month, received from the Corporation's field offices, indicate that 2,622 joint loans were approved during March to assist in financing the construction of 2,863 dwelling units. Total value of the loans was placed at $20,362,000.

The peak number of joint loan approvals in March represented an increase of some 900 over the February figure when 1,703 loans totalling $13,089,000 were made for 1,949 units. In March, 1949, 1,118 joint loans were approved for 1,378 units and amounted to $7,254,000.

The Rev. Arthur J. Radford of Paul Vicarage, Stonehouse, Plymouth, England, recently distributed a gift of food from the St. George's Society, Toronto, to the aged and deserving people of his parish.

Alberta Oil Fields

In the past year, because of new discoveries and the extension of known fields, the estimated proven oil reserves in Alberta increased over 100% to reach a total exceeding one billion barrels — says the current issue of *Imperial Oil Review*.

If discovery and development can be maintained at their present rate, self-sufficiency may be achieved in a few years.

This, however, would require the discovery of reserves three to four times the present size.

Some idea of the rapid growth and development of the nation's oil reserves may be gained from the fact that before the discovery of the Leduc field in February 1947 — considered the turning point in the growth of our oil resources —proven reserves totalled some 72 million barrels. Canada's oil reserves have increased more than 15 times over what they were in the pre-Leduc days.

Aside from the tangible growth in reserves outlined above, the real achievement of the post-war years in Alberta has been in geological knowledge. The key to at least one of the major natural depositories of oil has been found in the coral reefs of the Devonian geological period. In that sense a great contest with reluctant nature has been won.

How great an advantage can be taken of this victory depends on human rather than natural factors. If still further additions are to be made to reserves, if the goal of self-sufficiency in oil is to be achieved and perhaps surpassed, other problems must be met. Broadly speaking, these problems concern adequate markets for western Canadian oil and continued encouragement for exploration and development so that capital for the highly risky business of oil-seeking will be forthcoming.

Work is already in hand to widen the markets for western Canadian oil. This work, augmented by other programmes which will become necessary if the fullest development is to be realized, will do much to aid future progress.

Nothing new! The Babylonians had real estate maps 4,200 years ago.

LLOYD EDWARDS, Toronto pianist-composer who writes the background music for the CBC radio-drama series called "Once Over Lightly", heard Mondays at 8 p.m. The May 8th program in this light-hearted series based on Greek myths will tell the story of Theseus and the Minotaur. The scripts are by Alan King. Mr. Edwards is organist and pianist with the orchestras of Stage 50, Ford Theatre, and Buckingham Theatre.

FOREST FIRE CAMPAIGN

Fredericton, N.B. (CP)—Students of New Brunswick have sent in nearly 3,000 entries in a contest for forest fire prevention posters. Indian schools sent in a large number of entries, and mining and fishing communities sent in more posters than forest communities.

The national anthem of Switzerland is the same tune as "God Save the King" and "My Country 'Tis of Thee".

Water Wheel Turns Water Doesn't Stop

Ewen Scott's Invention Is Almost Perpetual Motion

Swift Current, Sask. (CP) — It may not be perpetual motion but 79-year-old Ewen Hugh Scott's water wheel is at least an approach to that ideal.

Some months ago Mr. Scott went to work on the water wheel. His finished product is 7 feet 2 inches in diameter and 8 inches wide. It has 16 buckets on it. Each holds 1½ gallons of water.

Beside the wheel Mr. Scott places a 45-gallon barrel and a centrifugal pump driven by the wheel which elevates the water into a second barrel 8 feet above the floor. The buckets are continually refilled from this second barrel.

In the bottom of each bucket is a gate, controlled by a lever weighted down with stove bolts. When the buckets are horizontal to the axle the level points down, the water flows out into the first barrel and the wheel goes on.

Mr. Scott says the wheel revolves 150 times a minute, and that the pulley he has connected to it will run the pump at 2,000 revolutions a minute. The pump is capable of lifting water 18 feet if necessary, he says.

Mr. Scott used to farm 2 miles north of the Dominion Experimental Station here. He was born at Ailsa Craig, Ont., July 17, 1870.

He said he did not know what perpetual motion was.

But when George Campbell, a Swift Current taxi driver, saw the wheel operating, he exclaimed. "Why, man, that's perpetual motion!" Mr. Scott has instructed his lawyer to file an application for a patient on the wheel.

The wheel's buckets are built of spruce and tin. Mr. Scott believes that wheels of this kind, in large-scale operation, would be capable of generating electricity in rural areas at an extremely low cost.

Sees Teaching Based on Hope

Edmonton Teacher for 20 Years Says Schools Must Always Improve

Edmonton (CP) — Marion Gimby has an answer for the problems raised by an increasingly complex world. The schools for the world's children, she believes, must always improve.

Miss Gimby is a high school history teacher, and perhaps that's the answer one might expect from a teacher. But her opinion is based on 20 years' experience in Eastwood High School here.

At the 20-year service mark, she isn't discouraged, though she says the teacher's job is open to discouragement.

"You can see the result of your efforts when you write a story, or teach a craft", she said in an interview, "but when you teach, the results are based mainly on hope."

Much of Miss Gimby's spare time, when she's through parsing English paragraphs, conjugating French verbs and travelling through text-book history from Cleopatra to Clemenceau, is taken up with her interests in education. Last year, she became first vice-president of the Alberta Teachers' Association, "one of the most successful teachers' groups in the world".

Higher Standards

"We need more and better schools", she says, "more and better teachers, a more varied curriculum and a much higher standard of scholarship among students."

Miss Gimby has never lost a zest for people and ideas which she carried with her to Oxford University in 1928, armed with an I.O.D.E. scholarship. After Oxford she took a master's degree in history and went to Europe for travel. Then she brought her ideas and her skill back to Edmonton.

She knows schools have an important role in a democracy. "The only strong foundation for any country is an equal opportunity for every child. That is what wise people always do: make a large-scale, long-term investment in the education of their children."

What about the much-debated progressive education?

"I'm all for it", she says. "It's never been really tried, you know; any real progressive education combines fundamental skills and disciplines with limitless facilities for every pupil to make use of his full capacities."

100 YEARS OLD

Chippawa, Ont. (CP) — Plans are being made for the celebration this summer of the village's centennial year. A souvenir booklet will be published and 10,000 centennial seals affixed to letters.

ATOM SHIPS PREDICTED

Warships of world fleets are now being specially designed for specific roles in countering potential enemy ships, says the latest issue of "Janes Fighting Ships". In the next few years, it predicts, the world will see revolutionary new fleets with atomic bomb carriers, guided missile control ships, anti-submarine cruisers, rocket-firing destroyers, and ships driven by gas turbine.

Wins Traditional Gold Cane Race

The 10,000-ton Canadian Pacific cargo liner Beavercove won for her master, Capt. S. W. Keay, O.B.E., the traditional gold-headed cane awarded annually to the skipper of the first overseas vessel to enter the Port of Montreal at the beginning of the navigation season. Ice conditions in the St. Lawrence River, which caused ships to dock temporarily at Quebec City, helped make the race one of the tightest ever, with the Beavercove making the voyage in just ten hours and ten minutes. Inset shows Capt. Keay (right) receiving the gold-headed cane from A. Gordon Murphy, Montreal Postmaster. This marked the second time that Capt. Keay had won the award, taking it first in 1945 aboard the freighter Gatineau Park while still on service with the Admiralty.

EGGS NO LONGER LARDER ORPHANS FOR NORWEGIANS

Housewives Gasp At Change From Scarcity to Plenty

By Elizabeth Kitson

Oslo (Reuters) — Within the space of three months, the reaction of a Norwegian family on sighting bacon and eggs for breakfast, or pork chops for dinner, has changed from a gasped, "how did you manage it?" to a sighed: "what, again!"

Eggs and pork, for years precious items on the food ration list, have overnight become so plentiful that they are today the chief targets for radio jokesters, music hall comedians and newspaper cartoonists.

Norwegian newspapers daily advise their subscribers to consume larger quantities of eggs and pork. At the bottom of every story are slogans that read: "Why not fry an egg for your supper?" "There is no nicer dish than an omelet for lunch." "Start the day well with an egg for breakfast."

For a woman's page editor to suggest a recipe for eggless chocolate cake now would be comparable to high treason.

Egg prices have been reduced twice in the last two months until they retail today at 42 cents a dozen. But still stores are overstocked and warehouses overflowing.

The egg marketing board had been gathering the surplus eggs for cold storage against a shortage but within weeks the board cried "uncle"—they could take no more.

Taken by Surprise

This era of eggs-a-plenty caught the Norwegian housewife, as well as officialdom, completely by surprise. As recently as last Christmas, housewives were in despair because it was impossible to get enough eggs to bake cakes. For four years, they were on strict ration. Sometimes many months would go by without any egg ration at all, and it was front-page news when the government declared an egg dividend of five eggs per person.

Then one day — nobody remembers exactly when — the story goes that a housewife in a nervous whisper asked her grocer if he couldn't manage a few eggs under the counter. And when he replied that he would be grateful if she could take home several kilograms (eggs are sold by weight in Norway; about twenty eggs to the kilogram) of eggs, she fainted.

Much the same thing happened with fat pork.

Norwegians are very fond of pork but the average family hasn't seen much of it on the dinner table for several years. Since the beginning of the year, there has been a glut of it. Butcher shops are bulging with pork in all forms — joints, chops, sausages, bacon, salted or smoked and various kinds of ham.

All other meats are still rationed. The result of this is that fish has returned to an honored place on the Norwegian menu. For years, Norwegians ate practically nothing but fish or whalemeat, and the Norwegian's regard for seafood hit ocean bottom a long time ago. Today, he will go into near-ecstasy over a piece of boiled cod or halibut, or even the humble herring.

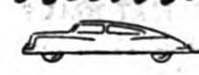

But whatever is on the table, the average Norwegian would be grateful if he could wash it down with a good cup of coffee. Coffee is as difficult to obtain as eggs were three months ago.

The Older Citizen

There is great need for study of the problem created by the increasing number of persons in society who are old only in terms of years, states an editorial in the current issue of the magazine "Health", published by the Health League of Canada.

"Geriatrics is defined as the science of the diseases of the aged", says the editorial. "This definition would seem to be taken from a medical dictionary. It is acknowledged that, as so defined, it is the least developed field of medicine and that, with the increasing percentage of aged persons in the population, it is the most challenging of all needs in the field of medicine. To emphasize its importance in this sense, one need go no further than a discussion of cancer deaths, which have increased enormously largely because cancer is a disease of the later decades and because there are so many people living to be old enough to develop cancer.

"Medicine, which should have as its great objective the prevention of illness, has obviously new problems because people live longer than they used to. But society has some new problems too.

"The ruthlessness of modern competition and the enthusiasm and energy of youth have contributed to the disadvantage of the older section of the population. Industry is discouraging the employment of persons over a certain age, either because such employment interferes with their pension schemes or because younger persons have more ability or energy and, hence, may turn out more goods to the profit of industry.

"At the moment we do not propose to argue whether, in disdaining the advice and steady work of older employees, industry is working to its own disadvantage, insofar as immediate results are concerned. Here the remarkable results achieved in many fields by older people give us food for thought. Experience and stability, the product of experience, should surely be disregarded with caution.

"Quite aside from this question, the percentage of older people in each community is sure to steadily increase as preventive medicine becomes more and more effective in younger age groups. If society in general and industry in particular do not utilize the services of older people in science, in industry and in our universities and our factories, then the younger generation will be forced into the position of supporting the older generation, by their own efforts. And the more older people who are summarily dismissed or retired and left to their own resources, the more likely the oldsters are to deteriorate and become a real burden for society.

"When industry and universities bid adieu to workmen and professors experienced by long years of work, and when even insurance companies refuse to take on new employees because of an age limit, it is evidence of an extraordinary failure to keep up with the times. Geriatrics is more than a branch of medicine; it is a social science. There is great need for the study of the problem created by the increasing number of persons in society who are old only in terms of years. The problem of preventive medicine is not only to make it possible for people to live longer, but also to see to it that longer life means a longer period of physical and mental fitness. It is the problem of society to see that man is no longer as old as his years but as old as his arteries. As long as his arteries hold out, society should utilize his services to the full for his own happiness and the welfare of his fellow man to which he is still able to contribute."

Sharps of Shaunavon Love Printer's Ink

Family Linked With Newspaper Business for Many Years

Shaunavon, Sask. (CP)—Printer's ink runs thick through the blood of the Sharps of this southwestern Saskatchewan town.

Alex Sharp is co-publisher of the town's weekly, The Shaunavon Standard.

Before him, his father, W. E. Sharp, also was co-publisher of The Standard for 26 years. Before coming to Shaunavon in 1919, he published The Swift Current Herald and The Melfort Moon. Though W. E. Sharp "retired" in 1944, he still writes a column every week for The Standard and lends a useful hand at the linotype when his son is away curling.

Mrs. Alex Sharp's father, George E. Sym, for many years was publisher of The Nipawin Herald which suspended publication last year. Mrs. Sym, however, still carries on a job shop.

Alex's grandfather, the late T. W. Sharp, was a linotype operator on the Leeds (England) Mercury.

Mrs. Sharp's uncle, C. R. Campbell, formerly of The Regina Star and The Grenfell Sun, now is employed on a newspaper in Springfield, Mass. Her sister, Mrs. Earl Robertson of Vancouver, formerly worked on The Nipawin Herald.

Dick Sanburn of the Southam newspaper organization is a second cousin of Alex Sharp.

Shaunavon residents feel certain the Alex Sharp's three children will carry on when they grow up.

LEAKAGE? SEEPAGE?

RUST OR ROT?

take your troubles to your BARRETT DEALER

Is the weather getting the best of you? Rain coming through the roof? Basement flooding? Gutters rusting? Take your troubles to your Barrett dealer. He carries a complete line of weather-proofing materials—as well as shingles, roll roofings and insulation. Expensive? No. Practically nothing when you add up the results. Here are a few Barrett weather-proofing products. Your dealer has these and many more.

LEAKS—Plastic Elastigum* Cement. Seals leaks. Cements flashings. A thin coating of Liquid Elastigum* Cement re-seals old roofs.

SEEPAGE—Hydronon*Paint. An ideal foundation coating.

RUST—Everjet* Paint. Dries fast to a hard, black, glossy surface that seals out the weather.

WOOD-ROT—Carbosota* Creosote Oil. For foundation timbers, fence posts—above or below ground level.

NEW—ALL-PURPOSE, ALL-WEATHER, *READY-TO-USE* ALUMINUM PAINT. It's Barrett Silvex* Aluminum Paint. *Needs no mixing!* Tough, protective finish reflects light and heat up to 75%... resists moisture, corrosive fumes, salt spray.

Your Barrett dealer sells Protection *Plus*

He stocks a complete line of roofing, insulation and weather-proofing materials. He's got what it takes to stop almost any weather. Whether your problem is leakage, seepage, rust or rot—see your Barrett dealer first!

KEM-GLO'S OUTSTANDING FEATURES...

1. Ready to use, easy to apply. 2. One coat covers. 3. No primer. 4. No undercoater. 5. Dries in 3 to 4 hours. 6. Washable—yes, scrubbable.

11 colours...

Including "Stay White" white, plus 5 trim and accent colours—

Mandalay Ivory — Lakeland Blue
Sunbury Yellow — Arbor Green
Capri Blue — Rose Coral
Seacrest Green — Georgian Cream
Magwood Green — Canterbury Grey

Made by the makers of famous KEM-TONE

"IT TOOK ONLY ONE COAT to make our bathroom walls as beautiful and scrubbable as our lovely new bath tub. And hot water and steam don't affect it one particle."

There's never been an enamel finish like KEM-GLO—so new, so different, so superior to anything ever offered you before.

And it's so easy to use—with brush or Roller-Koater. Just ONE smooth-flowing coat of KEM-GLO does a perfect job for kitchen, bathroom, hallways, nurseries, for all your finest woodwork.

KEM-GLO saves you money because it needs no primer or undercoater (even on raw wood, wallboard and plaster). It covers most surfaces in one coat—ordinary enamels require an undercoater plus one or more coats of enamel.

ONLY $2.60 PER QT.

KEM-GLO Mirror Lustre Finish

"Let God Be True"

— Romans. 3: 3-4

Proverbs. 22:6 — Train up a child in the way it should go, and when he is old, he will not depart from it.

Will your child avoid the pitfalls of life?

Can you as a parent properly train your child?

Children need instruction in righteousness to avoid the dangers of delinquency. Do you as a parent so instruct your children? Many parents feel unqualified to teach their children from the Bible; yet Bible study should be the very centre of the Christian household and part of a child's home life. To aid in this instruction we offer the book, "Let God Be True", prepared especially for systematic, easy-to-understand Bible study for the family group. Don't neglect your parental duty. Gather your family together for regular Bible study.

This 320-page book was written by those experienced in conducting family group Bible studies; hence it meets the needs. Its simply-written chapters cover such subjects as Satan the Devil, Messiah, hell, trinity, ransom, sabbath, the end of the world, resurrection, and many others. Study questions on each page aid discussion, and subject and Scripture-text indexes provide quick reference. Obtain your copy now. Better still, order several and start your family study upon their receipt. . . Price 35c. each.

— Write 40 IRWIN AVE., TORONTO 5, ONTARIO.

AMONG THE CHURCHES

Sunday School Rally Held at St. Simeon's

On Saturday afternoon, April 29, the "Sunday School by Post" and the regular Sunday School of St. Simeon's Church, Lachute, enjoyed a splendid program under leadership of the "Sunday School by Post" committee of the Diocesan Anglican Young People's Association.

Eight young people from Montreal, including a medical doctor, a construction engineer and students from McGill University, presented an interesting program of games, singing, illustrated Bible stories and Christian teaching.

The rally, which was well attended, was appreciated by both children and parents. Refreshments were served.

The edition is in flexible binding of maroon color, and measures 7⅝" x 5⅛" x 1⅜". It is sent postpaid on a contribution of $1 a copy. — Write 40 Irwin Avenue, Toronto 5, Ont.

"This Beautiful Earth, in God's Purpose."

Our kind, loving Creator of the heavens and the earth, whose name alone is Jehovah (Psalms 83:18). . . In His book, the Bible, He says "The heaven is My throne, and the earth is My footstool: I will make the place of My feet Glorious. (Isaiah 66:1, 60:13.)

LITERAL EARTH TO ABIDE AND BE INHABITED FOREVER

Gen. 1:1: "In the beginning God created the heaven and the earth".
Isa. 45: 18: "For thus saith the Lord that created the heaven; God himself that formed the earth and made it; he hath established it, he created it not in vain, he formed it to be inhabited".
Eccl. 1:4: "One generation passeth away, and another generation cometh: but the earth abideth for ever".
Ps. 37: 11, 29; Matt. 5:5: "The meek shall inherit the earth; and shall delight themselves in the abundance of peace. The righteous shall inherit the land, and dwell therein for ever".
Ps. 78:69: "He built his sanctuary like high palaces, like the earth which he hath established for ever".
Ps. 115: 16: "The heaven, even the heaven, are the Lord's: but the earth hath he given to the children of men".
Ps. 119: 90: "Thou hast established the earth, and it abideth".
Prov. 2: 21, 22: "The upright shall dwell in the land, and the perfect shall remain in it. But the wicked shall be cut off from the earth, and the transgressors shall be rooted out of it".
Prov. 10: 30: "The righteous shall never be removed".
See also: Ps. 104: 5; Isa. 60: 21.

Plans Made For Children's Fair

A meeting of the School Fair Committee was held on Wednesday evening April 3rd in the Agronomists office with the following being present.

Norman McGeorge, chairman; Irvin Bain, G. Warwick, Mrs. I. Bain, Mrs. Hector Mason, Mrs. Bazil Clark, Mrs. Norman McGeorge, Wm. Brass, Mrs. S. Doig, Mrs. Albert Leishman, Mrs. Douglas Bradford, Mrs. Nelson Morrison, Gerald Tomalty, A. Warwick and Alex Bothwell.

After the election of officers, plans were made to raise sufficient funds to offer as prizes at the fall Fair.

The committee reported having received sufficient seed for 100 children from the Quebec Department of Agriculture, but in view of the fact that 267 children had registered their names for seeds, it was decided to purchase some extra seed in order that all requirements be filled.

It was decided to hold a dance in Lachute in order to raise sufficient funds to support this worthy cause.

YOU CAN SAVE A LIFE

There is urgency in the appeal of the local Red Cross Society for blood donors. . . Between 300 and 400 persons are needed for this campaign to reach its objective.

Make your appointment NOW by phoning Mrs. B. Rigg, Lachute 337-W or to Mrs. C. E. Prosser, Brownsburg 2537.

Blood transfusions are being given each day in the hospitals from the "bank" of the Red Cross. . . Your blood will possibly save a life.

TROUBLE ON TROUBLE

Simcoe, Ont. (CP) — Clayton Garland, a milk truck driver, got into a peck of trouble when his truck got stuck in mud near here. The front tire of a truck which came to help, blew out, and a flying wheel rim broke Garland's leg in two places.

ENDS 50-YEAR SERVICE

Bracebridge, Ont. (CP) — George W. Boyer, one of the publishers of the Bracebridge Muskoka Herald, recently retired as organist and choirmaster of his church after 50 years' service.

SOCIAL AND PERSONAL

Mrs. Neil Price, of Ottawa, was the week-end guest of her brother, Mr. Earl Morrison and Mrs. Morrison.

• • •

Mrs. H. MacNeill and Mrs. M. Blair left on Tuesday to take up residence at Pointe Claire. During their long stay in Lachute they have been keenly active in Red Cross, curling and church work, and they will be greatly missed in the community.

• • •

Mr. and Mrs. W. J. Freeland, who have spent the winter in Florida, have been visiting their son and daughter-in-law, Mr. and Mrs. Wes Freeland, of Brownsburg, for the past two weeks — leaving Wednesday to return to their home in Toronto.

• • •

Infant Baptism

The infant daughter of Mr. and Mrs. J. F. Gorman was baptized on Sunday afternoon, the ceremony being performed by the child's grandfather, the Rev. G. T. Spriggs, at their residence, Cottingham Blvd., Lachute.

The godmothers were Miss Ella Spriggs, R.N., and Miss Ann Peverly, B.Sc.N., and the child was given the names Gwenllian Ann. Only the immediate family were present.

Miss Norma McClenaghan, of Montreal, was the week-end guest of Mrs. Robt. Hamilton.

• • •

The Rev. G. T. Spriggs was in Montreal this week attending the induction ceremony of the Rev. R. R. Latimer, who is the new rector of St. James the Apostle Church.

• • •

Those giving showers in honor of Miss Kathyrn Langille were Miss Joan McMahon, (kitchenware), Mrs. Gordon Brown (cup and saucer), and Miss Betty Campbell (miscellaneous).

Miss Langille will become the bride of Mr. Owen Riddell this coming Saturday afternoon.

• • •

Mr. George McFarlane, of Hoosier, Sask., who has been spending the past two weeks in town, left Monday for Hamilton, Ont., to attend the funeral of his daughter, Mrs. Donald Demone.

• • •

Mr. Geo. Y. Deacon is in Quebec City today attending a meeting of the Protestant Committee of the Council of Education.

• • •

Mr. and Mrs. Morris Davis and son, Lorne, from Aylmer, Que., visited at Kilmar and called on relatives in Staynerville and Lachute last Sunday.

Miss Ann Peverly, B.Sc.N., of McGill School of Graduate Nurses, was the Sunday guest of Mr. and Mrs. J. F. Gorman.

• • •

Mr. Arthur Campbell, of Dalesville, is a patient in the Montreal General Hospital. Mrs. Campbell accompanied her husband to the city on Sunday and is remaining for some time.

• • •

At the annual meeting of the Laurentian Bar Association, held Monday in St. Jerome, Fernand Legault, B.A., LL.B., advocate of this town, was elected a councillor of the organization for the coming year.

Brownsburg Council

(Continued from page 1)

explained that under the change of time it was now Friday 10 p.m. and Saturday 11 p.m. No alteration was made.

Parking Meters

A representative of the company manufacturing parking meters came before the meeting, and explained the financial and structural operation of these meters. They will be installed at no cost to the council. The meters will be of the two-hour duration type and will be mechanically operated by clock-wound mechanism; when car owners insert the coin the machine will automatically register the allowed time. It is proposed to install them along Main and Bank Streets for a trial. Owing to pressure of business, final decision was adjourned to next meeting, which is arranged for next Monday.

COMING EVENTS

Notices of Entertainment, Concerts or Meetings, etc., 10 cents per line each insertion. Minimum 50 cents. If billed 60 cents.
(Payable in Advance)

DANCE HALL RE-OPENING
Re-opening of the Silver Leaf dance hall, Hill Head, on Saturday, May 6. M4.2p

DISTRICT NEWS FROM OUR COUNTY CORRESPONDENTS

Avoca

Mrs. Neil McCallum has returned to Avoca, to be at her home during the summer.

Mr. James Bates, of Lachute, who has been visiting his brother, Hugh, during the past week, returned to his home on Saturday.

Mrs. Wm. H. Kelly with her little daughters, Kathleen and Carolyn, of Aylmer, Que., spent Sunday with her parents and her aunt, Mrs. Karr.

Mr. Garnet MacLeod, of Montreal, spent the week-end at his home.

Mr. and Mrs. Elden Bates and family, of Lachute, visited their parents over the week-end.

Mr. John K. MacLean spent a few days with his sister, Mrs. Jos. J. Young and Mr. Young.

Miss Verna Young, of Montreal, visited at her home during the week-end, being here to attend the wedding of her brother, Gordon, to Miss Lorna Kelly, which took place on Saturday.

Mr. Claude Andrews left for Lowe, Que., on Monday.

Mr. Thos. J. Young visited his cousin, Mr. Thos. Morrow, of Grenville, on Monday last.

Master Harry Kelly returned from hospital in Montreal on Saturday, and is improving slowly.

We are sorry to report the illness of Mrs. Karr — who is now, however, slowly recovering.

Our best wishes are extended to Mr. and Mrs. Gordon Young (formerly Miss Lorna Kelly), also to Mr. and Mrs. K. Staniforth) (formerly Miss Katie McTavish), whose weddings took place last Saturday.

Mrs. Chas. McKale has returned home from hospital, much improved in health. Her brother, Mr. Matthews and Mrs. Matthews, of Vancouver, are now visiting Mr. and Mrs. McKale.

Mrs. L. Constantineau is a patient in a Montreal hospital; best wishes are extended for her recovery.

Mrs. Littlejohn, of Detroit, who has been a guest of her aunt, Mrs. Lena Smith, of Pte. au Chene, has now returned to her home.

Mr. Edward Smith, of Brownsburg, spent Sunday with his parents.

After spending the winter at his home here, Capt. Clattenburg returned to his boat, the S.S. N.B. MacPherson, on Tuesday.

Mrs. F. A. Robertson spent several days in Montreal last week, where she visited her daughter, Mrs. P. Clattenburg.

Mr. and Mrs. W. R. Jeffrey and Mrs. Young have taken up permanent residence here.

Miss Alice Davidson spent Sunday at her home in Cushing, Que.

Dr. and Mrs. W. Pitcairn, of Como, Que., and Mr. Keith Pitcairn, of Montreal, visited their mother on Sunday.

Miss Evelyn Wales, R.N., of Verdun, Que., spent Sunday with her sisters, the Misses Wales.

Mrs. Ryan and Miss Janet Ryan spent the week-end at their home here.

Mr. and Mrs. Carl Downs, of Lachine, Que., spent the week-end with Mr. and Mrs. T. Percy Hall.

Dies Suddenly

The many friends of Mrs. M. Yale were saddened Sunday morning when they heard she had passed away very suddenly at the home of her niece, Mrs. K. de la Ronde.

Mr. E. C. Calder returned home Sunday after spending two weeks at Dr. Smith's Hospital, Hawkesbury.

Home for the week-end were Miss Marjorie Gates, Mr. Leslie Gates and Mr. and Mrs. George Gates.

Sunday guests at Mr. and Mrs. Robt. Robinson's were his brother and family, Mr. and Mrs. Heber Robinson and Miss Janet Robinson, of Cardinal, Ont.; Mr. Russel Holmes accompanied them. Mrs. W. Boa and Mr. Lynn Boa, of Point Fortune, were also their guests.

Mr. Robert Bradley, of Carillon, has purchased the home of the late Mrs. Geo. Perks, situated near the Anglican Church.

Cushing

Guests at Mr. and Mrs. W. H. Canning's on Sunday were Mr. and Mrs. C. Clark and children, of Mount Maple, and Mrs. R. Horner. They were accompanied by Mrs. Roy Jackson and son, Junior, of Brownsburg.

Mr. Roy Dobbie, with the assistance of Mr. S. McKiddie and son, of Vide Sac, has started the construction of a summer home for Mr. Roy Coghill, of Montreal, at the rivershore beside the Old Mill.

Miss Elsie Graham, of Verdun, spent the week-end with her parents, Mr. and Mrs. A. Graham. Miss Jean Graham, of Monalea Road, was also a week-end guest of her parents, Mr. and Mrs. Andrew Graham.

Mr. and Mrs. Roy Dobbie were guests of Mr. and Mrs. John Heatlie on Tuesday evening, and also on Sunday evening. They spent Saturday evening with Mrs. A. J. Bradley at Carillon.

Miss Alice Davidson, who has been spending the winter with the Misses Walsh in Montreal, was at her home in Cushing for the week-end and expects to settle here shortly for the summer months.

Mr. and Mrs. J. S. Hews, of Thurso, paid a short visit to the home of Mr. and Mrs. A. Graham on Thursday. Mrs. Hews is the mother of the Hon. Robt. Scott, Minister of Lands and Forests.

Mr. and Mrs. G. Cushing and little daughter, Sheril, also Mr. Roy Coghill, were here at the Cushing summer home on Saturday.

The Women's Missionary Society of St. Mungo's Church will meet at Mrs. Archie Graham's on Tuesday, May 9, when final plans will be made for the 25th anniversary meeting in June.

Mrs. A. Graham was the guest of Mrs. C. J. Leishman, also of Mrs. Jas. Murdoch, on Wednesday. Mrs. W. Y. King also spent the day in Lachute, as the guest of the Misses Barron.

Mr. and Mrs. N. Blore, also Miss M. Graham, of Verdun and Montreal, were guests of Mr. and Mrs. W. Chambers on Sunday. Mrs. A. Lighthall, who had been visiting Mrs. Blore in Verdun, returned to Mr. Chambers' with them.

Capt. and Mrs. J. D. Weir, of Senneville, occupied their summer home here for the week-end, having as their guests the three sons of Mr. and Mrs. Kenneth Weir, grandsons of Capt. Weir.

Mr. and Mrs. F. Pitt and family, of Montreal, also Mrs. Trigg, Sr., Mrs. Trigg, Jr., and son Arnold, of Montreal, occupied their summer home in Cushing on Sunday.

Mrs. Jean Robson, of Montreal, entertained a party of Montreal friends at her summer home on Sunday.

Sincere sympathy is extended to Mrs. D. Leclair in the sudden passing of her brother-in-law, Mr. Poulin, of Hawkesbury, last Sunday.

HONOR WAR DEAD

Antigonish, N.S. (CP)—A stained glass window in honor of men who died in the first and second world wars was unveiled Easter Sunday in the sanctuary of St. James' United Church, Antigonish.

Arundel

Mr. and Mrs. S. Baugh and family, of Joliette, Que., accompanied by Mrs. C. J. Staniforth, motored to Arundel on Sunday and spent the day as guests of Mr. and Mrs. P. Staniforth.

Mr. and Mrs. Edward, accompanied by Mr. Leslie May, spent the week-end with Mrs. J. May.

Mrs. W. D. Graham has been spending the past week in Arundel visiting her son and daughter, Mr. and Mrs. E. Graham.

Mr. and Mrs. Alfred Morrison have returned from a trip to Toronto, where they witnessed the graduating exercises of their daughter, Miss Gertrude Morrison, at the Anglican Women's Training College.

Mr. Harry Smith, who has been visiting at the home of his parents, Mr. and Mrs. Smith, has left to take a position for the summer months at the Entomology Laboratory at Sault Ste. Marie.

Miss Muriel Graham was home for the week-end.

Mr. and Mrs. Howard Cooke and family spent the week-end at their cottage at Barkmere.

Approximately 40 pupils of the Arundel School will leave by bus Saturday morning to take part in the Music Festival being held in Lachute.

We are pleased to note that Mrs. Jos. Boyd has returned from her sojourn in hospital; friends hope that her recovery will speedily be assured.

The monthly meeting of the Women's Institute will be held on Wednesday, May 10, in the United Church hall.

The fortnightly dance will be held at Maplewood Inn on Saturday evening, May 6.

Trousseau Tea

On Tuesday afternoon, Mrs. Wm. Morrison entertained at a 'trousseau tea' for her daughter, Jean, whose marriage is to take place Saturday, May 6, in the Grace Anglican Church. Mrs. Hugh Cooke poured tea, while Mrs. S. Bennett assisted in serving.

Japanese Tea

A pleasant afternoon tea was held under auspices of the Ladies' Union of the United Church, which was arranged in the setting of a Japanese Tea Room. The hall was tastefully decorated with branches of artificial cherry blossoms and Japanese fans. Ten children dressed in Oriental style served tea, and twice during the tea hour took part in a very interesting drill and chorus.

"The bonnie, bonnie banks of Loch Lomond" will be included in a new national park.

Weir

Mrs. J. D. Sobey and Mrs. E. J. Craig were in Montreal last week, and attended the Lay Luncheon in the Windsor Hotel on Wednesday in connection with the 100th anniversary of the Anglican Diocese of Montreal.

Mr. T. H. Greenbank attended the Anglican Synod meetings in Montreal last week, as a delegate from this place.

Mr. and Mrs. R. Hurtubise returned to their home on Friday after spending the past few weeks in Montreal, where Mr. Hurtubise underwent on operation in St. Mary's Hospital.

Mrs. P. Dubeau returned home Saturday after spending some time in Montreal.

Mr. F. Linington, accompanied by Mr. and Mrs. John Lowell, of Montreal, spent the week-end at their cottage on the lake.

Mr. E. J. Craig was home from Sorel to spend the week-end.

Mr. R. G. Bowie left Tuesday for Taschereau, Que., to resume his work for the C.N.R., after spending some time at his home here. Mrs. Bowie accompanied him as far as Montreal.

Mrs. B. Beaven returned home on Saturday after spending the winter in Montreal with her son, Gordon and Mrs. Beaven. Mr. and Mrs. Beaven accompanied her here for the week-end.

Mr. J. Dussault with his daughter left last week to take up residence with his son, Emile, at St. Andrews East. Their many friends here extend good wishes to them in their new home.

Grenville

A news note from the State University of New York, Oswego, states that Frederick J. Gaudry, of Grenville, was recently initiated into Alpha Phi Omega fraternity at Oswego State Teachers College. Mr. Gaudry is majoring in General Elementary Education, and will graduate with the Class of 1953.

the BIGGEST LITTLE car on the road in 1950

The Morris Minor

THE NEW MORRIS

The luxury car in the economy class

You travel luxuriously, comfortably, at half the cost in the new 1950 MORRIS cars. They hug the road, float over bumps and potholes with smooth "cradle ride" because of inter-axle seating. And for strength—all steel mono-construction body assures stability and protection.

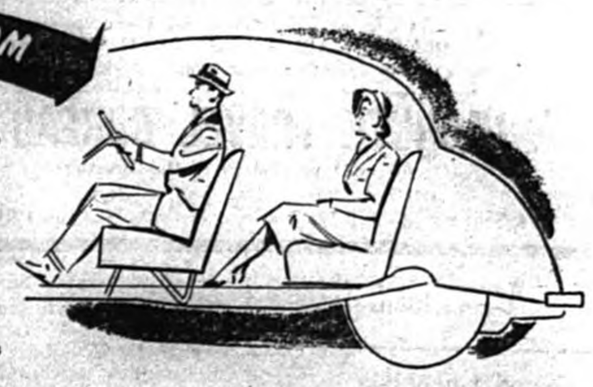

You'll thrill to MORRIS top performance, graceful design, amazing economy!

LOTS OF HEAD ROOM

You'll be surprised at the roominess inside the MORRIS. Sit in one and see for yourself!

LOTS OF LEG ROOM

The MORRIS adjustable seat allows tall men plenty of room for lanky legs without crowding those behind.

A PLEASURE RIDE FOR THE WHOLE FAMILY

"SHE TAKES ME 100 MILES FOR $1"

"EVEN I CAN PARK HER LIKE AN EXPERT"

"BOY, DOESN'T SHE LOOK SWELL!"

"SHE'S AS COMFY AS MY FAVOURITE SOFA"

When your family goes into a huddle about that new car, they'll say: "All things considered, it's got to be a 1950 MORRIS!" Whether it's comfort, safety, ease of parking or economy you prize most—the new 1950 MORRIS cars come out top. Roomy enough for a family of five and their luggage . . . sturdy enough for the roughest roads . . . nimble enough to dodge the busiest traffic . . . and designed to save you dollars on every mile—Sir, the new 1950 MORRIS is the car for your family—and you!

See the new 1950 Morris Oxfords and Minors in a big range of colours—ask for a trial drive!

AMERWOOD IS PRE-FINISHED • AMERWOOD IS EASY TO APPLY • AMERWOOD IS BEAUTIFUL

Pre-Finished AMERWOOD

PRE-FINISHED AMERWOOD is the new and beautiful wall panelling that arrives on the job completely finished. Ready to apply in the lengths that suit your job. No waste.

PRE-FINISHED AMERWOOD is the new and beautiful wall panelling where the hard growth stands in bold relief. It has been stained, lacquered, baked in an infred oven (the same as your modern car bodies), waxed with a polish many times harder than the simonize you would apply to your car and then polished to a satin finish.

PRE-FINISHED AMERWOOD is ¾" in thickness, comes in 6", 8", 10" widths and 8', 10', 12', 14', 16' in length. Packed 6 boards to the package and in three attractive colors, Amerwite, Ameroon, Amered.

When PRE-FINISHED AMERWOOD is applied and your last nail is driven the job is then complete, no paint, no fumes, no extra muss. It requires no extra tools, just hammer, saw and square. Drop in and see it at our yards.

Cheese in Main Dish

Cheese is often called "A Food of Quality". Few foods can be used in such a variety of ways as cheese in the luncheon, supper or dinner menu. Because of its high protein content, cheese is in the same class of food as meat, fish, poultry and eggs and, since it is usual to depend upon the main course to supply the protein for the meal, the principal use of cheese should be in this role. However, in meals which would otherwise be somewhat lacking in protein, cheese may be served in the salad, dessert or even soup course to make up the deficiency.

"Cheddar" is the principal type of cheese made in Canada. It is commonly called Canadian cheese or just "cheese" and is sold according to age as new (mild), medium, and old (nippy). The age of the cheese affects both flavor and price, but not its food value.

To counterbalance the concentrated nature of cheese, it should be combined in the meal with bulky foods such as fruits and green leafy vegetables. Since it is rich in fat, cheese should be served with starchy foods such as bread, cereals and potatoes which aid in the digestion of the fat. Because of the high percentage of fat, cheese is slowly digested, which may account for the erroneous belief that it is indigestible.

When making cheese sauce, add the cheese at the last and cook only until melted. Any uncooked mixture of cheese, eggs and milk to be cooked in the oven should be oven-poached in a moderate oven. "Oven-poach until set" means to place the cheese dish in a pan of hot water and bake it in a moderate (350°F) oven until a knife, inserted in the centre, comes out clean.

Scalloped or other cheese dishes made with cooked foods should be baked in a moderate (350°F.) or moderately hot (375°F) oven for only sufficient time to thoroughly heat the mixture.

Onion - Cheese Pie

½ Cup melted shortening (part butter), ½ cups fine unsalted cracker crumbs, 2½ cups thinly sliced onions, 2 tablespoons butter, 1½ cups milk, 3 eggs, 1 teaspoon salt, ¼ teaspoon pepper, 3 cups grated medium Cheddar cheese.

Mix melted shortening with cracker crumbs and press into a greased deep, 9-inch pie plate. Fry onions in butter until tender, then place on crumb crust. Scald milk and slowly add to the slightly beaten eggs, stirring constantly. Add salt, pepper and grated cheese. Mix well and pour over onions. Bake in a moderately slow oven, 325°F., until a silver knife inserted in the centre comes out clean, about 40 to 45 minutes. Yield: six servings.

Cheese Scallop

4 Tablespoons fat, 4 tablespoons flour, salt and pepper, 2 cups milk, 1 cup grated cheese, 4 cups cooked spaghetti or macaroni, or 4 hard-cooked eggs and 2 cups spaghetti, potatoes, celery, corn or peas . . or 4 cups cooked vegetables . . or 2 cups spaghetti and 2 cups celery, corn, cabbage or peas; bread crumbs.

Make a cream sauce of fat, flour, seasonings and milk. When cooked, add grated cheese. Place alternate layers of spaghetti, etc. and cheese sauce in a greased baking dish. Cover with crumbs and bake in a moderately hot oven, 375°F., until thoroughly heated, about 30 minutes. Yield: six servings.

Prince Rupert, B.C. (CP) — A travelling evangelist who visited here combines art with preaching. The Rev. H. G. Jorgensen sketched scenes from the Bible for his listeners while he preached.

For the Rights of Women

East and West meet in the fight for women's rights as Judge Dorothy Kenyon (left), former U. S. representative on the United Nations Commission on the Status of Women, and Mrs. Lakshmi Menon of India (center), Chief of the U.N. Section on the Status of Women, greet Mrs. Ruth Tomlinson, President of the British National Federation of Business and Professional Women's Clubs. Occasion was a luncheon given in New York in the latter's honor when she arrived at U.N. Headquarters, where she will attend the fourth session of the U.N. Commission on the Status of Women.

Acquisitive Women Worry London Shops

London (CP)—Worried managers of London's West End stores say shoplifting will force a price rise if it continues on its present scale.

The only way they can cover shoplifting losses is to allow a margin for pilferage when calculating selling prices.

After sifting evidence gained during January sales, investigators agreed shoplifting was on the increase. And most shoplifters are otherwise honest women. There is no evidence of organized pilferage by gangs.

"The position continues to deteriorate and the organization of prevention and detention is costing stores thousands of pounds a year", one store executive said. "In the end the cost must affect prices".

"A staggering number of shoplifters come from good positions. Often we come across women whose husbands are earning up to £1,000 ($3,100) a year."

Women shoplifters prefer to work alone and are not confined to any particular class.

"Such women usually come back and back again and their appearance in court is the first time they have been found out.

"A typical comment when they are stopped is: 'I didn't really mean to take it'."

One woman stopped for lifting a sweater exclaimed:

"I tried it on and then put it in my bag. No one stopped me so I thought that you obviously weren't bothering today."

Pot Roast de Luxe

What does it mean to your family when you say "We are having pot roast for dinner!"

Do you get a smile of appreciation from your husband and shouts of approbation from the children, or do you find real enthusiasm lacking? Believe it or not, it all depends upon the pot roast you serve.

There are pot roasts that are tender and tasty; pot roasts that are seasoned so that the first bite assures the diner of an enjoyable meat dish; and sad to say, pot roasts that are merely "pot roasts", if you catch my idea.

The pot roast recipe presented herewith will give you several good suggestions for making that perfect main-course dish. Perhaps you will find the hint about seasoning one of the most valuable. The addition of the Worcestershire Sauce gives an added and an unusual flavor. Incidentally, it should be kept on hand at all times, for use with vegetables and soups as well as meats. This sauce, and salt and pepper, constitute the famous table trio of seasoners. It's a trio that should be on your table — always.

Pot Roast

4 Lbs. rump of beef, 1 tablespoon salt, 2 tablespoons flour, ½ to ¾ cup water, small onion, potato balls, slices of carrot, 2 teaspoons Worcestershire Sauce, 2 tablespoons ketchup.

Have butcher roll meat and tie with string. Wipe with a damp cloth and dredge well with a mixture of the salt and flour. Use a heavy kettle. Brown meat on all sides in a little fat to which a small, minced onion has been added. Pour ½ to ¾ cup water over meat (according to size of bottom of kettle) cover tightly and simmer until almost tender — 50 minutes per pound. About an hour before meat has finished cooking, add vegetables and 1 cup of boiling water. Cover and cook slowly. The gravy will thicken itself if the meat is well floured. Just before removing from fire, stir in the Worcestershire Sauce and ketchup. For added zest, pour a few drops of Worcestershire on the meat at the table.

Some may want what YOU don't need. Advertise your surplus furniture and effects for sale.

OBITUARY

Young Lady Resident Mourned at North River

Late Mrs. Sydney Wilson

It was a shock to many to hear of the death of Beatrice Gilroy, beloved wife of Sydney Wilson, of North River, who passed away suddenly in the Royal Victoria Hospital, Montreal, on Sunday, April 23. She was a well known and well loved resident of this community.

The funeral service was held from her late residence to the Margaret Rodger Memorial Presbyterian Church, the Rev. C. Maclean officiating. The remains were borne to the Lachute Cemetery.

The late Mrs. Wilson was 32 years of age. She came to Brownsburg from Nova Scotia in October 1942, and was employed by C-I-L Amunition; she was married to Sydney Wilson on June 5, 1948. She had many friends, and the large gathering at her funeral gave evidence of the favor which she enjoyed among her acquaintances. There were many floral tributes and cards of sympathy in further evidence of this esteem and in sympathy with the bereaved family.

Left to mourn her loss, besides her loving husband, are her parents, Mr. and Mrs. Bruce Gilroy, of Springhill, N.S., three brothers, Russell, Floyd and Merle, all of Springhill, N.S., and three sisters, Mrs. Alfred McArthur (Thelma), of Springhill, Mrs. Lawrence Pipes (Evelyn), of Amherst, N.S., and Mrs. Bryson Wilson (Helen), of Springhill, N.S.; one brother, Morton, predeceased her nine years ago.

Pall-bearers were her two brothers, Russell and Floyd, and four brothers-in-law, Lawrence Pipes, Stuart, Ernest and George Wilson.

Those from out-of-town attending the funeral were her mother, Mrs. Gilroy, two brothers, Russell and Floyd, a sister Evelyn, and her husband Lawrence Pipes, all from Nova Scotia; Mr. and Mrs. R. Banks, Donald and Betty Banks, Grace Wilson, Mrs. Donald Campbell, Mrs. Jas. Chambers, Mr. and Mrs. Brombey, all from Montreal; George Graham, of Cornwall.

Source of Complaint

Only a housekeeper knows the continual annoyance of outmoded plumbing . . unhandy faucets in the kitchen and laundry; sink and drainboard hard to clean; a makeshift bathroom with old-fashioned fixtures.

Call a qualified plumber, expert in approved sanitary systems, and versed in modern design for both utility and charm.

King Attends Irish Guards' Parade

The King and Queen, accompanied by Princess Elizabeth, attended the St. Patrick's Day Parade at Chelsea Barracks of the 1st Battalion of the Irish Guards. His Majesty distributed the customary sprigs of shamrock to the officers and men. His Majesty wore the full dress uniform of Colonel-in-Chief of the Irish Guards. This picture shows King George VI with 83-year-old Chelsea pensioner, C.S.M. George Murphy, who is reputed to be the oldest living Irish Guardsman, having joined the regiment when it was founded in 1900.

PROFESSOR'S HOBBY HELPS WITH HIS JOB

Montreal (CP) — Dr. W. H. Hatcher, professor of chemistry at McGill University and vice-principal of Dawson College, is a very lazy man — and he builds scale model structures to prove it.

While director of the Biological Building at McGill in 1937 he built a scale model of it.

When the janitor reported to him that someone was complaining about a leak between two floors of the biological building, Dr. Hatcher says he didn't want to go over there to have a look at it.

"I asked the janitor to point out the leak on the scale building and then told him to do something about it quick because the library was just under that section. It's a real lazy man's job."

Prof. Hatcher says he did the same thing when he was acting director of the Chemistry Building in 1940 and everything worked fine.

When someone said that there must have been a lot of work attached to building the model, the professor had his stock answer ready: "Purely and simply, it's a lazy man's business".

A horseshoe should be hung with the ends pointing down.

By trade, St. Paul was a tentmaker.

WANTED TO RENT — 4 rooms, heated and completely furnished. — Phone 839-W after 6 p.m. -1c

Autobus Burns At Ste. Therese

Close to 40 persons narrowly escaped serious injury when the bus in which they were riding was destroyed by fire on the highway near Ste. Therese last Saturday night.

The bus, owned by the Victory Bus Lines, was travelling towards Montreal when the fire broke out. All passengers were able to get out before a series of minor explosions rocked the vehicle, activating flames which consumed the bus in less than an hour.

The bus was parked on Labelle Boulevard about 2,000 feet from the town limits of Ste. Therese. Firemen were called too late to check the fire. Passengers were loaded into another bus and proceeded to their destination. Short circuit was believed to have caused the fire. No injuries were reported.

SPLENDID RECORD

Minnedosa, Man. (CP) — The Minnedosa Tribune celebrated its 67th anniversary recently by publishing a 16-page edition, largest in its history. The Tribune, with a circulation of 2,200, is the province's oldest weekly.

Brownsburg Municipal Council Has Interesting Session With Problems

Roads, Fire and Water Discussed With Fervor Parking Meter Motion Recinded

Asphalting Streets

Councillor Somers proposed that the gravel margin between the asphalt road surface and the sidewalk be covered with an asphalt coating two and a half inches in depth on St. Louis, Church, Main, and Rosedale Streets. The total area was estimated as 2,360 square yards and the cost $3,186. Mayor Donaldson pointed out that the cost did not include the installation of catch-basins which would have to be laid before the asphalting began.

Councillor Denault wanted as much sidewalk work as possible to be completed especially on St. Louis Street before the asphalt plant started.

Fires

There were three fires in the district attended by the Brownburg Brigade on Saturday, but in each case the damage was small. An echo of a grass fire at the municipal dump was heard at the council meeting when Mr. Zimmers appeared to ask for protection against a repetition of this fire, in the neighborhood of which he resides.

The Mayor was in favor of using a bulldozer to level off some of the garbage which was piled too high.

Councillor Somers suggested acquiring some additional space from Mr. Graham.

Mayor Donaldson submitted designs and prices of a Fire Cyclone Siren purporting to have a mile radius. The cost is $315. Councillor Lavoie: "We have now paid $540 for ringing a bell. It would be good business to get a siren". It was decided to purchase a siren.

The Parking Muddle

The secretary read a letter from the legal adviser stating that it would be necessary to pass a special by-law to install parking meters. Councillor Lavoie then asked to remove all parking signs and let cars be parked inside a white line leaving a traffic lane free.

The Mayor wanted to know how to deal with trucks parked all night on the public street under Councillors Lavoie's proposal.

Councillor Denault: "Order all trucks off the busy streets".

Secretary Hebert: "You have no legal power to put anyone off the street unless you put all vehicles off".

Councillor Lavoie proposed and Councillor Denault seconded that the motion passed at last meeting to install fifty parking meters be recinded, and that parking be allowed inside a parallel white line.

Councillor Somers observed that he would like to see one hour parking all over the village and have that power by by-law to enforce if the privilege was abused.

The Mayor was not agreeable to the present motion, which was carried, as unlimited parking would make life unbearable for those people living on the main streets.

Finance — Borrow or be Pushed

The question of how to pay for the much needed extentions to the water works insistently demanded by some of the tax-payers of the municipality, who are without water or sewerage, or both, was discussed at some length by the Council at its last meeting.

The secretary, Mr. Hebert, read over the list of estimates of the Maple Avenue north and the St. Lawrence and St. George projects. For the installation of water and sewerage on the Maple Avenue project, a sum of $2,305.68 was estimated and for the St. George project the estimate was $5,077 making a total of $7,382.88 for materials alone. The excavation on both projects amounted to $4,380. With the additional entrance connection to each lot and the inclusion of Park Avenue, a further $13,000 was estimated, making a total necessary to complete those three projects of $25,000.

Councillor Somers opened the discussion by stating one taxpayer in Brownsburg was as well entitled to possess the utility of water and sewerage as another. There are seyeral additional extensions to the present system which were as urgently needed as another.

The Mayor informed the council that the Board of Health had been contacted with a view of having the proposed work inspected and issuing a directive to proceed with it.

Councillor Somers asked "why contact the Board of Health and wait to be forced to do something by condemnation. We should have the initiative to do the work ourselves. It costs us the same in the end."

The Mayor said we have to borrow the money to do this and we do not want the whole town paying for the service rendered to a section. The scheme must be self-supporting, each project in itself without calling on any reserves we have in the general fund.

Councillor Somers said, "You have to borrow the money now, your other alternative has passed. The money you borrow can be allocated to the area which is served by the new work. No matter how you borrow, the whole area will be security for the loan, it can't be borrowed on a section."

The Mayor: "You can't borrow a sum like $25,000 without taking a referendum of the people, and people who have water now will not pay for water for those who are looking for it."

Councillor Somers: "If the council goes out with enough confidence in the people of the town and lay the facts before them, the people will back you. They put up $15,000 for a community rink, and they put up other thousands for the Legion Hall, and they will have sufficient faith in the future of Brownsburg to put their name to a referendum to provide themselves with a water system which will service the whole town."

The Mayor did not feel that a referendum would be the best

(Continued on page 10)

Life-time Resident of Mille Isles Is Mourned

The death of Samuel Arthur Bows, occurred at Mille Isles on Sunday, April 30 after a short illness. Mr. Bows was born in Mille Isles 74 years ago and spent his entire life in that community.

He leaves to mourn his passing one sister Miss Rachel Bows.

The funeral service was held on Tuesday, May 2, in Christ Church, and was conducted by the Rev. C. W. P. Baugh. Pall-bearers were Earl, Percy and John Black, Victor, Albert and Matthew Noble. Interment was made in Mille Isles cemetery.

Child Loses Eye In Dynamite Blast

At around 1 o'clock on Tuesday afternoon, Dr. Roger Lavigne, of Lachute Mills, was summoned to the restaurant of Armand Rochon, where three children had been in the yard playing with dynamite.

A six-year-old son of Mr. and Mrs. Fernand Foucault, Hammond Street, was seriously injured, and was rushed to the St. Justine Hospital, in Montreal. Dr. Lavigne informed The Watchman today that the boy had lost the sight of his left eye, and was still suffering from shock. The other lads were not hurt with the blast.

M.L.A. Speaker at Commerce Dinner

Directors and officers of the Lachute Chamber of Commerce gathered at a supper meeting on Tuesday evening, at the Laurentien Hotel. Guest of honor was Mr. W. M. Cottingham, M.L.A. Those attending were Messrs. J. R. Charron, President; Dr. Roger A. Dumais, vice-pres.; André Lefebvre, secretary; Jas. L. Lowe, Romain Desjardins, Bertrand L'Heureux, Jean Bruneau Menard, Romeo Legault, Paul Lafontaine, and Gabriel Valois.

Among the subjects brought forward by the president was that of tourists and routes.

Mr. Cottingham was welcomed, thanked for his co-operation and invited to speak.

In addressing the gathering, Mr. Cottingham referred to the bright future in store for Lachute. He mentioned the work already commenced on the new St. Viateur School and the possibility of there being a department for the study of Arts and Trades, which if found satisfactory, could lead to the opening of a separate school for these subjects. He stated that the town would receive its share of work projects which would be started immediately and expressed pleasure at the response of requests to the various ministers.

After supper the directors held their regular meeting which Mr. Romeo Legault was named chairman of "Clean-Up Week". The sports committee have also received authority to sponsor a Tag Day for the opening of their Basebal Season, which will be held during the month of June at the Lachute Stadium.

Rotary Elects New Slate of Officers

At the regular weekly meeting of the Rotary Club of Brownsburg, last Thursday, the annual election took place.

Harold Barrie, of Brownsburg, was elected president for the coming Rotary year which begins July 1st. Stewart Jones, of Lachute, will be the new vice-president, along with treasurer Dave Schwartz, and secretary Keith Rutherford, who was unanimously returned to office.

Other directors elected were Elston Reid, Mac Walker, and Fred Royal, all of Lachute.

Outgoing president Linton Armstrong, retains office as a director for the ensuing year.

Welfare work among the youth of the Brownsburg - Lachute area,

Harold Barrie, President Elect

is to be continued and plans are under way for some new projects, among them a giant bingo in joint aid of the Brownsburg Legion Hall and the Brownsburg Community Rink.

Mr. Geo. Zsombor has been placed in charge of the Annual Carnival to be held sometime this summer.

The enthusiastic support of the public in past projects, has been very encouraging and much appreciated.

Blood Donors Are Urgently Needed

The response to the Red Cross appeal has been disappointing as yet. 400 Donors are needed. Phone immediately to Mrs. B. Rigg, Lachute 337-W, or Mrs. C. Prosser, Brownsburg 2573, and make your appointment now, for

Wed., May 17
1 to 9 p.m.

Lachute Golf Club Prepares for Season

Lachute Golf and Country Club management announces commencement of club activities. Jack Archer, professional, reports the course in fine shape, last Tuesday's rain having brought it to near mid-season condition. Locker facilities are now available to both men and women. The flags have been up for over a week and quite a few enthusiasts have been out.

With Mr. Archer in the pro-shop this year will be a new assistant professional, Pierre Biron, last year assistant at the Ottawa Hunt Club. Pierre is a graduate of St. Patrick's College, Ottawa, and one-time caddiemaster at the Seigneury Club, is the son of Dr. Louis Biron of Montebello.

Under the management of Roger Gravel, a sizeable staff is reporting for duty on Monday, May 15th and Mr. Gravel assures all members that complete clubhouse facilities should be available not later than Saturday, May 20th.

Réal "Lefty" Jarry returns as men's locker attendant, and a ladies' locker attendant will be an added feature of service this year.

At the bar will be Philip Bernier of previous years and with him will be Daniel Bailey, formerly with the Royal Montreal Golf Club and Montreal Racquet Club. Dan has seven years army service to his credit.

Chef for the coming season is Fernand Lapointe, last summer with the Royal St. Lawrence Yacht Club and the Royal Canadian Artillery Officers' mess during the winter months. Fernand was with the R.C.A.F. throughout the war as a chef. Simone Pagé returns as head waitress.

Responding directly to the manager will be chief stewart Frederick Gordon Boyd, steward-manager last summer at the Royal Montreal Golf Club and for ten years a chief stewart with Canadian Pacific Railway.

Greenskeeper for his second year at Lachute is Tom Lewis.

Social activities get underway with the opening dance to Stan Wood's Orchestra on Saturday, May 27th.

Scout Rally in Lachute On May 20th

The 2nd Annual District Scout - Guide Rally, will be held at the Lachute Fair Grounds on Saturday, May 20. This event last year brought together 500 boys and girls from Lachute, Brownsburg, St. Eustache, Ste. Rose, and Rosemere, who put on a colorful display of Scouting and Guiding work. These towns will again be represented along with Morin Heights and Grenville, where Scout groups have just recently been organized.

Lachute High School Graduation Ceremony and Dance Successful

Grade XI Are Honored Guests at Colorful Event
Miss Evelyn Laurin Presents Valedictory Message

An event, long to be remembered by those present, was held in the Lachute Auditorium on Friday evening, when Grade XI of Lachute High School presented their graduating exercises to a large and very interested audience; interested because they were relatives, friends, or perhaps just well wishers of the class, which, this year is the largest in the history of the school. The hall was filled to capacity as was the gallery, all of which must have been most encouraging to the guests of honor.

Mr. Keith Wilson made an excellent Director of Ceremonies and after opening the gathering with the singing of O Canada, called on Mr. J. W. McGibbon, chairman of the local school board, to welcome all present, and to express the appreciation of the commission for their interest. He referred briefly to the new school additions and particularly to the facilities which would be available for such occasions as this when the new gymnasium and auditorium are completed. In closing he wished the graduates all success and prosperity.

Next on the program was Miss Willa Murdoch who capably presented the Class History, mentioning in particular all who had joined from neighboring towns and vicinity, with a jocular note for each one.

The Class Prophecy by Miss Joan Laurin and Gordon McGibbon was well worked out, proved a surprise to the students and was quite amusing to the audience.

Mr. F. Royal, the principal, spoke of this as the "half-century class" and expressed his appreciation of the interest shown by the pupils in the new additions, particularly by the graduates, although they would be unable to take advantage of them. It had been a difficult year, he said, to concentrate on work when all the noise of building was going on, but he was proud of the part they had played and wished them all the best as they started out to make their way in the world.

The Last Will & Testament was mournfully presented by Miss Mary Lou Hooper and Earl Graham and caused much laughter among the audience, as each pupil bequeathed to some particular friend his dearest possession, pet aversion, or special abilities.

A very pleasing item on the evenings program was the playing of several dance selections by the Lachute High School Orchestra, during the intermission. These were greatly appreciated, as was evidenced by the hearty applause and requests for encores.

Miss Evelyn Laurin was the Valedictorian of the class, and her splendid address is presented in full:

Valedictory:

I feel very happy to have the honor of speaking for Grade Eleven on this occasion. Now, I realize something which I have never fully realized before; that is, that my school days are nearly over. Soon we shall be putting away our books and leaving the school to take new positions in life; whether it be to attend a different school, a college or to take a job. We may be leaving our school, but we shall never forget it; for we have formed numerous friendships and have taken part in all types of activities and we have actually enjoyed the everyday routine of school life.

Whether our teachers believe it or not, we shall also miss them, for they have played an essential part in a most important period of

(Continued on page 3)

First Inter-School Music Festival Creates Widespread Interest Throughout County

Splendid Co-operation Given Teachers' Assn. Project: Montreal School Orchestra In Fine Performance

Over 1000 school children from all the larger schools in the counties of Argenteuil and Two Mountains gathered in Lachute on Saturday last to participate in the Music Festival. This was no doubt the most elaborate undertaking of its kind ever held in this town.

Conceived by Earl Morrison, popular leader of the Lachute High School band, orchestra and Glee Club, this event was sponsored by the Local Teachers' Association. Hours of planning, night after night, were spent by Mr. Morrison, as chairman of the program committee, F. H. J. Royal, principal of the High School, who acted as liaison officer, Mrs. Norma Rogers, food convener, Linton W. Armstrong, transportation convener, Mrs. Donald McCabe, advisory assistant, and student directors, Mr. B. Millar and D. Staniforth, principal of Brownsburg Consolidated School.

The support of all the protestant churches in town was enlisted to help in feeding these hundreds of children from outside points, together with the Women's Institute, the Lions Club and the Rotary Club. The Central School Board consented to the use of school buses throughout the two counties to assist in the transportation. All these organizations, together with the careful planning of the various committees, assistance by most of the members of the teaching staffs of the various schools and a large number of individuals, contributed to the outstanding success of this venture.

As there were a total of 210 events, a considerable number of solo classes were held on Friday afternoon. The support of many private individuals in various communities throughout the counties was enlisted. These people brought the participants to the school in their private automobiles and, for the most part, these children were billeted in private homes throughout the town. On Saturday morning at 9 o'clock the influx of pupils began. Two of the large school buses used in Lachute, together with two privately owned buses from St. Eustache, brought 165 pupils from that school. 45 children and a number of teachers came from Arundel and 55 from Kilmar. The three school buses from Grenville brought 110 pupils, including those from Avoca. Two buses brought 75 children from Morin Heights and another vehicle brought 25 from St. Andrews East. Lakefield contributed 15 participants and 340 pupils from Lachute High School were entered. All these students were under the supervision of teachers or helpers. The children were the first consideration. From the moment they embarked on their buses in the morning until they returned home they were under constant supervision. A considerable number of the youngest children were returned home in the late forenoon. This, of course, was not possible in the cases of such distant points as Arundel and Morin Heights. These children, after their classes were completed, were entertained at the High School by certain teachers showing moving pictures and participating in games.

The program was divided into two general sections, vocal and instrumental. In 18 vocal classes there were 109 entries. In 21 instrumental classes there were 108 entries. A number of children participated in more than one class. In view of the fact that there were so many classes it was impossible to run off all events in sequence. Also there was no hall or auditorium in the town large enough to accommodate all the children at one time. This problem was overcome by using the Auditorium for the vocal classes and the new music room at the High School for the instrumental classes. This required a vast amount of detailed organization. However, there was no confusion at any time. Mr. Burt Millar, assisted by a number of high school pupils who acted as monitors, assigned each school to a Home Room upon arrival and sent the children to the Auditorium at the proper time. Dennis Staniforth, assisted by another group of high school pupils from Brownsburg, assigned all participants to their proper places at the Auditorium.

Two adjudicators were brought from Montreal for the occasion. Mr. Harry Norris, conductor of the Montreal West Operatic Society and formerly assistant conductor of the D'Oly Carte Opera Company of London, England, judged the instrumental classes at the High School while Mr. S. E. McAyes, music specialist at Westmount High School and one of Montreal's leading specialists in choral work with young people, was in charge at the Auditorium. Despite the fact that this was a first performance for many of the participants, both adjudicators commented on the splendid efforts made by a large number of the pupils. In the vocal classes, intonation, rhythm and words were generally quite good. A considerable number were commended for their stage appearance, clearness of voice, sweetness, strength, smoothness, range, attack, phrasing, interpretation, pronounciation, attitude and total performance. Attention was drawn to certain cases where there was obvious nervousness, where pupils rushed through their songs, where there were husky and tight voices, breathlessness, lack of attention to detail and no attempt at interpretation. However, all children took their parts very seriously with an obvious determination to do their best.

In the bright new Music Room at the High School, Mr. Norris spoke briefly at the conclusion of each instrumental class. He pointed out errors, suggested improvements and illustrated these in many instances by playing the instruments involved. By this and when accompanying certain contestants, Mr. Norris gave ample evidence of his own outstanding musical versatility. He had high praise for the two numbers presented by the High School Band, commenting especially on the excellent time kept in the march numbers. He said that he was amazed at the amount of progress made by so many pupils in such a short time and that it was a delight to see so much musical enthusiasm in so many children of all ages.

Some idea as to the extent of this musical event may be evident when it was realized there were 58 piano solos, 50 vocal solos, 25 classroom choirs, five senior choirs, and nine small ensembles, together with a varying number of entrants in the classes for bands, choral speaking, violins, clarinets, trumphets, trombones and mandolins.

Andrew McGerrigle, principal of the Consolidated School at Grenville, contributed a great deal to the entertainment of those children who had to wait for their buses at the High School with his "Spike Jones Variety Band". With their kazoos, pots and pans and an unknown number of other so called musical instruments, these children performed generously and wholeheartedly for their classmates.

An outstanding feature of the Festival were the guests from Montreal, the 52-piece Inter-School Orchestra. This is composed of the most highly trained students in all the various instruments from all the schools in Montreal under the direction of Mr. Elvin. Their performances proved to be a great musical treat for all the children from this area. While this group did not take part in any of the classes of the Festival, they did perform both in the afternoon and the evening at the Auditorium for the musical enjoyment of the large audiences.

The evening program at the Auditorium consisted of a certain number of those classes which had been most highly commended during the day. Mr. W. M. Cottingham, M.L.A., Chairman of the Central School Board, spoke briefly on this occasion. He congratulated all those who had contributed to the success of the Festival, making special mention of Mr. Royal, Mr. Morrison, Mr. Millar, Mr. Thompson, Mr. Staniforth, principal of Brownsburg School, Mr. McGerrigle, principal of the School at Grenville, Mr. Graham, principal of the School at Arundel, Miss Clark, principal at Kilmar, Mr. Blakely, principal at Morin Heights, and Mrs. Harris, principal at St. Eustache. He said that, as this had been such an outstanding success, it was hoped that it would be repeated another year. He made mention of the fact that such an event not only stimulated interest in music in all schools, but also contributed to the unity of pupils and teachers alike throughout the entire county unit.

Minor Outbreaks Keep Brigade Busy

The Lachute Fire Brigade was quickly on the scene of a fire at the corner of Bedard Blvd. and Isabella Street, Friday afternoon, at a property owned by Ed Clermont, and inhabited by three families.

The fire started in the chimney and ignited the attic, completely burning one room in the residence of Mr. and Mrs. V. Sabourin. The other two families in the lower tenements, Mr. L. Larose and Mr. C. Hoff, suffered water damages.

It is understood that all damage was covered by insurance.

* * *

During the high winds over the week-end, the Lachute Fire Department responded to a dozen calls for chimney and grass fires, all of which were fortunately minor outbreaks.

Historical Society Membership Appeal

A meeting of the directors of the Argenteuil Historical Society was held at the home of the Misses Wales in St. Andrews East on Saturday evening last, and plans for future progress were freely discussed under presidency of Mr. J. S. Giles.

Mr. R. Bradley, having tendered his resignation as caretaker of the Museum, was replaced by Mr. F. Whitehead, of St. Andrews, who with Mrs. Whitehead will be on hand to welcome the many visitors during the summer.

For upwards of fifteen years the interest has been growing in the Historical Society, and today the organization can point with pride to the progress made, remembering the hard work and effort of those who have passed on.

The Argenteuil Historical Society again makes this annual appeal for membership, and ask that all interested send their fees to Miss Beatrice Robertson, St. Andrews East. The membership being 50 cents for one year, or $1 for two years.

Chatham Election On Monday Next

Three vacancies are to be filled in the council of the Municipality of the Township of Chatham, when civic elections take place on Monday, May 15. Nomination day was on Wednesday, May 10, and eight candidates entered the municipal fight.

Papers were filed for the following: Rolland Filion, mill worker; Octavious Bruce, farmer; Theo. Murdoch, farmer; Fraser Watson, contractor; Nelson Morrison, lumberman; A. K. Low, clerk; Ernest Lacasse, farmer and John Black, farmer.

Two of the eight candidates, namely Filion and Murdoch, are seeking re-election.

There is considerable interest among the residents of Chatham, and several contentious questions will no doubt add considerable interest and possibly a record vote in that municipality. About 1,500 persons are eligible to vote.

Child Has Narrow Escape in Lachute

Six year old Barbara Phillips, daughter of Mr. and Mrs. Wm. Philipps, 330 Main Street, Lachute, escaped with minor injuries on Tuesday last, when she was knocked down by a truck in Lachute.

Walking serenely along Main Street near Wilson and Gordon's Store with her seven year old sister, Barbara suddenly rushed after a kerchief into the path of a truck owned by Plouffe Freres, butchers, of Lachute Mills. Though thrown several feet by the impact, only slight injuries resulted.

Police Chief Donat Villeneuve investigated the accident.

District Reporters Note!

Due to late arrival of news, several district reports have had to be omitted this week. Please send your copy early, to reach this office by Tuesday p.m. every week.

Appointment

Congratulations are extended to Mr. George Calder on his official appointment as Registrar for the County of Argenteuil.

Congratulations. . .

Our congratulations are extended to Miss Joan Percival of Lachute, and to Miss Ernestine J. Cooper, of Brownsburg, who were among the graduate nurses completing the three-year course at the Royal Victoria Hospital Nursing School.

Gatineau LINES

Mercier's Helpers

Recently, as part of a series of "get acquainted" columns, we told our readers about giant Mercier Dam, which provides the main control for the waters of the Gatineau River so that the hidden power of these waters can be converted into electricity to serve 55,000 customers served by Gatineau Power. As we indicated at that time, Mercier can't do the job alone — mighty as it is. Its help comes from many places.

First helper is Cabonga Storage Dam, another 60 miles or so up the Gatineau from Mercier. Cabonga's main job is to store part of the water from the upper reaches of the Gatineau, so that additional water will be available in emergencies. How well Cabonga does that job may be seen in the fact that normally it has some 45,000,000,000 cubic feet of water backed up behind it in a lake 55 miles long. This water, with the 95,000,000,000 cubic feet held by Mercier, is released as needed to keep an even flow of water down the Gatineau River so that the generators can be kept humming in the power plants far below.

But the business of gathering and storing water for power plants is far more complicated than merely building a couple of dams. As the water begins to back up behind any dam, huge lakes are formed — provided the land does not slope away anywhere so that the water can escape. Rising lakes bring about a backing of water up the innumberable creeks which feed the lakes — with additional chances that the water will find some way of escape unless steps are taken to prevent it.

Thus it is that Mercier and Cabonga have to be supplemented with other dams, constructed as far as 30 miles away, to prevent the water from leaking away elsewhere. Lacroix Creek Dam, a concrete structure 1,255 feet long and 56 feet high, is such a dam. Lac Castor Dam, 706 feet long and 86 feet high and also of concrete, is another.

Four Philomen Dykes cut off the back-flow in other sections of the water-collection system of the Mercier Dam. These are earth-fill dams, ranging from 1,867 feet long (almost one-third of a mile!) down to 314 feet; and rising anywhere from four to twenty feet high.

Back of Cabonga Dam and 30 miles away are the Barrier rock fill timber crib cut-off and several earth fill dykes ranging from 300 to 40 feet long and from 25 to 5 feet high.

Mercier Dam, Cabonga Dam, concrete back-flow dams, and Philomen Dykes — all are needed merely to *collect* the water. All that has to be done before it can be put to work creating electricity.

Gatineau Power Company

New Secretary for National Farm Radio

Floyd Griesbach, Secretary of the Quebec Council of Farm Forums for the past three years, took over the duties of National Secretary for National Farm Radio Forum on May 1st. He replaces Joseph Galway who is now working on a survey of co-operatives in Ontario.

Before going to Quebec, Mr. Griesbach had many years of experience in Farm Forum and other farm organization work in Ontario. He is a native of Collingwood, Ontario, and organized the first Farm Forum in Simcoe County in 1941. Among Mr. Griesbach's other activities he has been: President of the United Farm Young People of Ontario 1940-43; Youth Director on the Ontario Federation of Agriculture Board, 1942-45; and member of the Ontario Agricultural Commission of Inquiry, 1943-45.

Poultry Range

Growing chicks which have access to good range develop into profitable producers of eggs and meat with lower feed costs. But the range must be free from contamination and such as to give abundant, young, succulent forage throughout the entire growing season. Naturally the crop grown for such a range must be adapted to the soil and climate of the particular area.

At the Dominion Experimental Farm, Brandon, alfalfa sown at about twelve pounds an acre has proved to be the best suited to supply forage for poultry. It begins growth early in the spring and if moved from time to time, gives succulent nutritious forage throughout most of the summer. Even after long droughts, it quickly recovers when rain comes.

A three year range rotation is used at the Farm, which allows a two-year idle period between each crop of chickens. This keeps the range area free from contamination by disease organisms and parasites. During the rest period the range is cultivated and fallowed for one year. In mid-summer of the fallow year, alfalfa, with or without a nurse crop, is sown. This leaves one year for the alfalfa to become established before chicks are pastured on it, and if the growth is heavy during the first summer a hay crop can be removed.

An acre of alfalfa range will accommodate 400-550 birds and to ensure all being used, colony houses or range shelters should be moved about. Feeders and drinking troughs should be moved frequently to reduce the risk of contamination of the ground around them.

If possible a poultry range should be on a well drained site which is relatively free from permanent shade. Temporary shade can be provided by cultivated plants such as sunflowers or corn.

Forage Crop Seed Mixtures at Cost for Saskatchewan Farmers

Mixtures of grass and alfalfa seed will again be available to Saskatchewan farmers at cost price under the province's 1950 forage crop program announced recently by Agriculture Minister I. C. Nollet. About a quarter of a million pounds of seed were distributed under the 1949 program.

Urging farmers to seed one acre in grass-alfalfa per head of cattle on the farm, Mr. Nollet said an increase in forage crop acreage was necessary to meet present requirements of the province's livestock population and build up reserves for emergency years. Movement of hay was no longer economically sound because of high freight rates, so producers would have to take every means possible to grow their own.

Price of seed was up due to short supplies following last year's poor crop, he said, but several mixtures were available, with the main ones being: an alfalfa, brome and crested wheat grass mixture, recommended for the brown soil zone of the southwest and lighter soils in southern and western areas, at a total per acre cost of $3.56; and an alfalfa-brome mixture for the more moist areas of the dark brown soil zone and the black, transition and gray soil zones, at a total cost of $4.72 per acre.

Pasture mixtures of alfalfa, brome and crested wheat in varying proportions are also available at $4.82 to $5 per acre, while other mixtures may be prepared and sold on request, or brome at 46 cents a pound and alfalfa at 52 cents a pound may be sold in single lots. Reed canary grass seed will be available in limited supply at 63 cents a pound for seeding land subject to flooding; and a brome-slender wheat grass mixture suitable for alkaline soils will be supplied at 45 cents per pound.

Metal base "boards" with built-in hot water pipes is a new domestic heating trend.

For the country week-end, for the chores galore around house and garden, here's an ensemble of denim pieces that mix and match with the best of them. Shown here are slacks and an overblouse of gray denim with gray and white striped collar with cuffs. Huge patch pockets are on the blouse, which has a buckled-at-the-sides, adjustable waistband. A striped bra and shorts appear in this line, and there is a small peaked cap also of the striped material.

Fruit Setting

"My fruit trees blossomed heavily last spring but set very few fruit; how can you explain it?" This is a frequent matter of inquiry. There are numbers of measures which can help fruit setting, reports C. R. Ure, of the Experimental Farm at Morden, Man.

A heavy blossoming followed by a small crop of fruits may be explained by an insufficient fertilization or pollination. Insects, mainly bees, are the principal agents of pollination. Cloudy, cool or windy weather at flowering time prevents or retards insect movement. Native insects may be inadequate. A hive or two or bees in the orchard ensures better pollination. So does shelter around the fruit plantation on windy days. For a few trees, hand pollination may be employed.

Pollination may be adequate and yet the trees will be unfruitful because of faulty fertilization — non-viable pollen or incompatible elements of fertilization. Most tree fruits are self-unfruitful and many varieties are partially or totally cross-unfruitful. That is a reason why the plantation of two or three varieties of each kind of fruit is recommended.

In apple and crabapple, this practice ensures a set of fruit. Plums are less certain. It is desirable to include in the plum planting one or two varieties recognized as good pollinizers and blossoming at the same time as commercial varieties. Information on the subject can be obtained at your nearest Experimental Farm.

It is also important to recall that fruit setting, followed by maturity of the fruit, is the end product of a whole series of changes spread over many months. Failure of any step in this sequence may be a cause for unfruitfulness. General agricultural principles are involved: proper cultural methods essential to the development of a strong and vigorous tree; full exposure to sunlight as shaded trees manufacture less carbohydrates vital to flower-bud formation; control of insects and diseases which have the same effect as shading through destruction of foliage; a constant soil moisture supply which is more important under prairie conditions — destruction of weeds, food soil conditions, irrigation.

Even with the foregoing practices, trees occasionally fail to blossom. It may be possible then to force flower-bud formation by judicious application of nitrogenous fertilizers, alone or in association with proper pruning.

Color of Chickens May Determine Sex

Vancouver (CP) — The which-is-which question of a chicken's sex — often puzzling to poultry men — may be settled by a university student here.

Miss Ursula Knight, working for a master's degree in agriculture at the University of British Columbia, is attempting to cross breed chickens so that their sex may be easily identified by their color.

Male specimens with two color chromosomes are crossed with female specimens which have only one. Consequently, Miss Knight says, males are born with a light coloring and females identified by their dark hue. By this method, it is hoped, chicks may be segregated when only one day old.

Miss Knight says she hopes the new type of poultry will be in commercial use within two years.

READY FOR WORK

—Central Press Canadian

Hendrike Van Helverts, seven, is ready to start right in on the problem of doing farm chores in her new Canadian home. She is one of a family of 12 from Holland who have taken up residence on a farm at Uxbridge, Ont. Other Dutch families settling in the area 18 months ago now own their own farms.

FOREST FIRES AGAIN

The first fire of the year reported by forestry officials here was a small one, 1½ acres in area, in the Pembroke division of the district. In view of the first fire of the season, the customary pleas from foresters to campers and fishermen for care in the handling of fire and cigarettes in the woods are being sent out.

Music Festival . . A Successful Story of Public Co-operation

"In Music Festivals, the object is not to win a prize, nor defeat a rival, but to pace one another on the road to excellence" — Sir Walford Davies.

The first inter-scholastic Music Festival held in Lachute last week-end, under the auspices of the Argenteuil - Two Mountain Teachers' Association was an experiment that resulted in a splendid success.

This success was not due to haphazard arrangement, but by careful and efficient planning by a select teachers' committee, by co-operation of the local and central school boards, and help from many groups and persons which augmented the work of the committee.

To visualize between 800 and 900 pupils arriving in Lachute for the Festival, and the unforeseen problems that may arise, was enough to discourage any group. But the work went on, and the quiet efficiency of the committee ironed out the feeding, transportation and entertaining problems.

Groups from the Anglican, United, Baptist and Presbyterian churches organized to supply meals, and many private citizens offered their facilities for this purpose. Many teachers spent the day at the School to control pupils and run movie projectors for the entertainment of the waiting students. Monitors rushed from place to place to keep the program up to schedule, and at no time was the program behind time. The local police also gave their full support in helping to protect the lives of these hundreds of students.

To all who did their part in this first music festival. . . The Watchman extends its congratulations, and hopes that this event will be followed by many more.

Getting to Know the Farmer

AN UNUSUAL course of instruction will be held this summer at the Ontario Agricultural College at Guelph. For the first time in the country's history a class of rural clergymen of all denominations will receive instruction in soil conservation, field crops, livestock management, plant diseases and other practical farm topics.

The initiation of such a course is a forward step indeed in promoting closer harmony between the farmer and the non-farmer. But should it stop with clergymen?

About 6,000,000 of Canada's total population live in rural areas. That's a large portion of the nation's people. And a very important one. Yet, few urban residents completely understand the multitude of problems a farmer must face each day. Few appreciate the dawn-to-dusk chores he must perform and the risks and uncertainities involved in producing and marketing farm commodities.

People employed in industry and commerce owe it to themselves to learn more about the activities of their country cousins. While they may find it difficult to find time to attend a special agricultural course, there are many other ways by which they can acquire such knowledge. Local civic groups can sponsor field days on nearby farms. Closer attention can be paid to farm news in their local newspaper. A subscription to one or two farm magazines would unfold a new world to many town and city dwellers. A week-end trip to a farm would open new vistas before urban eyes.

At no time in Canada's history is complete national unity so necessary. Co-operation between town and country is one way of bringing it about. So get to know the farmer!

Noise Control Necessary

THE SPRING is supposed to be the time when the young man's fancy turns fondly to thoughts of love. . . and noise. The Spring is also the time for the Lachute City Fathers to turn their thoughts to the control of this noise.

There is a by-law on the statute books of Lachute Town, but for some unknown reason, this by-law is there simply as a wall-flower, as a statutory decoration.

A public relations campaign should be put on by the council. . . to inform the public of the law, of what cannot be done in the way of noise making, and of the penalties that will surely arise if the law is not conformed to.

One of the main complaints seems to be the horn-tooting of taxis and cars in groups. No thought is given to those who are ill and of children who are asleep. Public loud speakers also add to the burden of the anti-noise group. These two main complaints are within easy control of our civic body. . .

And while they are at this problem, an amendment should be made to the noise control statute. There is no election this year, no party therefore can be offended. It should be made certain that **no loud speakers will be allowed during any election campaign** on any public street in future. Now is the time to act.

A Challenge to the Building Industry

DURING the forty-eight hours of continual high winds last week-end, much damage of minor complaint has been reported throughout the county.

Most of the damage seems to have been the toll taken with asphalt roofs, in some communities, hardly a house escaped some damage in this respect.

These shingles are of popular use in the building industry, and if they are put on correctly, can stand high wind pressure. But there seems to be a weakness in this kind of roof, and the manufacturers and builders should aim to correct this weakness, for with building costs at an all-time high, property owners do not want to dip into their pockets every time the wind blows.

Our Democracy Means Freedom. . .

SOMETHING that we take for granted in Canada today is a free and unfettered press. We hardly ever think of it in terms of a priceless possession, yet a moment's thought should prove to us that Canadians can count freedom of the press among their blessings.

Hitler and Mussolini built their power on a controlled press. They were beaten by freedom-loving nations, but other countries today are in the same position as were the ordinary citizens of Germany and Italy a few short years ago. Their people are in complete ignorance of what goes on outside their borders because of rigid state censorship.

Our press freedom is a public freedom because our newspapers are the means by which Canadians get the information they need to judge their governments and make up their minds on public issues. It is the medium by which they can offer their opinions openly and without fear of reprisal.

Continued freedom of our press is a powerful safeguard against losing any of our other hard-won freedoms.

— Canadian Manufacturing Association

L.H.S. Graduation Ceremony and Dance

(Continued from page 1)

our lives and they have also influenced the shaping of our futures. I am sure that I express the thoughts of all my fellow-classmates in thanking our teachers for all they have done for us.

In mentioning our teachers we must not fail to remember our parents, for without their love, guidance and hard work we should have achieved very little. To them, also, we give our heartfelt thanks and our deepest sense of gratitude and appreciation.

Our class, forty-seven in number, upon leaving school will be entering into a different and difficult phase of life. We shall confront many hardships, temptations and new problems. However, I feel sure that with a little perseverance and courage, plus the wonderful training we have received at school and we shall deal with these quite adequately. Our background at school, the good influence of our teachers and the careful guidance of our parents will greatly aid us in adjusting ourselves to this new situation, and help us to combat our difficulties. Moreover, we shall achieve success and become worthy citizens.

To all undergraduates we wish the best of luck and good fortune. We hope that you will fully appreciate being able to attend the enlarged school and of having the opportunity of taking in the extra curricular activities which it will provide.

Although, I doubt that I shall ever attend this larger school, I take a deep interest in it, for I was born in Lachute and have always gone to school here. I hope that it will always prosper and that it will live up to its high standards and ideals.

I would also like, on this occasion, to take the opportunity of wishing my fellow classmates the greatest happiness and success. May they, when they leave our school, live up to the traditions of L.H.S. and take a proud and worthwhile part in this country of ours.

"Its fair form standing on the verge of dawn,
Beholds the future and its brow is crowned
With light of splendors yet untold,
Within it, youths' triumphal ardours sound.

Thus ended the exercises of graduating Class Eleven, who were seated on the platform, the girls dressed in white and wearing corsages, presented a very colorful picture.

The grand march led by the Serenader's Orchestra was quite spectacular, the long line of pupils with their escorts winding in and out in a series of formations which were very effective and appreciated by the onlookers.

The music, by a ten piece orchestra, was splendid, and there is no doubt that everyone, both young and old, thoroughly enjoyed the dance which followed.

Refreshments were served by the undergraduates and the teachers too were kept quite busy.

To say the least, it was a grand affair, and thanks is due both from the public and graduates to all who helped make this memorable event such a huge success.

The nearly-balanced British parliament is democratic government at its keenest.

MISS MARION AGNES ROSS, daughter of Mr. and Mrs. Peter Wallace Ross, of Hawkesbury, Ont., formerly of Montreal, and MR. HAROLD ANDERSON DEACON, son of Mr. and Mrs. George Deacon, of Lachute, Que., whose engagement is announced. The wedding has been arranged to take place on June 3 at St. Paul's Presbyterian Church, Hawkesbury.

Popular Lachute Couple Married in United Church

On Saturday, May 6, at 4 p.m. in the Lachute United Church, the wedding took place of Kathryn Joyce, youngest daughter of Mr. and Mrs. R. H. Langille to Mr. Owen John Riddell, son of Mrs. H. C. Riddell and the late Mr. Riddell, all of Lachute. Rev. W. B. Rosborough officiated at the double-ring ceremony. Mrs. Kenneth McOuat played the wedding music, and Miss Maureen Cumbers, of Brownsburg, was soloist. The church was decorated with standards of pink and white snapdragons.

Given in marriage by her father, the bride was attended by her sister-in-law, Mrs. W. R. Langille, as matron of honor, Miss Beverley Tomalty, niece of the bride, as bridesmaid, and little Miss Brenda MacGibbon, niece of the bride, as flower girl.

Mr. Clayton Riddell, of Montreal, brother of the groom, was best man. The ushers were Mr. John Assad and Mr. Basil Riddell, brother of the groom.

The bride wore a gown of white slipper satin, fashioned with fitted bodice, high round neckline, chantilly lace inserts in the long sleeves with points over the hands, also in the front of the full skirt, that flared into a slight train, small headdress of chantilly lace and a finger-tip length veil of tulle illusion. She carried a bouquet of white calla lillies and white sweet peas.

The attendants wore taffeta gowns, fashioned with fitted bodice, large double collars, full skirts with slight trains, with matching elbow-length mitts and dutch caps. The matron of honor was in hyacinth blue and carried a colonial corsage of yellow carnations and white hyacinth. The bridesmaid was in lemon yellow and carried a colonial corsage of blue carnations and white hyacinth. The flower girl wore a long lemon yellow taffeta dress, with round ruffled neckline, tiny puffed sleeves, and deep ruffle on the skirt. She carried a small nosegay of bluish mauve and white cinerania, and wore a bandeau of the same flowers on her hair.

Mrs. Langille, mother of the bride, wore a dove grey flat crepe afternoon dress, with navy blue straw hat, navy blue accessories, and a corsage of pink carnations. Mrs. Riddell, mother of the groom, wore a navy blue tissue faille two-piece dress, white straw hat, navy blue accessories, and a corsage of white carnations.

A reception was held at the Legion Hall, where the tables were decorated with pink and white snapdragons.

Later the couple left for Atlantic City, the bride wearing a midnight blue gabardine suit, doeskin colored shortie coat, straw hat to match, navy blue accessories, and a corsage of yellow carnations.

Many out-of-town guests were present.

Pretty Wedding at Arundel Grace Church

Grace Church, Arundel, Que., was the scene of a pretty wedding at 3 o'clock, Saturday afternoon, May 6, when Jean Violet, younger daughter of Dr. and Mrs. W. L. Morrison, of Arundel, was united in marriage to Mr. Kenneth Harold Hollomby, son of Mr. H. W. Hollomby, of Belleville, Ont., and the late Mrs. Hollomby. Rev. G. R. Barnett officiated and Mrs. Leslie Cooke, cousin of the bride, played the wedding music. Spring flowers arranged with cybotium ferns and palms formed the decorations.

Dr. Morrison gave his daughter in marriage and the bride was attended by her sister, Mrs. W. Graham, as matron of honor. Mr. Earl Forrest, of Montreal, acted as best man, while the ushers were Mr. W. S. Morrison, brother of the bride, and Mr. Robert Langlois, of Montreal.

The bride wore a portrait gown of white slipper satin, having a sweetheart neckline, finished with a stand-up collar, the long sleeves terminating in points over the hands, while the bouffant skirt, fashioned on lampshade lines, fell into a chapel train. Her shoulder length veil of French tulle illusion, was held in place by a demi-bonnet of the same tulle illusion, and she carried a cascade bouquet of yellow roses and lilies of the valley.

The matron of honor wore a floor length dress of ice blue taffeta styled along the same lines as the bride, a pink flowered picture hat and pink mitts and carried a cascade bouquet of pink carnations and white sweet peas.

Mrs. Morrison, the bride's mother, wore a street-length navy blue dress with navy and white accessories and a corsage of American Beauty roses.

Mrs. Hollomby, step-mother of the groom, wore a street-length dress of smoky blue crepe with navy accessories and a corsage of Talisman roses.

The reception was held at Maplewood Inn and later Mr. and Mrs. Hollomby left for a motor trip to Quebec and along the Saguenay River, the bride travelling in a navy two-piece crepe dress with pink accessories under a muskrat fur jacket and a corsage of pink carnations. The couple will reside at 3900 Barclay Avenue, Montreal.

Out-of-town guests were from Belleville, Knowlton, Lachute, St. Jovite and Montreal.

NEED FEDERAL AID

Damage amounting to hundreds of thousands of dollars has been done here in the past few days by flood water. Surely, the Dominion Government should assume her proper responsibilities here and contribute toward the cost of repairing the flood damage.

— Winkler (Man.) Progress

DISTRICT NEWS FROM OUR COUNTY CORRESPONDENTS

Bell Falls

Mr. and Mrs. C. McRae and family spent the week-end visiting friends in Lachute.

Mr. Thomas Bennett has returned to his work in St. Jerome.

Miss Mary Bennett spent the week-end at her home here.

The reception held for Mr. and Mrs. Gordon Young in the Campbell Hall on Saturday evening was well attended by many friends of the bride and groom.

Mrs. E. Lacasse, of Lachute, was a guest of the W.A. at their last monthly meeting held at the home of Mrs. T. McNeil.

Mr. Leslie Kerr spent the week-end at his cottage here.

Church Items

Service will be held as usual at 11 a.m. in the Harrington United Church. Mr. Colin West will officiate. Sunday School will be held prior to service, at 10.15 a.m.

Brownsburg

The Senior Woman's Association monthly meeting took place on Monday evening at the home of Mrs. F. S. Kettyle. Among the business items were the final arrangements for the Mother's Day Tea to be held this Friday, May 12, at the United Church hall from 3 to 5.30 p.m. Arrangements are also going forward for the Congregational Supper, in June, for the observing of the 25th Anniversary of Union in connection with the United Church of Canada.

An amateur night, sponsored by the United Church Sunday School, is scheduled to be held on Monday evening, May 22nd, at the Church when various members of the school will present a variety of talent — many for the first time.

A number of friends gathered at the home of Mrs. E. White on Monday evening as a surprise party in honor of her birthday. A very enjoyable evening was spent.

Grenville

Miss Joan Laviolette has returned from visiting her brother in Detroit.

Friends of Mrs. James Densmore are sorry to hear that she is ill. Good wishes are extended for her speedy recovery.

Mr. Gordon Moncrieff, who has been in Monkton, N.B., was home for the week-end.

Mr. and Mrs. Hugh Mortimer motored to Buckingham on Wednesday, and visited with their son and daughter-in-law the Rev. and Mrs. H. A. Mortimer.

Mr. and Mrs. W. M. Laughren were Sunday guests at the home of Mr. Eddie Byrne of St. Philippe.

Mr. Percy Brazeau, of Temiskaming, is visiting with his parents, Mr. and Mrs. Thomas Brazeau.

Presentation

The regular meeting of St. Matthew's W.A. was held in the Mission Room last Thursday afternoon with a large attendance. After the business was completed, the Rev. P. R. Stote spoke a few words to say how they were going to miss Mrs. Walter Dewar who had moved to Brownsburg. Mrs. Dewar has been a member of the Grenville W.A. for a number of years. Mr. Stote welcomed Mrs. Mortimer who had come with her husband to reside here from Montreal, and Mrs. Lord was also extended a hearty welcome to their circle. Mrs. Lord had spent some time in Europe during the war.

Mrs. Ross Matthew, president of the W.A. presented Mrs. Dewar with a prayer and hymn book on behalf of all present as a token of appreciation for her loyalty and service in the administration of the branch. A social hour was enjoyed, after which refreshments were served.

IN MEMORIAM

KENNEDY — In loving memory of our dear brother, Elmer, who passed away May 12, 1946. Always remembered by sister Iola, and brother Lawson.

"Memories are the lamps
That light the darkest road
To the beautiful hope of reunion,
When we meet at the
end of the road."

McKENZIE — In loving memory of a dear husband and father, Darwin A. McKenzie, called to his eternal rest on May 16, 1946. Lovingly remembered by his wife and family.
"Too dearly loved to be forgotten".

MURRAY — In loving memory of my mother, Vlolet Perks, who passed away May 8, 1925 — and brother Clarence, who passed away Oct. 14, 1935. — Always remembered by Frances.

ROE — In loving memory of a dear sister and aunt Ada, who died May 16th, 1947. — Always remembered by Fred, Grace and family.
"Tonight the stars are gleaming,
On a lonely silent grave,
Where sleeps in dreamless
slumber,
One we loved and could not save.
May heaven's winds blow softer,
On the sweetest and hallowed spot,
Where one we love lies sleeping,
Never to be forgot."

Morin Heights

The May meeting of the Guild of Trinity Church was held in the Red Cross Room on Thursday afternoon last with Mrs. Millard as hostess.

Miss Joan Gillingham and Mr. David Wells, spent the week-end with the former's parents, Mr. and Mrs. Henry Gillingham.

Next time you travel, ask Canadian National about duplex roomettes, now in service on these routes: Montreal-Halifax, Montreal-Toronto,* Toronto-Chicago, Winnipeg-Vancouver, Montreal-Chicoutimi *about May 20th.*

* Pool service

CANADIAN NATIONAL

To the Electors of the Municipality of Chatham

As an election for three Councillors is to be held in the next few days, a small group of interested citizens of Chatham, anxious to have in office the best men possible, is circulating this letter to the ratepayers and suggesting men believed to be most suited to run our affairs and handle our money.

It was only a few months ago that we brought to the attention of the ratepayers a most deplorable state of municipal affairs and finances, which you have been called on to pay for. We urge you most strongly, to turn out at the coming election and vote for the best men, in order to prevent this sort of thing from happening again. If you fail to vote you may well be called on to pay for your neglect out of your own pocketbook.

The three Councillors whose terms are coming to an end have held office for the past two years or longer while the above took place. These vacancies are to be filled, and even if they do not themselves stand for re-election, we feel certain that strenuous efforts will be made to elect Councillors favorable to the group in power. Don't let this happen!

Consider these facts also: —

The elaborate Council Hall built at St-Philippe. Not that we are against a Council Hall — far from it — but we are against the methods used. Was it properly authorized? Where was the money secured? Is it paid for or not?

The municipal truck — where is it kept? How is it controlled? Under whose authority does it operate?

Don't forget that all this is paid for with your money.

Some members of the council are taking credit for improvements being carried out in the East end of the Municipality near Lachute, but we believe that investigation would show that credit for these should go largely to Mr. W. M. Cottingham, M.L.A.

Get out and vote — and we would suggest that you consider the qualifications of the following candidates and vote for: —

Walter Wert, of Ogdensburg
Ernest Lacasse, of St.-Philippe
Fraser Watson, of Cushing.

Our closing reminders are: —

a) Don't be fooled by promises that your tax rate won't be raised! An increased assessment will increase your taxes just as effectively, and it's far harder to get rid of.

b) If you are a British subject of 21 or older, owner of property valued at $50.00 ($200.00 if a non-resident), or tenant of property worth at least $20.00 per year, and entered on the valuation roll as a proprietor or tenant; or

If you are the wife or husband, son or daughter of a proprietor entered on the valuation roll as such; a British subject of 21 or over, and have lived for at least the past year in the Municipality with your husband, wife, father or mother (if a widow);

Then you are an elector and have a vote. **Use it.**

ELECTION — May 15th, 1950.

POLLING BOOTHS —

Three booths at Immaculate Conception Parish, Chatham East.
Two booths at St-Philippe.
One booth at Dalesville, Ogdensburg, Chatboro and Grece's Point.

— J. D. WEIR,
For Citizen's Committee

Softball Schedule Starts on Sunday

This coming Sunday at 2.00 p.m. sharp, there will be six teams to start the opening of the Argenteuil Softball League at Brownsburg. Boyd's Express visit Malacket's Spiders, of Brownsburg. In Lachute, playing at Wilson's Ball Park, the Tigers of Upper Lachute play host to the Bluebirds. The third game will be played at the White Rose Diamond in Upper Lachute between the Beavers of Lachute and the White Rose Team.

On page 10 is the complete schedule for 1950. Cut it out and keep it for further reference.

Follow this column every week for a complete resumé of games played, also the standing of each team at the end of each week.

Please note that the team formerly known as "Central Taxi" will play under the name of "Beavers".

It is hoped that the general public will support this league, as the officials have had much work in organizing this softball schedule.

(Schedule on page 10)

LONDON STYLE TRENDS

London (CP) — The 1950 London silhouette in which the wider shoulder line is combined with a draped sleeve near the shoulder and wide shawl collar running down to a waist button is liked by overseas buyers.

The novel draped jacket, one of Mattli's contributions, has been heavily bought and the tailored waistcoat cut in one with the new jacket will be seen in many of the world's capitals. Molyneux' new fitted coat, with its princess line and white scroll embroidery, has been a popular model and most of the buyers were struck by the interpretation of the reefer coat, tapering from the low-set waist to the hem, which was shown in a number of the collections.

The much-boosted 1920 line was carefully modified by the London houses, so that its attractive novelty was retained while its rather ugly angularity disappeared.

THIEF'S ACCOMPLICE FINDS A FRIEND

—Central Press Canadian

Louise Guthrie, of North Bay, Ont., is shown with her pet, Peter, a bear cub she adopted after his mother was caught in the act of raiding the commissary at North Bay airport. The cub was born in hibernation and he followed his mother on her fatal foraging expedition. Apparently he bears no malice; for he has taken to his new surroundings like the proverbial duck to water. Currently he is getting his nourishment from a bottle but will soon be able to fend for himself.

Aux Electeurs de la Municipalité de Chatham

Comme une élection pour trois Conseillers doit se tenir très bientôt, un petit groupe de citoyens intéressés de Chatham, soucieux d'avoir au pouvoir les meilleurs hommes possible, distribuent cette présente lettre aux contribuables et suggèrent les hommes qu'ils croient les plus aptes à conduire nos affaires et à manier nos argents.

Il y a déjà quelques mois, nous avons attiré l'attention des contribuables sur l'état des affaires municipales et les finances des plus déplorables dont vous avez été appelés à payer les effets. Nous vous sollicitons très instamment de participer à la prochaine élection et de voter pour les meilleurs hommes, afin d'empêcher cette sorte de choses de se renouveler. Si vous négligez de voter, vous pourriez bien être appelés à payer pour votre négligence de votre propre argent.

Les trois Conseillers dont les termes tirent à leur fin ont été au pouvoir depuis deux ans ou plus, pendant que ces choses se passaient. Ces vacances sont à remplir, et même si ces Conseillers ne se présentent pas de nouveau pour ré-élection, nous restons assurés que des efforts ardents vont être faits afin d'élire des Conseillers favorables au groupe actuellement au pouvoir. Ne laissez pas ceci arriver!

Considerez Aussi Ces Choses

L'imposante Salle du Conseil construite à St-Philippe. Ce n'est pas que nous sommes contre une Salle du Conseil — loin de là — mais nous sommes contre les méthodes employées. Sa construction a-t-elle été dûment et régulièrement autorisée? Est-elle payée ou non? Si oui, d'où venait cet argent?

Le camion municipal: Où est-il remisé? Comment est-il contrôlé? Sous quelle autorité est-il utilisé?

N'oubliez pas que toutes ces choses sont payées avec votre argent.

Certains membres du Conseil prennent le crédit des améliorations qui sont actuellement apportées dans la partie Est de la Municipalité, près de Lachute, mais nous croyons qu'une enquête prouverait que le crédit de ces dites améliorations, irait en grande partie à monsieur Wm. Cottingham, M.L.A.

N'OUBLIEZ PAS DE VOTER— et nous suggérons que vous considériez les qualités et votiez pour:

Walter Wert, d'Ogdensburg
Ernest Lacasse, de St-Philippe
Fraser Watson, de Cushing

En terminant, nous voulons vous rappeler ceci:

a) Ne soyez pas leurrés par les promesses que le montant de la taxe ne sera pas augmenté; l'augmentation de l'évaluation sûrement augmentera vos taxes dont il est beaucoup plus difficile de s'exempter.

b) Si vous êtes sujet de Sa Majesté, de 21 ans ou plus, propriétaire d'un terrain d'une valeur réelle d'au moins $50.00, ($200.00 si non résidant) ou locataire d'un terrain d'une valeur annuelle d'au moins $20.00, et inscrit comme propriétaire ou locataire sur le rôle de l'évaluation

— ou —

si vous êtes l'époux ou l'épouse, fils ou fille d'un propriétaire, inscrit sur le rôle de l'évaluation comme tel, un sujet le Sa Majesté, d'au moins 21 ans ou plus, et avez votre domicile depuis au moins un an dans la Municipalité, chez votre époux ou épouse, père ou mère (si celle-ci est veuve), alors vous êtes un électeur, et avez droit de vote. EMPLOYEZ-LE.

ELECTIONS: 15 mai, 1950.

Bureaux de Scrutin:

Trois à la Paroisse de l'Immaculée Conception, Chatham Est; deux à St-Philippe; un à Dalesville; un à Ogdensburg; un à Chatboro; un à Grece's Point.

Dress it up with
Barrett Brick-Type Sidings

You can give your home a smart, brick-like appearance with Barrett Sidings. They're good-looking, sturdy and weatherproof. They provide insulation and fire-resistance. Yes, they'll give your home a stylish new outlook on life — at far, *far* less cost than actual brick. In some cases, you'll pay not much more than you would for a good paint job!

TAKE YOUR CHOICE OF STYLES

INSULATED BRICK-TYPE SIDING—Mounted on ½-inch insulation board. Surfacing bricks, in a strikingly natural blend of buff, red and burned brick called "Varitone", are firmly embedded in asphalt. Here's a real brick and mortar effect *plus high insulation value.*

SHINGLE BRICK-TYPE SIDING—Medium-priced strip sidings in "Varitone". Apply like shingles. Attractive and realistic.

ROLL BRICK-TYPE SIDING—Brick sidings in low-cost, but effective, roll form. Buff or Brick Red.

Give your home a new lease on life. Instead of painting, perk up its appearance with BARRETT Brick-Type Sidings.

Your Barrett dealer sells Protection *Plus*

He stocks a complete line of roofing, insulation and weatherproofing materials. He's got what it takes to stop almost any weather. Whether your problem is leakage, seepage, rust or rot—see your Barrett dealer first!

TRIPLETS BORN TO GRANDMOTHER

Johannesburg, S. Africa (CP) — A grandmother, Mrs. D. M. Nelson, gave birth to triplets, a boy and two girls, on her farm near Randfontein, on the West Witwatersrand, recently.

Mrs. Nelson, 42, has two married daughters with one child each. She has three other children, the youngest being four.

MILL AIDS COMMUNITY

Millertown, Nfld. (CP) — Millertown residents are now busy hauling out their year's supply of wood and tractors borrowed from a local sawmill. Every year the company loans the community its tractors after it has completed its own hauling operations.

Patagonia is in southern South America.

EAST or WEST...
Kem-Tone is best
...say the MURRAYS

"I really think Kem-Tone is wonderful," says Miss Rose J. Murray, 265 Germain St., Saint John, N.B., "the way it goes on so smoothly, evenly and easily. And it dries almost immediately."

"I was amazed — and of course delighted," says Mrs. Edna M. Murray, 205 8th Ave., Saskatoon, Sask., "when I found that only one coat of Kem-Tone was needed to cover our old painted walls — and that only one gallon was needed to do a perfect job on a whole room."

You'll understand the Murrays' enthusiasm when you get going with this "miracle" wall paint. You'll marvel at the way Kem-Tone covers — one coat will do for most surfaces — without any primer or sealer. It costs so little to give every room in your home the durable, washable beauty of Kem-Tone — the resin and OIL wall paint that's been *tested and proved by millions of users.*

CHECK THESE ADVANTAGES OF KEM-TONE

1. One gallon does a large room.
2. One coat covers most surfaces, including wallpaper.
3. Latest, smartest colours.
4. Dries in one hour.
5. No disagreeable paint odour.
6. A hard, durable, washable surface.
7. One gallon of Kem-Tone paste makes a gallon and a half of finest wall paint.

The Miracle Wall Paint
Made with OIL — Mixes with Water

Kem-Tone is made with Kem Thermo-Tempered Oil fortified with durable resins. These are scientifically combined with 23 other quality ingredients to give you the Miracle Wall Paint.

IMPERIAL GALLON
Concentrated Paste Form
ONLY $4.98

One gallon of Kem-Tone paste, when thinned, makes 1½ gallons of Kem-Tone wall paint. This means that your actual cost of Kem-Tone per gallon is only $3.32

TWELVE LOVELY REGULAR COLOURS and KEM-TONE TINTING COLOURS in 1½-ounce tubes which give you an unlimited range of colours to choose from.

New Nash "Airflyte" On Display at Dealer's

Canada's newest car, the Canadian Nash Airflyte for 1950, will be on display in the showrooms of C. & L. Garage, Bethany Road, May 19 on — according to Ed. Lallement, who, with his partners, H. and E. Noble, is now in Toronto attending the official opening of Nash Motors' new manufacturing plant.

"May 10 will be a big day for Nash in Canada", Mr. Lallement told The Watchman. "Then, for the first time in history, Nash cars will be built in Canada, by Canadians."

Nash Motors' new plant in Toronto is said to be one of the finest in the Dominion. The latest equipment for automobile manufacture has been utilized. Parts such as transmissions, gears, windshields, upholstery and brakes are being supplied by Canadian manufacturers. Nash Motors' all-Canadian team of 300 welders, metal finishers, painters, body trimmers, mechanics and other assemblers are supervised by T. S. Adams, plant manager, a veteran of automotive manufacturing.

Nash Motors of Canada Limited purchased the manufacturing plant in 1946 from the Ford Motor Company, which had previously used it as an assembly plant and parts depot. Since that time, the plant has been completely remodelled and renovated. A large warehouse to handle replacement parts is being built on the factory site to ensure availability of parts for Canadian Nash owners, Mr. Lallement said. It will have floor space of 23,500 square feet, and is larger than any Nash zone parts warehouse in the United States. In addition, the plant's administration office is being remodelled to serve as headquarters for zone sales offices, serving the Nash dealer organization, stretching from Newfoundland to British Columbia.

GRATITUDE

Del Bonita, Alta. (CP) — Last fall "Old Bossy" was given another lease on life when the Weiss brothers, loading market cattle on a truck, found there was no room for her. Perhaps in gratitude, she presented her owners with twin calves this spring.

Marshall Aid for Canada

In the first two years of Marshall Aid, Economic Cooperation Administration made available to the United Kingdom $2,391,400,000 for the purchase of essential food, fuel, raw materials and machinery. Wheat was the commodity for which the largest amount of Marshall Aid funds was made available during this two year period, a total of $508,400,000 being provided for the purchase of wheat flour, mainly from Canada.

"White Empress" Service On Weekly Schedule

The keynote of luxury associated with the Canadian Pacific's "White Empress" service between Canada and the U.K. will be emphasized this year by the return to peacetime passenger service of the 26,000-ton Empress of Scotland.

Fresh from a two-year reconditioning job, the flagship sailed May 9 from Liverpool for Greenock, Scotland, and Quebec City. She joins the 20,000-ton sisterships Empress of Canada and Empress of France on the sheltered St. Lawrence route service. They ply between Montreal, Quebec City and Liverpool. With the three ships in service, the Canadian Pacific is able to provide, for the first time since pre-war days, a weekly sailing during the summer.

Another pre-war Canadian Pacific tradition to be re-established by the return of the "Scotland" is the regular call at the Scottish port of Greenock.

The three "White Empresses' are scheduled to make 31 calls at St. Lawrence ports during the ice-free season. . . the Empress of Scotland coming only as far as Quebec City due to her size.

As in the days of the 42,500-ton Empress of Britain, which was lost during World War II, the Canadian Pacific will be operating the largest and fastest ship on the St. Lawrence with the "Scotland" back in service. The three-funnelled speedster has a schedule which calls for record-breaking time between Greenock and Quebec City.

The two-year facelifting undergone by the Empress of Scotland has not only made her the most luxurious vessel in the Canadian Pacific fleet, but has also changed her to the point where old-time friends who knew her as the Empress of Japan, largest and fastest passenger liner on the Pacific Ocean, would hardly recognize her.

Much of her exterior and practically all of her interior, including the swimming pool, has been changed in appearance. During her transformation from a troopship, with eight years' service, to an Atlantic liner her passenger capacity was cut from a pre-war total of 1,115 to 663, in order to provide more spacious accommodation. She now carries 458 first class passengers and 205 tourist.

The Empress of Canada and the Empress of France each carry 700 passengers, their capacity being cut from a pre-war total of close to 1,400.

Schedules for the ships call for the Empress of Scotland to arrive at Quebec City every third Tuesday and sail from there every third Friday. She takes just over five days to cross the North Atlantic to Greenock, and another day to move from the Clyde-side port to Liverpool; and maintaining the same fast turn-around time on the other side, she sails from Liverpool on Tuesdays.

The Empress of Canada and the Empress of France will arrive at Montreal every third Tuesday and sail from that port the following Friday, taking a pleasure-laden seven days to make the crossing. This schedule allows the Canadian Pacific to sail from Canada to the U.K. every Friday during the summer.

The Canadian Pacific also operates two cargo-passenger vessels, the Beaverburn and the Beaverford, on the North Atlantic service. Each of these 10,000-ton ships has a passenger capacity of 12.

"Sports Camera"

By Wally Izsak

Boxing — it is commonly accepted — isn't now and hasn't been for some time at its best. Absent are the million-dollar gates and the large numbers of top contenders for the various titles.

Still it's only when a complete survey it taken that the true dimness of the boxing picture comes into view. The National Boxing Association of the United States painted just that picture recently when it announced its quarterly ratings for all divisions.

First off, and it came as no surprise, the association said there were no logical contenders for the heavyweight and welterweight championships.

And even though the association made no mention of it, the heavy-weight picture took on an even deeper shade of gray with the fact that the world heavyweight champion, Ezzard Charles, may not be able to fight again. The stocky Negro was ordered to take a rest after it was learned he injured a heart muscle while training.

If the medical men find that the muscle won't heal, the association may order the champion to vacate his throne rather than subject him to the possibility of more serious injury.

The closest the N.B.A. could come to possible opponents for Charles were Jersey Joe Walcott, Lee Oma, Lee Savold and Bruce Woodcock, who were all classed as outstanding boxers.

The same applies to the welterweight division with no logical men to meet Sugar Ray Robinson. Here, too, there are only "outstanding boxers" — Billy Graham, Lester Felton and Kid Gavilan.

Other Classes

The light heavyweight, lightweight and featherweight classes are in better shape—but not much. They each have one logical contender.

The one ray of sunshine — and it's in this class that the best fighting is seen today — is the middleweight division.

To oppose champion Jake Lamotta the association named four logical men, three from other countries. They are Dave Sands of Australia, Tiberi Mitri of Italy, Steve Belloise of New York, and Robert Villemain of France.

Bleak though the picture is, three Canadians managed to get into the ratings. The highest went to Arthur King of Toronto who got an outstanding-boxer classifacation in the lightweight division. He now fights out of Philadelphia with the same stable as Ray Robinson.

The other two Canadians are Johnny Greco, of Montreal and Solly Cantor, of Toronto. Greco, fighting out of his home town, was given an honorable mention in the welterweight section and Cantor, who fights both in North America and Britain, got an honorable mention among the lightweights.

Boxing generally has remained in fairly poor shape for almost a decade now. The game needs new blood, new toughness. Whether it will bounce back to greater prominence and class is to be seen.

But perhaps there's a kid for each division starting his long climb to the top in some small-town ring right now. And perhaps in a year or two he'll get there. The fight fans are waiting for lots like him.

EMBRYO ANNOUNCER — Bobby Taylor, thirteen-year-old Vancouver radio and film actor, singer, pianist and saxophonist, has long cherished an ambition to be a radio announcer. And because he feels that an announcer should also be capable of taking over the controls, he often works in a little engineering practice in the control rooms at the CBC's Vancouver studios between rehearsals for drama broadcasts. Here he is in front of the turn-tables, complete with earphones, learning how to start a record "on cue". Bobby is starring in a film on child delinquency soon to be released by the National Film Board.

Around the Home . . .

TOM GARD'S NOTE BOOK

Our new neighbours moved in yesterday and we had fun watching them start immediately to fix up the interior to suit themselves. With the house shortage being what it is, I didn't think it would take long to find a tenant. I have met the man of the house, "Red" Breast, but not his good wife—she was too busy! The two robins must have liked the shelter I put up for them in the early spring as they have decided to stay.

Most of our feathered songsters will be returning soon and looking for a nesting place. Help ease their housing problem by building one or two of the houses illustrated. Weathered wood without paint is a satisfactory building material. It's wise to stay fairly close to the dimensions as given in the booklet "Around the Home".

Doorways

Does your doorway extend a welcome? It's a most important feature of the home that can be made very attractive by an arrangement of flowering shrubs for summer, ornamental evergreens for winter effect, and climbers. Perennial plants are best for the man who owns his property, annuals for the one who rents.

Rock Gardens

I spent two enjoyable hours in The Botanical Gardens last week admiring their beauty, listing some of the plants that are in bloom even at this early date, and getting some ideas for rock gardens. When asked what can be done with a sloping bank my usual suggestion is to build a rock garden. When carefully planned and executed, it's a decided asset to your property. You'll find directions and a list of plants that can be used in the booklet "Around the Home".

For more about bird houses, rock gardens and many other ideas, write to Tom Gard, c/o Dept. A., MOLSON'S BREWERY LIMITED, Post Office Box No. 1600, Place d'Armes, Montreal, Quebec, for the illustrated booklet "AROUND THE HOME"

AMONG THE CHURCHES

Summer Services at Lost River and District

Summer Services at Lost River, Lakeview and Crystal Falls are expected to begin on Sunday, May 21st.

Mr. Harry Carter, originally from London, England, later situated in New York and at present in Corpus Christi, Texas, will be in charge.

He is a man of charming personality and long experience and will prove to be very popular among the young and old members of each congregation.

Special Services at Regular Baptist Churches

The Rev. Duncan Macgregor, B.Th., pastor of the First Baptist Church, of Sault Ste. Marie, Ont., is to be the visiting evangelist at special meetings in the Dalesville and Brownsburg Regular Baptist Churches from Sunday next, May 14 to Friday, May 26th. Pastor Macgregor has held pastorates in Toronto and Stouffville, Ont. He was born in Scotland and received his theological training in Toronto Baptist Seminary.

Special solist for the first Sunday will be Mrs. Norman Penny, of Ottawa. Mr. Penny, a choir leader, will lead the singing. Both Mr. and Mrs. Penny come of talented musical families. Mrs. Helen Hardie, of Thurso, will bring special vocal numbers the second Sunday. At each week-night service there will also be special music.

B'burg W.I. Holds 24th Anniversary

The Brownsburg Women's Institute group celebrated their 24th anniversary on Thursday evening last, at the Social Club. Mrs. C. Vary, who with Mrs. J. Lynch, social convener, arranged the program. Games were played and a bean-guessing contest was arranged by Mrs. Lemuel Wilson, the winner being Mrs. H. Zimmer. Mrs. A. G. Leggett, county president, was a guest at this celebration.

Mrs. W. Fletcher gave a short address on the history of the Brownsburg School, which proved of unusual interest.

Refreshments were served and a two-storey fruit cake with 24 candles decorated thereon, was made for the occasion by Mrs. Vary.

Tennis was purely an amateur sport until 1926.

STARTING SUNDAY
TWO WEEKS OF
Special Evangelistic Services
with

(See Church notices for details)

Good Cheer! Vital News! Bible Truth!
All that is brought to you in the weekly service of those watchful companions —
THE WATCHTOWER
and
AWAKE!

Truthfully and fearlessly "The Watchtower" is sounding its message of the Messianic kingdom around the world. Leading in the field of Bible instruction, it is joined by its companion-magazine "Awake!" which digs below the surface of events in its unfettered news coverage. "The Watchtower", of 16 pages, appearing on the 1st and 15th of each month, and "Awake!" appearing in 32 pages on the 8th and 22nd of the month, are offered on a joint subscription of one year for $2.

"This Beautiful Earth, in God's Purpose."

Our kind, loving Creator of the heavens and the earth, whose name alone is Jehovah (Psalms 83:18), . . In His book, the Bible, He says "The heaven is My throne, and the earth is My footstool: I will make the place of My feet Glorious. (Isaiah 66:1, 60:13).

LITERAL EARTH TO ABIDE AND BE INHABITED FOREVER

Gen. 1:1: "In the beginning God created the heaven and the earth".
Isa. 45: 18: "For thus saith the Lord that created the heaven; God himself that formed the earth and made it; he hath established it, he created it not in vain, he formed it to be inhabited".
Eccl. 1:4: "One generation passeth away, and another generation cometh: but the earth abideth for ever".
Ps. 37: 11, 29; Matt. 5:5: "The meek shall inherit the earth; and shall delight themselves in the abundance of peace. The righteous shall inherit the land, and dwell therein for ever".
Ps. 78:69: "He built his sanctuary like high palaces, like the earth which he hath established for ever".
Ps. 115: 16: "The heaver, even the heaven, are the Lord's: but the earth hath he given to the children of men".
Ps. 119: 90: "Thou hast established the earth, and it abideth".
Prov. 2: 21, 22: "The upright shall dwell in the land, and the perfect shall remain in it. But the wicked shall be cut off from the earth, and the transgressors shall be rooted out of it".
Prov. 10: 30: "The righteous shall never be removed".
See also: Ps. 104: 5: Isa. 60: 21.

Bridge Club Celebrates

On Tuesday of this week, the Bridge Club composed of Mrs. C. L. Duncan, Mrs. Ralph McOuat, Miss Janet McOuat, Mrs. K. McOuat, Mrs. Geo. Leggett, Mrs. Fred Sanford, Mrs. E. M. Jones and Mrs. R. A. Giles, motored to Montreal for a final dinner celebration of the season.

This club has been in continual operation for sixteen years and many of the original players are still members. Mrs. C. Rogers, another member did not make the trip. A presentation was made to Miss Janet McOuat, who is travelling to the west coast in the near future.

OBITUARY

LATE RODOLPHE BEAULNE

After a short illness, Rodolphe Beaulne passed away at his home, 96 Bedard Blvd., on Saturday last.

Born in Lachute in 1909, he had spent his life here and followed the trucking and contracting business as a trade. During the past four years he was employed by the Provincial Government as a patrolman.

He married in 1942, Miss Marie Ange Parisien of Hawkesbury, who survives with one son Paul André (4 years) and a daughter Joceline (6 years); one sister Miss Yvette Beaulne and one brother, Romain also remain to mourn his passing.

The funeral was held on Tuesday morning from the Church of Ste. Anastasie and was largely attended by many friends and relatives.

Happy Festive Spirit At 25th Anniversary

The 25th wedding anniversary of Mr. and Mrs. Walthausen was fittingly observed at "The Willows", the spacious and attractive country home of Mr. and Mrs. Eric Harrington, on Tuesday afternoon and evening of this week. The home was profusely decorated with beautiful roses, carnations, and sweet peas, which had been flown over from Holland within the past few days.

In the afternoon, the Women's Institute, of Upper Lachute, of which Mrs. Walthausen is a valued member, were most hospitably entertained. In the evening the neighbors in Upper Lachute, the Dutch people residing in this area, and friends from the Town of Lachute, gathered in large numbers to felicitate Mr. and Mrs. Walthausen, and enter with them and their family into the festivities of a very joyous occasion. Dancing was indulged in by old and young alike, the Dutch people present sang favorite home-land songs in their own language, and delicious refreshments were served.

During the course of the evening the Rev. W. B. Rosborough, of Lachute United Church, on behalf of all present, congratulated Mr. and Mrs. Walthausen on the completion of 25 years of happy married life, and expressed the hope that joy and happiness might attend their way in the years that are yet to come. Many beautiful gifts were presented to these splendid "New Canadians" in token of the sincerity of the good wishes of all concerned.

"King of Kings" Film In Baptist Church

The famous religious film — "The King of Kings" portraying the trial of Christ will be shown on Saturday, May 13, at 7.30 p.m. in the Lachute Baptist Church. Everyone is cordially invited to attend.

The Misses Alberta and Leila Cleland are now occupying their new home which has been under construction for the past year and is situated on the lower side of the road almost opposite the home of Mr. and Mrs. W. H. Canning. This community wishes the Misses Cleland health and happiness in this lovely new home for many years to come.

Mr. and Mrs. F. Coghill, accompanied by Mrs. Gerald Cushing, and little daughter, Sherril Lynne, spent Sunday in Cushing.

The old idea of Borrowing Days, when March was supposed to borrow some mild days from Spring and pay them back with wild weather when Spring came, was brought to mind rather forcibly on Saturday when the March lion returned for a mad May Day holiday; lashing everything about in his glee. Strange unexpected things appeared in doorways, and articles went careening away and were left leaning drunkenly against fences. Even top soil in already sown grain fields fled before the caprice of the wind. The Ontario side of the Ottawa seemingly getting a worse blow than the Cushing side, for soil from the farms could be seen drifting for a longer period of time, and also for a greater distance.

AMERWOOD IS PRE-FINISHED • AMERWOOD IS EASY TO APPLY • AMERWOOD IS BEAUTIFUL

Pre-Finished AMERWOOD

PRE-FINISHED AMERWOOD is the new and beautiful wall panelling that arrives on the job completely finished. Ready to apply in the lengths that suit your job. No waste.

PRE-FINISHED AMERWOOD is the new and beautiful wall panelling where the hard growth stands in bold relief. It has been stained, lacquered, baked in an infred oven (the same as your modern car bodies), waxed with a polish many times harder than the simonize you would apply to your car and then polished to a satin finish.

PRE-FINISHED AMERWOOD is ¾" in thickness, comes in 6", 8", 10" widths and 8', 10', 12', 14', 16' in length. Packed 6 boards to the package and in three attractive colors, Amerwite, Ameroon, Amered.

When PRE-FINISHED AMERWOOD is applied and your last nail is driven the job is then complete, no paint, no fumes, no extra muss. It requires no extra tools, just hammer, saw and square. Drop in and see it at our yards.

Home Canning. . .

By Consumer Section, Marketing Service, Department of Agriculture, Canada.

Now that spring is really in the air and summer is not far behind, it hardly seems the time to be thinking of the long, cold winter ahead. However, the fruit cellar has, no doubt, taken on that "bare" look and thought must once again be given to filling up the shelves when fresh fruits are at their best.

Every year, during the canning season, the home economists of the Consumer Section, Department of Agriculture, Ottawa are busy in the test kitchen canning fruits and vegetables. From taste panels held during the winter, preferred recipes are chosen and bulletins prepared to help the homemaker with her various canning problems.

There are several steps to remember when canning in the home but an important one often forgotten is to sort fruits and vegetables for size and maturity. Remember the aim in canning is to retain the natural shape, color and fresh flavor of the fruits and vegetables. Do not can immature and overmature fruits and vegetables. The good portion of bruised fruit may be used for jam or fruit juices after the bruises have been removed. Vegetables should be canned within a few hours of gathering.

Be sure that all equipment for canning is on hand before starting. When using glass sealers for canning, it is most important to buy the correct sized rubber ring and this is easily done as the boxes of the rings made in Canada are marked with the trade-names of the sealers on which they should be used. The narrower ring is for screw top sealers and the wider ring for spring top sealers. Some vacuum-type sealers have a metal lid with a sealing compound around the edge in which case a rubber ring is not required. Rubber rings should not be reused if best results are desired.

For those who have a canning machine at their disposal, it is important to buy the type of can recommended for the fruit or vegetable to be canned. Homemakers should not let the clerk in the store sell them "something just as good". Can covers correspond to the type of can. The cans should be washed thoroughly in hot, soapy water, rinsed with boiling water and inverted to drain. Covers with paper gaskets should not be put in water but wiped carefully with a clean, slightly dampened cloth.

Even a beginner can make pickles. This year plan to grow extra cucumbers and try making dill pickles which are fast becoming a favourite with everybody and are quick and easy to make.

Several interesting recipes will be found in the 1950 canning bulletin.

RHUBARB CONSERVE

14 Cups rhubarb, cut in ½-inch pieces, 3 cups raisins, 7 cups sugar, juice of 2 oranges, rind of 2 oranges, thinly sliced, ½ to 1 cup walnuts, coarsely chopped.

Combine rhubarb, raisins, sugar, orange rind and juice. Let stand ½ hour. Bring to boil and boil, uncovered, 40 minutes, stirring frequently. Add walnuts, and boil to jam stage, about 5 minutes. Pour into hot, sterilized jars, cool and seal. Yield: about 12 cups.

DILL PICKLES

Use freshly picked cucumbers, 3 to 5 inches long. Wash, soak overnight in cold water. Drain thoroughly. Place pieces of dill in the bottom of clean jars. Pack cucumbers into jars and place more dill on top. Combine:

2 Cups white vinegar, ½ cup table (bag) salt or ¾ cup coarse salt, 6 cups water.

Bring to boil and pour hot liquid over cucumbers. Seal. Let stand in a cool place at least 6 weeks before using. Yield: sufficient liquid for 4 quarts pickles. If desired, a small piece of garlic may be added to each quart of pickles.

Other hints on canning and several recipes for jams, jellies and pickles will be found in the bulletin "Home Canning of Fruits and Vegetables". A free copy may be obtained by writing to the Information Service, Department of Agriculture, Ottawa.

Woman Diplomat Winning Hearts of Luxemburgers

Mrs. Perle Mesta Works Hard At Being the United States Minister to Grand Duchy

— By Alfred Cheval —

Luxembourg City (AP) — Mrs. Perle Mesta, United States minister to Luxembourg, is a hard-working, full-time diplomat. Luxemburgers like her.

In seven months as madame minister, the blue-eyed, smartly dressed matron who won fame as a Washington hostess has explored thoroughly the tiny grand duchy. With the exception of a flying visit or two to Paris for shopping, she has stuck pretty close to her desk, establishing a working day from 8.30 to 6 or 7 p.m., six days a week.

"And I love it", she says. "I particularly love the people of Luxembourg, and when you love a people you can't help loving the place they live".

"What I like about her", said one Luxembourg girl, "is that she does not care what people say. She does what she feels is right".

One of the Luxemburger employees at the legation said "she really works hard. She takes nothing for granted and she does learn fast". She made it clear that Mrs. Mesta likes to see others working too.

Mrs. Mesta is always delighted when Americans drop into the legation, because "I like to show them Luxembourg". She is entranced by Grand Duchess Charlotte, "I like her immensely. She is a woman of great intelligence and sympathy". Luxemburgers think Mrs. Mesta, more than anything else, has put the tiny country on the tourist map.

The U.S. minister is no great stickler for protocol. But her ideas of warm personal relations apparently have charmed the grand duchess. Charlotte is known for her love of privacy, but Mrs. Mesta is one of the few who drop in at the castle for a cup of tea. So far, however, the grand duchess has stuck to formalities and hasn't called at the legation.

Transforms Legation

The Mesta touch has transformed the legation, previously under direction of a charge d'affairs. The white-walled reception rooms have been redecorated with golden silk curtains and two aubusson carpets of big floral design matching the empire furniture.

She hasn't neglected the practical side of housekeeping. A new modern kitchen has been installed, complete with gas and coal ranges, a deep freeze and racks for kitchen ware. This gleaming empire is governed by Luxembourg chef Arthur Weisen, who left a hotel to work for Mrs. Mesta and is "a truly wonderful artist".

Said one Luxembourg husband: "I have the feeling Mrs. Mesta has put new ideas into womens' minds. A woman diplomat like Mrs. Mesta gives them ideas".

A Luxembourg businessman has a more down to earth comment. "Sure, she is liked. She helps business here. She brings more Americans to Luxembourg. She helps our country to be known in the United States.

Mrs. Mesta says she "gets along beautifully with the other diplomats. I'm on the bottom of the list because I'm newest here, but they all are so very polite. Things are more informal here because the diplomatic corps is so small".

One Luxemburger summed up the general reaction to the U.S. woman minister: "She is one of the few Americans who makes an effort to understand other people. She does understand us".

The concensus seems to be that Oklahoma-born Perle Mesta is doing a good job.

SISTERS PREACHING, AIM AT MINISTRY

Bridlington, England (Reuters) — Three sisters, Doreen, 24, Jean, 21, and Frances, 18, are preaching regularly at Methodist churches in this area, and hope to qualify as lay preachers.

Mrs. J. F. Waind, of Bempton, Bridlington, their mother, said: "When one of them decided to go in for lay preaching, the others quickly followed suit.

"They have all been together since they were children.

"They are now in their probationary term, and it will take nearly two years for them to qualify fully and pass their examinations."

Doreen works on a farm, Joan in the income tax office, and Frances teaches at a school near their home. They are all Sunday School teachers.

means. The council should wait the reply from the Board of Health.

Councillor Somers: "I would like to know if the people are satisfied to let houses go up outside the limits of the water system and let the owners of those houses put in cesspools and outside toilets and then wait till the Board of Health Officer comes along and condemn the place and force us to put in water and sewerage which we should have done in the first place."

The discussion ended by a motion of Councillor Somers for a loan law provided by a referendum of the people of the municipality to borrow $25,000 for the purpose of extending the water system to take in the districts above mentioned.

Juvenile Police Club

Membership in the above has reached a high total and a considerable amount of money is now in the funds to set the Club working. Over 121 members joined up to last week, about equal numbers of French and English boys. A general meeting has been called for 4.30 p.m. next Friday when the chair will be taken by Mr. Duchatel. Chief Foucreau has been very active in organizing the club and is now set to go ahead.

Blood Donors

An announced in all churches in Brownsburg on Sunday, donors are urgently needed for the blood clinic to be held at Lachute on May 17. Persons wishing to help should get in touch with Mrs. Charles Prosser who has charge of the arrangements.

Mayor L. Carriere Gives Complete Survey of Civic Enterprise to Lions

Problems of Lachute Town, Topic of Address Local Service Club Gives to Fire - Flood Victims

Following the regular session of the Lions Club held at the Joly Hotel in the West End, the members listened to a very interesting story from the Mayor, Past President, Lion Leopold Carriere, as he outlined the accomplishments of Lachute Town Council during his term of office. His address in part, is as follows:

It is with much pleasure that I wish to speak about our administration of the Town during 1949. My first duty is to express my full appreciation to the aldermen whom you have appointed for the administration of your municipal affairs.

The cooperation, the energy and the civic spirit shown by these men during 1949 is a source of honor for them and of profit to you, as you may see by yourselves in recalling certain facts which I wish to once more call to your attention.

At the first meeting, the following Committees were appointed: Finance, President, W. S. MacKimmie and whole Council; Roads, President, D. G. MacRae, Wilfrid Morrissette, E. Provost; Water, President, Wilfrid Morrissette, W. S. MacKimmie, D. G. MacRae; Fire and Police, President, Stanley Holt, Prudent Chartrand, Ernest Provost; Health and Hygiene, President, Ernest Provost, Wilbrod Couisneau, D. G. MacRae; Lights, President, Jude Charlebois, Prudent Chartrand, Jos. Bélanger; Social and Embellishments, Joseph Bélanger and Stanley Holt; Auditorium and Park, Wilbrod Cousineau, Jude Charlebois, S. Holt; and Relief, Prudent Chartrand, Joseph Bélanger, Wilbrod Cousineau.

We have also appointed as financial adviser, Germain Filion, at a salary of $1.00 a year and I take this occasion of thanking him for his good services and moreover for the help and advice granted to our secretary-treasurer, who has received great profit thereby. I am also very pleased to inform the citizens of Lachute that our secretary-treasurer, Mr. Antonio Laurin, has done splendid work during the last year and I am glad to state that after 13 or 14 months experience, Mr. Laurin is showing himself to be a very important asset to our Town.

And now I wish to report the activities of the various Committees during 1949.

Finance

At the start we were faced with a working capital deficit of several thousand dollars, and after serious study of the situation, the council unanimously recognized that the only way out was the levy of a special tax. I wish to congratulate the citizens of Lachute for the good spirit shown in accepting such levy. The additional revenue so obtained has permited the town to redeem a note of $9,000.00 and to wipe out the working capital deficit. Since the Council believes in having a fair size working capital in order to carry efficiently the various services of the Town it was found wise to increase the tax rate to $1.30 and to do away with the special tax without decreasing the revenue.

Roads

In connection with the roads, I think that the citizens at large will admit that our gravel streets have been well kept and that the oil that has been spread has proved a great help in the removal of dust and the conservation of our streets in good state of repairs.

You must also have noticed that several hundred feet of sidewalk have been built and that some streets have been extended.

A town lot has been filled and next year we hope to be in a position to fence it, so as to erect on it a building in order to have a municipal yard and storehouse.

I wish particularly to express our thanks to the Provincial Department of Roads who, through our Provincial Member, Mr. W. M. Cottingham, has greatly helped us financially in 1949, by the paving of Main Street East and widening of Bethany Street. We have received further help in the paving of Chatham Street, not to mention all the gravel and calcium spread on our streets, and the free use of the Roads machinery.

There is no denying that there is still a lot to do on our streets and we already have under study a project of paving the remaining gravel streets of Lachute.

Water

At the very beginning of last year, we had to examine the matter of supplying Chatham with water. After a few trips to Montreal, and having secured all the necessary data, it was found that we were in a position to supply water at 11 cents per thousand gallons. This offer was found reasonable, and a contract was negotiated between the two municipalities. Everyone can now judge for himself the work now being done in Chatham.

The cooperation shown by our Council in connection with the settlement of this contentious question has brought congratulations from the Department of Health and of Mr. Théo. Lafresnière, head engineer of the Department in Montreal.

We have asked an engineer of repute, Mr. P. P. Vinet, to prepare a preliminary report of our water supply and we also expect to have additional information on this matter. When all necessary information is gathered we will be in a position to recommend to the ratepayers the most practical solution to improve our waterworks as to supply, pressure and quality.

Fire and Police

We have studied and adopted a by-law to determine the powers and duties of the Police Department. Another constable has been hired and I think that the population of Lachute has reason to be proud of the Police Force. I am pleased to read the report of the Police Department for 1949.

This report shows clearly the results of the work so well done by our police. I wish also to express our thanks to the Provincial Police and to the Traffic Police for the help that they are always ready to give to our Police Department; and why not mention also, the good work of the young brigadiers who, under direction of our Chief, are learning to obey, to respect and to command.

In connection with the Fire Department, I wish to thank our Volunteer Fire Brigade for their generous donation of $1,500.00 which allowed us to appeal to our Member, Mr. Cottingham, tó secure a further grant of $2,000.00 for improvements to our equipment. With the sum of $1,500.00 from the Fire Brigade and the grant of $2,000.00 from the Government, we have been able to purchase a ladder truck fully equipped and 600 feet of fire hose. In all this transaction the town merely disbursed a sum of $400 to $500 of municipal money.

Lights

We have installed many street lights in various parts of the Town and there are still several to be installed. It is worth recording that due to the cooperation of certain citizens and of the Lights Committee, the electric light rates have been reduced on an average of .28½ cents per month, which means overall savings of $5,500.00 per year.

Health

In this department, there has been good work done. A certain

(Continued on page 9)

Fair Response to Blood Donor Clinic

There was only a fair response to the urgent appeal of the Red Cross Society for blood donors, as 140 persons from Argenteuil County were on hand at the clinic which was held on Wednesday, at the Lachute Auditorium.

Several outlying communities responded very well to the call, notibly St. Andrews East with 22 donors, and Morin Heights with 13.

The local Red Cross Society is very grateful for help given them by the Brownsburg Rotary and Lachute Lions Clubs for assistance, and to Mrs. C. E. Prosser, and her committee, of Brownsburg, who worked very deligently for the cause.

Local firms of Ayers Ltd. (Miss W. Prieur), Wilson's Paper Co., J. P. MacKimmie and Sons and The Lachute Watchman were also thanked for their help in supporting the mobile blood clinic. . .

Those in St. Andrews East, who worked on the committee were Mayor Fournier, Geo. Rodger and R. G. K. Thomson, and Mrs. J. Green, headed the Morin Heights organization.

A complete list of donors will appear in next week's Watchman.

Warning re Licenses

Residents of Lachute are reminded by Chief Donat Villeneuve that action will soon be taken against persons in this community who have not taken out dog or bicycle licenses. The dead-line for these licenses is May 1, and it is hoped by the town authorities that interested persons will respond to this warning.

Chatham Election Interest High

Harold Derouin, secretary-treasurer of the Municipality of Chatham reports that the election held last Monday for three councillors, resulted in a heavy vote. Comparing statistics with the last election, when the highest poll received by any contestant was 321, while at the election on Monday, Ernest Lacasse received 586 votes.

The three successful candidates were Ernest Lacasse (586), Nelson Morrison (511), Fraser Watson (557); defeating Roland Filion, (309), R. K. Low (270) and Theo. Murdoch (276). Messrs. John Black and Octavious Bruce withdrew their nomination papers before the election.

Lachute Legion to Sponsor Rally

The Lachute Branch No. 70, of the Canadian Legion, are sponsoring a Legion Reunion and Rally to be held in the Memorial Hall, Saturday, May 20, at 2 p.m. All local members are requested to turn out. The guest speaker will be Comrade A. W. Heron, Quebec's Provincial President, and Col. McGibbon, in charge of veterans' medical services, D.V.A.

Delegates from Brownsburg, Morin Heights, and St. Eustache, have been invited to attend.

A supper will be served at 6.30 p.m. by the Ladies' Auxiliary of Branch No. 70 for a nominal charge. This will be followed by movies and a social evening for veterans and invited guests.

FIRE and FLOOD...
Argenteuil will do her part

It is heartening to know that the appeals of the fire-ravaged City of Rimouski and Cabano, and the Red River flooding of Winnipeg are meeting with such generous response. Due to the slow rise in the waters, there has fortunately been little loss of life, but these people have had to vacate their homes and everything they possess has been burned or ruined by water, and livestock drowned or slowly starving and homes and farm buildings rendered useless by the water and mud. For the thousands of people to have lost their all, there is genuine sympathy, but there should be overwhelming support in a practical way.

The Watchman will be pleased to co-operate with the general appeal for assistance and receive subscriptions, small and large, recognition of which will be published in each issue of the Watchman.

The Lachute Lions Club have started off the list with a donation of $75 to Rimouski and Cabano, and $75 for Winnipeg.

Amounts are deductible for income tax purposes. Make cheques payable to the RIMOUSKI - CABANO Relief Fund.

Plastics Division Becomes Department

Under a recent reorganization at C-I-L here, steps have been taken to cut overhead in the highly competitive business of "plastics" by placing the operation and personnel of the Plastics Company under the management of C-I-L.

It was about the year 1910, C.X.L. now nationally known as C-I-L purchased a small comb manufacturing business from W. Mitchell in Toronto. C.X.L. reorganized the business and moved it to Fraser Avenue under the name of The Arlington Company. It continued to manufacture combs, collars and cuffs, and harness rings for about ten years, employing about 35 persons. In 1921 the plant was moved to Montreal and took up business on Beaubien St. Five years later, the Arlington Company moved to Brownsburg and started the manufacture of tooth-brushes, toilet sets, torpedo parts, ping-pong balls and even bowling balls. With the advent of "Pyralin" and its increasing use, the company became known as the Pyralin Division of C-I-L and still later in 1937, when the new plastics began to come into general use, the Plastics Division. Mr. C. E. Richardson was manager of the Company for about two years, until the appointment of Mr. J. F. Armitage. Mr. Oakes and Mr. G. L. Martin preceded the last manager, Mr. H. Dando, who has now been called to Montreal, and The Plastics Division has become a Department of the Ammunition Division.

Juvenile Police Club

This club organized by Chief Foucreau has progressed by leaps and bounds in membership since its first member was initiated just a few weeks ago. Today it boasts a membership of 66 French and 62 English-speaking boys. Arrangements are being made to provide the members with equipment to partake in sports of various kinds, and tours are to start soon to outlying districts, where the interesting and varied duties of citizenship will be shown in action to the boys. There are a number of aims towards which the work of these clubs are pointed, but the greatest of these is — Citizenship.

Anniversary

Plays, concerts, tableaux, and presentations marked, the thirty-fifth anniversary of Rev. Father Bouchard's ministry in Brownsburg. The event was marked with ever increasing eclat by the parishioners of St. Louis de France parish on Sunday last, and we join with Fr. Bouchard's numerous well-wishers in hoping he will have many more years of happy association with the people here.

Amusement Tax Fine

During the week an unusually large fine was imposed by the Quebec revenue department on an amusement house here for alleged neglect to provide tax tickets for its patrons. The authorities are getting more alert to breaches of the law in this matter and more severe penalties are promised for any future infringments.

Local Rotarians Attend Conference At Hull, Que.

Linton W. Armstrong and Mrs. Armstrong, Keith Rutherford and Mrs. Rutherford, attended the annual Conference of the 250th District of Rotary International, at Hull last Thursday, Friday and Saturday, as official delegates of the local Club.

Registrations of representatives of the 43 clubs which make up this district began at 2 o'clock Thursday afternoon at the Standish Hall Hotel. These members came from Northern New York State, Eastern Ontario and Southern Quebec. At 5 o'clock refreshments were served at the officers mess of the De Salaberry Armouries with the E. B. Eddy Company as hosts. An informal reception took place at the Hotel at 8 o'clock when District Governor, Raymond Brunet, O.B.E., ex-mayor of Hull and Mrs. Brunet, acted as hosts. This was followed by a buffet supper and musicale.

The business sessions got under way the next morning at 9.30 at the Armouries when the President of the Hull Rotary Club, the Mayor of Hull, Mr. A. Moussette, and the Honorable A. Tache, K.C., representing the Government of the Province of Quebec, were on hand to welcome the delegates. This session was highlighted by the Governor's address and the address of the official representative of the President of Rotary International, Past Vice-President, Frank E. Spain, of Alabama. The luncheon at noon was honored by the presence of Honorable Louis St. Laurent, Prime Minister of Canada, who delivered the main address.

The afternoon session re-convened with Past District Governor, Emmett J. Roach, of Plattsburg, N.Y., presiding. Three noteworthy addresses were delivered by president elect, Clarence E. Scott, of Watertown, N.Y., W. G. Moxley, President of the Youth Service Committee of the Westmount Club, and Dan A. Gasper, Past President of the Hull Club.

The main event of the Conference took place on Friday evening with the Governor's banquet and ball at the Standish Hotel, and Frank E. Spain as the guest speaker.

Governor Ray Burnet made

Respected Citizen Passes at Lachute

The Late William Murray

An elderly and respected member of this community, Mr. William Murray, passed away on May 16 at his home here.

Mr. Murray was born at Hill Head (near Lachute), on May 6, 1866, a son of the late Alexander Murray and Elizabeth Drew.

He was married on December 7, 1893 to Miss Annie Dudderidge McOuat, daughter of William McOuat, of Brownsburg, and farmed close to that town for a large part of his lifetime, until his retirement some 21 years ago, when he took up residence in Lachute.

Well known in the community, Mr. Murray was always ready to lend a helping hand and give advice to those who sought his opinion.

He was a lifetime member of the Presbyterian Church and a member of the Kirk Session for nearly fifty years as well as serving on the Board of Managers. He was on the building committee of the Presbyterian Churches in Lachute and Brownsburg, and at the time of his death was a trustee of the church.

As one who was never afraid to take a stand on any important matter he served on many public bodies, including the school board, at Brownsburg.

Besides his wife, he leaves to mourn his passing, Dr. William Alexander Murray, and three grandsons, of Montreal, and a sister, Miss Margaret Murray, of Lachute. A daughter, Elizabeth Dudderidge predeceased him in 1945. A brother, John and three sisters, Jessie, Nellie and Jeanie (Mrs. John Smith), also predeceased him.

The funeral took place on Thursday, from the Margaret Rodger Presbyterian Church, conducted by the Rev. C. Maclean, asisted by the Rev. W. B. Rosborough, and was largely attended by friends and relatives. There was a profusion of flowers.

Pall-bearers were Messrs. Alex Smith, Wm. Boa, John Dobbie, H. M. Gall, John Connolly, and Herbert Morrin.

Tribute Paid At Large Funeral

The Late George H. Staniforth

Following a short illness, Mr. George H. Staniforth passed away at his East End home, in Lachute, on Monday last.

Born in Arundel, Que., in 1872, Mr. Staniforth moved to Lachute with his parents, Mr. and Mrs. William W. Staniforth, to the farm now owned by Mr. E. K. Wilson, and which he occupied until his retirement six years ago.

Mr. Staniforth was twice married, first to Miss Ethel Miller who predeceased him in 1918. His second wife, was Miss Ethel Drysdale, to whom he was wed in 1921.

Besides his wife, there remain to mourn his passing, one sister, Mrs. J. B. Mabon, of Montreal, and two brothers, Sydney, of Montreal, and David, of Lashburn, Sask.

The funeral was held on Wednesday afternoon, from the United Church, the Rev. W. B. Rosborough officiating, assisted by the Rev. C. Maclean.

Pall-bearers were six nephews Messrs. Keith and Bud Carpenter, and Rune Larsen, of Three Rivers, Willis and Robert Staniforth, and John Mabon, of Montreal.

Interment was made in Lachute Cemetery.

Among those attending the funeral of the late Mr. Geo. Staniforth were Mr. and Mrs. Norman Drysdale of Plainville, Conn., Miss Hazel Drysdale and Miss Olive Staniforth, of Montreal, Mr. and Mrs. Gordon Drysdale, and Mr. and Mrs. J. B. Mabon, of Montreal, and Mr. J. Staniforth, of Westmount.

IMPORTANT to our Advertisers, Readers and District Reporters

Due to the pressure of seasonal business, The Watchman will have to keep strictly to the following deadlines for advertisements and district news.

COMMERCIAL ADVERTISEMENT: For Sale, Want Ads, Lost and Found, To Rent, Coming Events, etc., the deadline is WEDNESDAY at 5 p.m.

BIRTHS, DEATHS, Acknowledgments, In Memoriams, etc., the deadline will also be WEDNESDAY at 5 p.m.

GENERAL ADVERTISING must be in the publisher's hands by MONDAY of each week.

DISTRICT NEWS (unless of major importance), correspondents are urged to send their reports so that they reach us not later than WEDNESDAY NOON.

The staff of the Watchman would appreciate the fullest co-operation of the public and correspondents in this matter.

Argenteuil County W.I. Convenes At New Arundel Interm'te School

Delegates Thrilled by Splendid Educational Building Mrs. C. P. Baugh Elected as County President

For the first time in its history, Argenteuil County W.I. broke away from tradition, and under grey skies and not too good roads, journeyed by bus, private cars and taxis on Saturday last to Arundel where the 30th annual convention was held in the beautiful new school.

With Mrs. Geo. Leggett, County President, presiding, the morning session opened by repeating the Mary Stewart Collect. The reports of secretary treasurer and all branch conveners showed much progress, and very helpful work done in all branches. The personal parcel scheme had been carried out all through the year. Red Cross, Save the Children, and Cancer Fund had been generously supported, as well as many other items of interest. Mrs. Geo. McGibbon told of the Red Cross Work, and urged as many as could to donate blood when the Blood Donor Clinic was held at Lachute.

Mrs. C. W. P. Baugh conducted a short Memorial Service, and all stood in silent memory of four devoted W. I. Members who had been called to higher service.

The guest speaker, Mrs. Grant LeBaron, 1st Provincial Vice-President, of North Hatley, gave a very helpful and instructive talk on W.I. work in the Province, and reported 102 senior branches, and 4 junior, with a membership of 2,950 and hoped by the end of 1950, the 3,000 mark would be attained. Three new branches have been started in 1949. Mrs. LeBaron brought greetings from the Provincial President, Mrs. R. Thompson, who is ill. The speaker was introduced by Mrs. Baugh and thanked by Mrs. D. J. Clark. Letters of regret at not being able to attend were read from Mr. W. M. Cottingham, M.L.A., and Mrs. Cottingham, Mr. Philip Valois, M.P., and Mrs. Valois, also Dr. and Mrs. Turcotte.

Guest speakers at the luncheon hour, were Dr. R. B. Henry, Mayor of Arundel, who welcomed the Convention to his town, and new School. Mr. A. B. Bothwell, Agronomist for Argenteuil County, spoke of the good work the W.I. was doing in this County, furthering education, school fairs, and so on. Mr. Melvin Graham, principal of Arundel School, the Rev. Mr. Fenton, of United Church, and the Rev. Barnett, Anglican Church, all gave a warm welcome to their midst and looked forward to having the W.I. with them again. The speakers were introduced and thanked by the President. The absence of Mr. J. S. Giles was regretted.

The afternoon session opened with singing of "The Ode" and Salute to the Flag. The roll Call showed nine branches present, with an attendance of 121 members and quite a number of guests. The President spoke of the Short Course, and hoped our delegates would take advantage of it. The Arundel Glee Club favored the W.I. with two very fine selections, with Mrs. Melvin Grahsm at the piano. This was much enjoyed by all. The retiring Fair Work convener, Mrs. F. Barker, who has so ably carried on the work for the past four years, gave a short outline of the fair work, and a very good showing from all branches is hoped for this year. Mrs. G. Leggett, retiring President in a short address thanked the members of the executive, also all branches for their generous support during her term of office, and urged all to carry on their good work.

The report of the Nominating Committee read by Mrs. C. Stephens, showed the following list of officers for the coming year. Hon. Pres., Mrs. George Leggett, Lachute; President, Mrs. C. W. P. Baugh, Lakefield; 1st. vice-pres., Mrs. Gordon Cooke, Arundel; 2nd vice-pres., Mrs. Geo. Connelly, Brownsburg, secretary, Mrs. D. J. Clark, Brownsburg, treasurer, Mrs. Howard McOuat, St. Andrews East, auditor, Mrs. R. McOuat, Lachute.

Conveners — Agriculture, Mrs. N. McGeorge, Lachute; Citizenship, Mrs. Edgar Elder, Mille Isles; Health and Welfare, Mrs. W. Sherritt, Lakefield; Education, Mrs. Carl Seale, Morin Heights; Publicity, Mrs. A. Graham, Cushing; Home Economics, Mrs. Gordon Miller, Lachute; Fair Work, Mrs. J. LaMontagne, Lachute. The new Installation Ceremony was in charge of Mrs. N. E. Smellie, who in a few remarks before conducting same, said it was four years this month, that she had the pleasure of forming this W.I. Branch in Arundel, who have now a large and very active membership. The Resolution Report was then read by Mrs. Geo. Connelly, after which adjournment was moved and the convention was brought to a close by singing God Save the King, the members leaving for their homes, feeling a very profitable and happy day had been enjoyed by all.

Resolutions Passed

The following resolutions were passed at the Argenteuil County Women's Institute Annual Convention, held last Saturday in the Intermediate School at Arundel, Que.

* * * *

WHEREAS we have present with us today, the Q.W.I. First Vice-President, Mrs. Le Baron, and other honored guests, therefore be it resolved, we express our thanks for their interest and co-operation in our W.I. work in the County.

* * * *

WHEREAS the County of Argenteuil W.I. appreciate the use of the Arundel Intermediate School for their Convention, therefore be it resolved that we extend our thanks to the School Board for this privilege.

* * * *

WHEREAS prizes have again been donated by the Agricultural Society for our Handicraft Exhibit at the Lachute Spring Fair, therefore be it resolved we tender them our hearty thanks for their interest in this project.

* * * *

WHEREAS the members of the Argenteuil County W.I. in Annual Convention are resolved to request that National Farm Radio Forum and also the Citizens' Forum plan one of their series of broadcasts for the coming year on Health, that the general public may

(Continued on page 3)

Cattle Losses Still Being Reported

Reports are still coming in from neighboring farmers of cattle being stolen from their premises. Mr. Gordon Doig, of R.R. 3, Lachute, and the M. and D. Smith Farm, R.R. 1, have also reported losses.

Police are investigating the thefts, but as yet, no important clues are evident.

Highland Cadets To Be Organized In Lachute

An effort is being made to organize in Lachute, a company of the Highland Cadet Battalion, of Montreal. This unit has been training teen-age boys for the last sixty years, and can claim a considerable number of "graduates" who served in all branches of the Canadian Armed Forces in the Boer War and the two World Wars. The boys are given a sound military training, but is not all warlike in its training schedule. There is ample time devoted to body-building sports, and to development of character and good citizenship.

If there are sufficient boys interested in joining the company, training will be carried out in Lachute one night a week, probably on Monday evenings, and once a month on Thursday night, the unit will be transported to Montreal, to participate in the Battalion Parade. Uniforms and equipment will be provided, and while as yet no definite place has been made available for drills, the necessary arrangements will be made as soon as conditions warrant.

The Battalion is commanded by Capt. E. Sproston, who joined as a cadet before the First World War, and the Lachute sub-unit, if formed, would be under the command of Lt. G. Tabrett, who also joined as a cadet in 1941, and who was Regimental Adjutant until 1948.

There will be an organizational meeting at Lt. Tabrett's home, 338 Main St., on Monday, May 22, at 8.30 p.m. for all boys who are interested. Prospective recruits must be between the ages of 15 and 18, in good health, and of a minimum height of 5'2".

Gatineau LINES

Thirty-two miles above the junction of the Gatineau River with the Ottawa, lies the Paugan plant of Gatineau Power Company — mightiest power producer of the Gatineau.

The Paugan plant has an installed capacity of 238,000 horsepower. Construction was started in 1926 and the plant took 26 months in the building. The water which turns its huge generators travels 75 miles down the Gatineau from its control point at Mercier Dam on Lake Baskatong. Paugan, by itself, could not regulate the rush of water down the river in the spring — that is the job of Mercier dam, high up the river, and of Cabonga dam even farther away.

The main concrete dam at Paugan is 900 feet long and 52 feet high, while a subsidiary dam containing the sluice ways through which surplus water can be spilled when necessary is 525 feet long and 35 feet high. In ordinary operation, 10,000 cubic feet of water per second rushes through the Paugan plant on the average, throughout the week, dropping 136 feet to force the turbine blades around.

The water is led to the turbines through seven separate penstokes — concrete lined tunnels 175 feet long and 17 feet in diameter ending in casements of heavy sheet steel. On the sluice way dam, six huge gates, each 50 feet wide, can be raised whenever it is necessary to spill extra water downstream without guiding it through the power plant.

While Paugan is thus a fine example of a highly efficient modern power plant operating in an electrical age, its roots go back into the earliest history of this country. The name "Paugan" is the white man's version of the Indian word "Opwagan" which means "smoking pipe". Long before anybody thought of anything like electricity — the flying spray of Paugan Falls prompted the Indians to name it "smoking pipe".

Today the "smoking pipe" of Paugan — now completely harnessed by steel and concrete and machinery — helps light homes and run factories hundreds of miles away.

Gatineau Power Company

The Paugan plant of Gatineau Power Company on the Ottawa River. This plant, with a capacity of 238,000 horsepower, is one of half a dozen large power producers of Gatineau Power.

Harvest Hay Early

It pays to cut hay early, for as the plants mature, fibrous, indigestible materials develop and the proportion of protein decreases. The proof of this is seen in the superior performance and growth of animals on early season pasture.

Authorities have proved that the total digestible material decreases by three per cent as red clover plants mature from full head to full bloom, and even more serious, digestible protein decreases 35 per cent. With timothy, the condition is even worse, and total digestible material decreases by 5.8 per cent and digestible protein by 42 per cent as the plants mature from full head to just past full bloom.

Weather records gathered over 36 years at the Experimental Farm at Nappan, N.S., show that the average temperature in July is a degree warmer than in August and that July has six per cent more sunshine and 16 per cent less rainfall than August. This is contrary to common belief that as the summer advances, the weather becomes more favorable for making hay. What does happen, says E. T. Goring, agronomist at the Farm, is that as the season advances and the plants mature, they become woody and dry and are easier to cure even in less favorable weather. But they have lost part of their feeding value.

This is a serious loss that no farmer can afford, Mr. Goring points out. It can be avoided by cutting the hay crop early, when the plants are at their best, when the digestible nutrients are at their peak and the proportion of protein is high. Made into hay or silage at this time, a nutritious high-protein home-grown feed is obtained.

Prospect for Horses

There has been a steady reduction in the number of horses in Canada for several years. This was reflected at Western horse sales this year where the supply of good well-broken, young horses was limited, although there was fair demand.

Many breeders are doubtful of future markets, but few will deny that there will be a market for some horses in Canada for many years to come. Increased mechanization of farm operations is never likely to drive dobbin entirely from the land. To have horses available in three to five years, farmers will soon have to start raising a foal or two.

The best mares should be selected for breeding; good sound, five to eight year olds which will produce strong healthy foals for several years. In addition to many good stallions owned by private breeders, the Department of Agriculture stands stallions at many of the Dominion Experimental Farms.

Mating "best to best" is good policy in horse breeding.

Auction Sale

Keeping Milk Records

Keeping a milk production record is almost a must for the efficient management and improvement of a dairy herd. Milk yields differ with different cows and what are thought to be good producers, often prove to be a disappointment when put to the acid test of a production record.

At the Experimental Farm, Nappan, N.S., each milking of every cow is weighed and recorded. And J. G. Crowe of the Farm, considers it is time well spent.

It makes for greater efficiency in feeding, as cows are fed grain according to their production. It soon gives definite knowledge of the profitable producers and provides a sure guide for the early disposal of the boarders. Daily milk weighing helps to detect sickness and also faulty milking, either by machine or hand. Often serious trouble can be avoided by giving special attention or treatment, when an unusual decline in milk is observed.

Above all, milk production records are a necessity in carrying out a herd improvement program. This can only be done successfully when heifers from the highest producing cows are kept for herd replacements. Records are a means of determining the ability of herd bulls to sire daughters of merit.

A SOCIAL VIRTUE

It is not always easy to be courteous and polite to all one comes in contact with in a day. Yet, courtesy is one of the greatest virtues to be cultivated and has great effect on the individuals one meets day by day.

AGAIN CANADA'S TOP TRUCK VALUES
NEW P·L ADVANCE-DESIGN TRUCKS
CHEVROLET

THE PERFORMANCE LEADERS
with 3 More Powerful Truck Engines

Canada's fastest selling trucks offer stepped-up power and performance with *three* great valve-in-head engines. On the hills or on the straightaway, they deliver the goods surely, swiftly, at low cost. Every new Chevrolet P-L truck gives you high pulling power to eat up hills and rough roads — and on the straightaway, high acceleration to cut down total trip time. Come in and see these great performance leaders today!

MORE HORSEPOWER . . . GREATER PERFORMANCE!
Chevrolet's three great truck engines now made even finer! New Power-Jet Carburetor and larger exhaust valves mean greater power-per-gallon — real mile-eating power that hauls the heavy loads on the roughest roads. Faster warm-up, faster pick-up, better low-speed operation, better hill-climbing are further features of new Chevrolet Valve-in-Head engines!

Price Leaders
From low selling price to high resale value, you're money ahead with Chevrolet trucks. Chevrolet's rock-bottom initial cost — outstandingly low cost of operation and upkeep — and high trade-in value — all add up to the lowest price for you.

Payload Leaders
Far ahead with lower operating costs per ton per mile. The rugged construction and all-around economy of Chevrolet P-L trucks cut running and repair costs — let you deliver the goods with real reductions in cost per ton per mile.

Popularity Leaders
Chevrolet trucks, for the last 12-month period, have outsold the next two makes combined — convincing proof of the owner satisfaction they have earned through the years — proof that Chevrolet is far and away the most wanted truck.

PLus Features
• THREE GREAT VALVE-IN-HEAD ENGINES: Load-Master, Torque-Master and Thrift-Master • THE NEW POWER-JET CARBURETOR • DIAPHRAGM SPRING CLUTCH • SYNCHRO-MESH TRANSMISSIONS • HYPOID REAR AXLES • DOUBLE-ARTICULATED BRAKES • ADVANCE-DESIGN STYLING • BALL-TYPE STEERING • UNIT-DESIGN BODIES • WIDE-BASE WHEELS.

Spotlight on Music, in Lachute

We have been following with interest the preparations for the Lachute Community Concerts Association campaign scheduled to open on May 22. Its success is certain, and this will give Lachute the distinction, along with several other Canadian cities, of having its own concert series under the guiding hand of Columbia artists. These are very commendable affairs from almost any point of view. A Columbia field representative organizes a campaign for subscribers; once set up, the group operates independently, handling their own money and choosing their own artists. They may spend their money as they see fit, are guaranteed a minimum of three concerts, and usually can manage to have them given in a local auditorium with a maximum of convenience. Membership is six dollars for the season.

Thus we have hundreds of people, who have perhaps never been to a recital before, being given an opportunity to enjoy a complete series of concerts within their own community and of their own choosing.

There are naturally certain restrictions. The funds must be budgeted to cover variously priced artists. And there is always the availability of the artists to be reckoned with circumstances and a tight schedule may well prevent the services of any artist being acquired for a precise date.

From the artist's viewpoint, these concerts give them a chance to earn a respectable living, with the business end of a yearly tour handled for them, not to mention the opportunity to build up a musical following from Newfoundland to Mexico, and the security of an organized series for several months of the year with adequate time remaining for further study and artistic development.

It has been interesting to note the choice of artists made by the Lachute subscribers, a sophisticated musical audience; a quick reckoning shows the diversity of talents heard locally.

It is a very encouraging sign. One of the greatest periods of musical activity and productivity was the 17th and 18th centuries, when music was a recognized part of the home and community life, and not a canned substance blurted at us only by radio and record. And with the increasing breach apparent, between the modern composers and their musical audiences, the greater the diffusion of live concerts and live listening experience, the larger the number of persons able to happily make music an integral part of their daily lives.

THERE are many forms of advertising today, and we might say that all of them are educational, for they impart knowledge to those who read them. Read the advertisements and see how interesting these can be and how much they tell you that you never knew before.

— Huntingdon Gleaner

Lachute Roads Referendum . . .

For several weeks now the Lachute Town Council has been discussing the condition of the town roads. . . It has been unanimous by the members that something drastic has to be done to improve the deplorable state of the local arteries.

It has been decided that a referendum be held on May 22-23, to give the council authority to borrow money for paving of the streets. Though final judgment rests with the rate-payers of the town, it is to be hoped that a large majority will favor the by-law, for the need is urgent.

There is only one criticism to make. The vote on the by-law should have been made earlier, for, by the time plans can be made, half the summer will be over. And it is hoped that the pavements will stretch from sidewalk to sidewalk, for a narrow lane centering the road will always prove problematic and possibly hazardous, as is found on the Brownsburg Road.

Outlawing Communists Not Best Way

The most effective, most desirable defense against communists in Canada is not to outlaw them. This point is resoundingly made by respondents to The Financial Post's current question-of-the-week. Such a move, they say, is likely only to make martyrs of the Reds, rouse sympathy for them, and attract adherents to their cause.

In general, The Post sums up, reader opinion is that an effective defence lies in an aggressive campaign to expose communist falsities; by a constructive educational drive to bring home to Canadians that free democracy is best; by promoting such excellent living and working conditions as will afford no opportunity in Canada for communism to take root and grow.

Said Blanche Marshall, president of the National Council of Women: " . . we would urge that Canadian organizations, government and voluntary, engaged in educational, health, welfare and economic activities should work more earnestly than ever to promote such good living and working conditions as will afford no opportunity in Canada for communistic propaganda to root and grow. Canadian Christian democracy must prove its superiority to any other way of life."

THE SPEECH-WORSHIPPERS

Nowadays it is getting so that a dozen Canadians cannot sit down to lunch or dinner together without the self-imposed torture of having . . . the guest speaker harangue them for 20 minutes or so on what happens to be his pet peeve . . . Certainly nobody can deny that the quality of luncheon and dinner speeches would be greatly improved . . . if the guest performer received a reasonable fee for his performances.

Granby (Que.) Leader-Mail

Income taxes to be paid by individual Canadians this year will total about six hundred million dollars, about one-fifth of all the money that will be collected by the various taxing authorities across the country.

— Quick Canadian Facts.

ONLY ONE TAXPAYER

It is incorrect to say that the Dominion has any greater sources of taxation than the provinces. Every government has exactly one source of taxation, and that is the income of the man on the street.

In the five years since war's end immigration to Canada has averaged about 90,000 persons a year. In the five years up to 1939, total immigration averaged about 130,000 a year.

* * * *

WHEREAS it is apparent that the interests opposed to our own government agency in the audio-visual aid fields are losing no time in bringing pressure to bear on the government — to the end that the services of the National Film Board may be curtailed to suit their purposes, and WHEREAS the National Film Board is the instrument provided by our Government through which the Canadian scene is effectively recorded and interpreted to our own people and the peoples of the world wherever National Film Board pictures are shown; and WHEREAS this vital producing and distributing agency is distinctly a Canadian Institution and essential to the rural communities which we represent, We, of the Argenteuil County Women's Institute in Annual Convention are resolved to register protest against the destruction of this institution which is so valuable to the interests and to the educational programs of our rural groups. This resolution is being sent to the Hon. Robt. H. Winters, Minister of Resources and Development, Chairman of the National Film Board.

* * * *

WHEREAS we are greatly indebted to Mr. J. S. Giles, who was unable to be at our Convention for the first time, and to the staff of the "Lachute Watchman" for their kindness in giving our Institute work so much publicity, be it resolved we tender them our hearty thanks and appreciation.

* * * *

WHEREAS the Arundel Institute have so ably convened for our luncheon today, be it resolved we tender them and their helpers our grateful thanks for the delicious meal.

* * * *

WHEREAS our Executive and retiring Officers have worked hard during their term of office, be it resolved we extend to them our appreciation of their endeavors and assure them of our co-operation during the coming year.

Respectfully submitted by the Resolutions Committee, Mrs. George Connelly, Convener, Mrs. M. Lacken, and Mrs. Alex Pollock.

SAVE THE PEOPLE

With northern military exercises now an essential part of the Canada-U.S. armed forces training, there seems to have been no provision made for northern civilians. It would be well to consider an "exercise" for these people — a plan for their survival — as an essential part of any grand strategy.

—The Pas (Man.) Northern Mail

Planned Saving
paid off for the Browns

The neighbors remember how sick young Donny was a few months ago, and how worried the Browns were. But they never guessed what a serious drain his illness had been on the family purse.

Wisely, the Browns had made it a rule to put something into their savings account, week by week, almost from the day they were married. So when they consulted their bank manager, their credit was good. With the help of a small bank loan, they were able to pay all their bills promptly. Now Donny is healthy again—and so is their bank account.

* * * *

Planned saving pays off, when bargains, opportunities or emergencies come along.

DISTRICT NEWS FROM OUR COUNTY CORRESPONDENTS

Cushing West

The Misses Myrtle and Myrna Gaston joined the delegation from Lachute High School on Wednesday and visited the Mint, Experimental Farm and Parliament buildings in Ottawa.

Mr. and Mrs. C. F. Watson, Sgt. and Mrs. M. Akeson also Miss Patricia Dowd, Mr and Mrs. N. S. Dowd, of Ottawa, and Mrs. Wm. Usher, attended a very pretty wedding in St. Jovite on Saturday, where Miss Rejeanne Brown of St. Jovite, was united in marriage to Mr. Webster M. Watson, Jr., of Maniwaki.

Mrs. Wm. Usher attended the Woman's Missionary Society at Lachute United Church on Wednesday and gave an interesting talk on Temperance and Christian Citizenship.

Mr. and Mrs. Alan R. Vowles spent Sunday at St. Eustache-sur-le-Lac with Miss Marjorie Vowles.

Mr. and Mrs. Floyd Innes, of Montreal, spent the week-end with the former's parents, Mr. and Mrs. John Innes.

Mrs. Roy Gaston, Mrs. John Douglas and Mrs. Alvin Heatlie attended the W.I. Convention in Arundel on Saturday.

Miss Virginia Derkis and Miss Grace McMeekin left recently to visit in New York for a week.

Mrs. Dr. M. Harbert accompanied by her uncle, Mr. James Cushing of Montreal, spent Sunday at their summer home.

Mr. and Mrs. R. Casement spent the week-end at the home of Capt. and Mrs. T. W. Weir.

Montrealers who were interested in the outcome of the municipal election and came up to cast their votes for their favored candidates included Mr. and Mrs. Lawrence Hartley, Capt. and Mrs. J. D. Weir, the Messrs. Douglas and Ernest Hartley, Miss Olive Hartley and Mrs. A. C. Pinkerton.

The poll in this locality situated at Grece's Point gave a very substantial majority to the three new candidates, Mr. C. F. Watson receiving 110 votes out of a possible 113, Mr. Lacasse 101 and Mr. N. Morrison 95 — a gratifying result for their friends.

St. Andrews East

Mr. and Mrs. Jack Muir, of Montreal, were guests of Mr. John Muir this week-end.

Mr. and Mrs. Peter Walker spent the week-end at their summer home in Carillon.

Misses Allison and Agnes Rodger visited their mother, Mrs. Geo. Rodger.

Mr. and Mrs. J. O. Bridge, and two sons, of Alexandria, Ont., were week-end guests of Mr. and Mrs. Rene Giroux.

Mr. and Mrs. Wilfred Fournier are moving into the house formerly occupied by Mr. and Mrs. Whitehead.

Miss Doreen Mason, of Brownsburg, was the week-end guest of Miss Audrey Entwistle.

Mrs. Wm. Simpson who spent the winter in the Barbadoes, has returned home.

Mr. and Mrs. John DeWitt, of Brockville, Ont., visited friends here on Saturday.

Mr. and Mrs. F. Whitehead have moved to Carillon, where they will be in charge of the Museum.

The Rev. Mr. Booth, of Montreal, gave a stirring address in the United Church, on the peace of a Christian faith in a world of confusion. A soprano solo was rendered by Miss Elsie Dorion.

The Mission Band held its closing meeting for the season on Monday afternoon in the Protestant School. A contribution of $8.00 was sent to the Rimouski Relief Fund.

Mrs. J. A. Bradley has been visiting friends in Montreal for several days.

Mrs. Jas. Burwash visited her son and daughter-in-law, Mr. and Mrs. Dawson Burwash on Sunday.

Weir

Week-end guests at the home of Mr. and Mrs. Wilfred Morrison included Mr. and Mrs. Murray Morrison, and sons Barry and Allen, of Hudson Heights, Mr. and Mrs. Bradley Morrison and daughter Glenna, of Verdun, and Mr. Glen Morrison of Ste. Therese.

We welcome to our community, Mr. and Mrs. Frank Craig and family, who have taken up residence in one of Mr. A. Azar's houses.

The sympathy of this community is extended to Mrs. Walter Golding and family, of Montreal, in the passing of Mr. Golding at the Queen Mary Veteran's Hospital on Sunday. Mr. Golding has a cottage on Round Lake and has spent his summer here for the past 20 years and since his retirement from the C.N.R. a few years ago has spent several months of each year in this community.

The christening of the infant son of Mr. and Mrs. Murray Morrison, of Hudson Heights, took place on Sunday afternoon at 4.30 in the Church of the Redeemer. The child was given the names Allen Dawson and Mr. and Mrs. Bradley Morrison, uncle and aunt, from Verdun, were god parents. The Rev. G. R. Barnett officiated at the ceremony. Immediately following the service, the paternal grandparents entertained at a luncheon at their home, where the Rev. G. R. Barnett and the immediate members of the family were present.

Miss Alma St. Onge, of Montreal, spent the week-end as a guest of her sister, Mrs. A. J. Kerr and Mr. Kerr.

Mr. Ray Craig, of Lakeside Heights, visited with his parents, Mr. and Mrs. E. J. Craig, on the week-end.

Mr. and Mrs. Dane Dubeau, of Ottawa, also Mr. and Mrs. Ken Bethune and daughter Judy, of Montreal, and little Patsy Laurin, of Huberdeau, were recent guests at the home of Mr. and Mrs. Doug. Williams.

Harrington

The May meeting of the Harrington Ladies' Aid met at the home of Mrs. J. Marshall.

Mr. and Mrs. H. Bennett spent Monday in Montreal. Their daughter Lois, returned with them to spend a month's holiday.

Several of the Harrington ladies attended the W.I. Convention in Arundel on Saturday last.

Mrs. V. McVicar spent Monday in Montreal.

Mr. and Mrs. Ross Swail were in Montreal on Monday.

Miss Isobel Fraser, of Lachute, and Mr. J. Shearman, of Montreal, are guests at the home of Mr. and Mrs. J. D. Shaw this week.

Miss Marjorie Shaw, of Montreal, was a week-end guest at the home of Mr. and Mrs. Geo. Bennett.

Bell Falls

Mrs. William McMahon is spending some time visiting with her son Mr. Thomas McMahon in Lachute.

Mrs. H. Barber and Mrs. C. Lacasse, called on the latter's parents, Mr. and Mrs. T. McNeil, on Tuesday.

Mrs. A. Conley has returned home after spending two weeks visiting friends in Lachute.

Mr. John Shearman spent a few days calling on friends in this vicinity this week.

Mrs. J. John is spending a couple of weeks with her sister, Mrs. J. C. Chalmers, in Smiths Falls.

Mrs. Ruth Mahon is spending some time in Calumet with Mrs. Hugh Mahon who is ill.

Guests of Mr. and Mrs. Joseph Page during the week-end were, Miss Hilda Page, of Montreal, and Mr. and Mrs. Guy Nixon, of Grenville.

Miss June McLeod of Kilmar, was the week-end guest of Mr. and Mrs. G. Campbell.

Miss Eleanor Fox was the week-end guest of Mr. and Mrs. T. McNeil.

The Misses Florence and Janet Provencal were guests at their home here.

A special service was held on Sunday afternoon in the Rivington Baptist Church. A quartet from the Toronto Bible School sang and conducted the service. Regular worship will be held each Sunday under the leadership of Mr. K. Davis, student pastor.

Service will be held in the Harrington United Church at the usual hour, 11 a.m. on Sunday. Mr. Colin West officiating. Sunday School prior to service at 10.15 a.m.

The Late John McMahon

On April 30th at his home in Rivington, Mr. John McMahon passed gently away. He leaves to mourn his loss, his wife (Hectorina Charlotte Fox) and one son, Clarence, also a brother James McMahon, of Verdun.

Mr. McMahon was ill only for a brief period of time before his passing. The funeral service was held in the Harrington United Church on May 2 at 2 p.m. The service was conducted by the Rev. F. W. Swackhammer, of St. Thomas, assisted by the Rev. Duncan of Brownaburg, and pastor Ellis of the Pentecostal parish church here. Interment was held in the Shaw Cemetery.

Pall-bearers were Messrs. John James, Jr., Robert and Thomas McMahon, Clarence Bennett and Henry McDonald of Maine.

Brownsburg

A young people's group representing the Montreal Young People's Executive Union, will take part in the United Church service next Sunday morning, with the Rev. S. J. Pike, at 11 o'clock. The service will have special interest for the senior classes of the Sunday School and their teachers.

An amateur night, which promises to be of exceptional interest from the standpoint of talent, sponsored by the Sunday School, is to take place next Monday evening, May 22, at 7.30, in the United Church. All classes will be represented in this notable event and three outside judges are invited to sum up the best talent on the evening performance. It will be an opportunity for parents and friends to enjoy a worthwhile entertainment.

Miss Ernestine Jane Cooper
daughter of Mr. and Mrs. David Cooper, of Westmount, (formerly of Brownsburg), who this month graduated from the Royal Victoria Hospital School of Nursing.

The infant daughter of Mr. and Mrs. Frederick Henry Carroll (née Alice Lena Gagné, formerly of Brownsburg), of Calgary, Alberta, was baptized at the service in the United Church last Sunday morning by the Minister, the Rev. S. J. Pike, receiving the name of Kathleen Maureen.

Mr. and Mrs. Alan Vowles, of Cushing, spent the week-end with the former's parents, Mr. and Mrs. F. Vowles.

About 27 W.I. members from here attended the annual convention of Argenteuil Women's Institutes which was held in Arundel on Saturday, May 13; all report a very interesting meeting.

The May meeting of the local Association for Girl Guides and Brownies was held in the school on Monday evening, when final plans were made for the Rally which is to be held at the Lachute Fair grounds on Saturday, May 20.

A very interesting play is to be presented at the Capitol Theatre on Wednesday, May 31, entitled "Dotty and Daffy"; this is under the auspices of the Ladies Guild of the St. George's Anglican Church. The children will also have the opportunity of seeing this play on Saturday, May 27, at 2 p.m. Local talent. Further particulars will be found in "Coming Events".

Mrs. Percy Martin is expected home from hospital this week; friends wish her a speedy recovery.

Mr. and Mrs. Alan Duguid, of Montreal, spent the week-end with relatives here.

Mrs. Chas. Roberts Passes at Brownsburg

The death of Mrs. Charles Roberts occurred on May 7th at her home in Brownsburg. She was the daughter of the late Mr. and Mrs. John MacDonald; she was born in Brownsburg, and was 74 years old.

The late Mrs. Roberts had eight children and is survived by her husband, two daughters (Maud) Mrs. Robert Taylor, and Ella, and four sons, Stephen, Sidney, Lloyd, of Brownsburg, and Robert of New York. One son, Norman, was killed in the 1st Great War and Alvin was killed in the second Great War. There are also 17 grandchildren, and 9 great grandchildren.

The funeral service was held at the Brownsburg United Church, Tuesday, May 10, the Rev. S. J. Pike officiating. The remains were borne to Lachute Cemetery.

Pall-bearers were—Ira McFaul, Carl Clausen, Carl Nett, James Low, Robert McVicar and John Roberts.

Local Detective Bereaved

The community of Lachute is sorry to hear of the death of Mrs. Philippe Therriault, wife of Provincial Detective Therriault, who passed away in the Notre Dame Hospital, Montreal, on Monday, May 15.

Being in ill health for some time, the late Mrs. Therriault was operated on in the hospital last April, and seemed to be making favorable progress. The funeral was held on Wednesday, in Montreal, and burial will take place at St. Lucie, near Rimouski.

Former Lachute Resident Dies at Shawinigan Falls

Mr. Gaston Desjardins, son of the late Mr. and Mrs. Gedeon Desjardins, formerly of Lachute, husband of Jeanne Proulx and brother of Mrs. Raoul Savage (Jeannine), died in Shawinigan Falls at the age of 47.

His remains are at the J. S. Vallee Ltd., undertaking parlor, 6662 St. Denis St., Montreal. The funeral service will be held at St. Cecile Church on Friday morning at 8.30. The burial will take place at the East Cemetery.

Grenville Consolidated School News

By Martha Richardson

The school term is drawing to a close very quickly; but five weeks remain. One would not need a calendar to learn this, just a quick glance at the youngsters busy at getting ready for the finals would suffice. Those who have not studied too much during the year are busy trying to prepare themselves for the June finals, by a hasty last minute dash.

The contractors have laid the foundations for the swings and see-saw. Just as soon as the concrete bases have set, the equipment will be in use. The wee folk are all keyed up over the prospect.

Last Friday night, the Teen Towners held a social evening. Badminton, and other games were played. Following this, dancing was next on the program. The evening was closed in the usual manner by refreshments. The teachers were in charge of the program.

With the arrival of spring, the playgrounds have sprung into activity. At one time can be seen three softball games, and a football game in action. In one corner of the field a group have set up horse-shoe pits. In another, a group are "skipping". It is indeed a very busy place at recreation periods.

The children of this school competed in the Music Festival. They are all quite happy at having won some of the awards. On all sides one can hear all about the wonderful day. They gained much from their experience and will be even keener than ever to take part in the festival next year.

The first meeting of the newly organized Cub Pack will be held Friday afternoon. Mr. MacGregor from Montreal will be in charge of the meeting. Four sixers, or, a pack have been formed. Your reporter extends her best wishes to the Cubs.

It is reported that there are several excellent fishermen in our midst. It is rumored that one or two have landed big trout. One and all would like to see or better still, find out just where these beauties are caught.

The film slide projector, recently purchased by the school, is proving itself in both amusement and instructional value. Film slides of the new type were borrowed from the Film Library and were shown to the children. The little people especially enjoyed Heidi and Alice in Wonderland.

The last dance of this school year is being held Friday night. It is for the purpose of raising funds for school activities. An advertisement appears in another part of this paper.

May 20th issue of The SATURDAY EVENING POST Lists the 900 top quality DRY CLEANERS of the SANITONE Family in North America.

L'Heureux

Lachute Dry Cleaners
Tel. 763

To the Ratepayers of the Town of Lachute

On May 22nd and 23rd there will be held a referendum to approve or reject By-Law No. 183 to authorize the Council to effectuate a 20 year loan of $100,000. to pave all the unpaved streets of Lachute and to install certain sections of sewer and waterworks before laying the paving, etc.

This loan will not call for any increase in municipal tax, since the Town is finishing this year to pay for certain previous loans and the amount used each year to redeem same will be available to pay the new loan with no increase in tax.

This declaration is based on a study of the financial position of the debt structure of the Town prepared by the Auditors, which report may be seen at the Town Office.

In order to avoid any misunderstanding, the vote is not taking place on the question of paving the streets from sidewalk to sidewalk, or paving for 20 feet only.

The vote is being taken on the By-Law as presented and if it is adopted, all the unpaved streets will be paved for an average general width of 20 feet.

If the By-Law is defeated, there will be no paving at all, since the cost of paving all the streets from sidewalk to sidewalk, together with the cost of other works connected with it, would amount to at least $400,000., which is a figure the Town is unable to contemplate.

It must also be remembered that there is the waterworks problem which is under study and which will require a solution shortly.

It is up to you to decide. LEOPOLD CARRIERE, Mayor

Aux Contribuables de la Ville de Lachute

Les 22 et 23 mai il y aura référendum pour approuver ou désapprouver le règlement No. 183.

Il s'agit d'autoriser le Conseil à emprunter $100,000. à 20 ans, pour paver toutes les rues actuellement non pavées dans Lachute, et pour faire quelques tronçons d'égouts et d'aqueduc avant de poser le pavage, etc.

Cet emprunt ne nécessitera pas d'augmentation de taxes; la raison consiste en ce que la Ville de Lachute finit cette année de payer des emprunts antérieurs et le montant qui servait à les payer servira à l'avenir à payer le nouvel emprunt sans augmenter les taxes.

Cette déclaration est basée sur une étude de la situation financière et sur la structure de la dette de la Ville préparée par les vérificateurs et que les contribuables peuvent consulter à l'Hotel de Ville.

Pour mettre les choses au point, il ne s'agit pas de voter pour un pavage de trottoir en trottoir ou de 20 pieds de largeur. Il s'agit de voter pour ou contre le Règlement tel que préparé.

S'il est adopté, le pavage se fera sur toutes les rues non pavées sur une largeur générale d'environ 20 pieds. Si le règlement est défait il n'y aura pas de pavage du tout; car un pavage de trottoir en trottoir sur toutes les rues de la Ville, avec tous les travaux annexés entrainerait une dépense d'au moins $400,000., ce que la Ville ne peut pas envisager actuellement, car il y a toujours le problème de l'aqueduc qui est présentement à l'étude et qui reste à régler.

A vous de décider. LEOPOLD CARRIERE, maire.

L'Heureux, Local Firm One of 900 Sanitone Users in North America

Progress has been the aim of the firm of L'Heureux, Lachute Dry Cleaners, and early in 1950, they became one of a family of 900 members of that industry in north America, to join the Sanitone method.

In May 20 issue of Saturday Evening Post, the Sanitone family is being mentioned, and the name of this local firm will appear with the rest of the "family".

Employing 14 of a staff, the L'Heureux Dry Cleaners have become a major industry in Lachute, and they are noted for service and guaranteed work.

Argenteuil Softball League Opened Sunday

All six teams of the Argenteuil Soft ball League went into action Sunday, and all three Lachute teams came out on the losing end.

At Brownsburg, the Malacket Spiders gave Boyd's Express a real trimming. The Brownsburg team being a well-organized team will give plenty of competition this year. J. Seary and E. Joly paced the Brownsburg team with five runs apiece. The home run honors went to E. Joly and P. Pilon with one each. The Brownsburg pitchers Y. Legault and B. Greely were at their best and both pitched a fair game.

The closest and best played game was in Upper Lachute, at the White Rose Field. The White Rose team winning by the score of 10-9. Beavers tied the game in the ninth but White Rose came through with a run to take the game. Home runs were scored by Dougan of White Rose, and F. Poirier of the Beavers.

In Lachute, the Tigers of Upper Lachute, trimmed Bluebirds 15-11 in another well-played game. Both teams were at full strength, but the Tigers were a little too good for the Bluebirds. Being the first games of the year, there will likely be some changes when all six teams go into action again next Sunday.

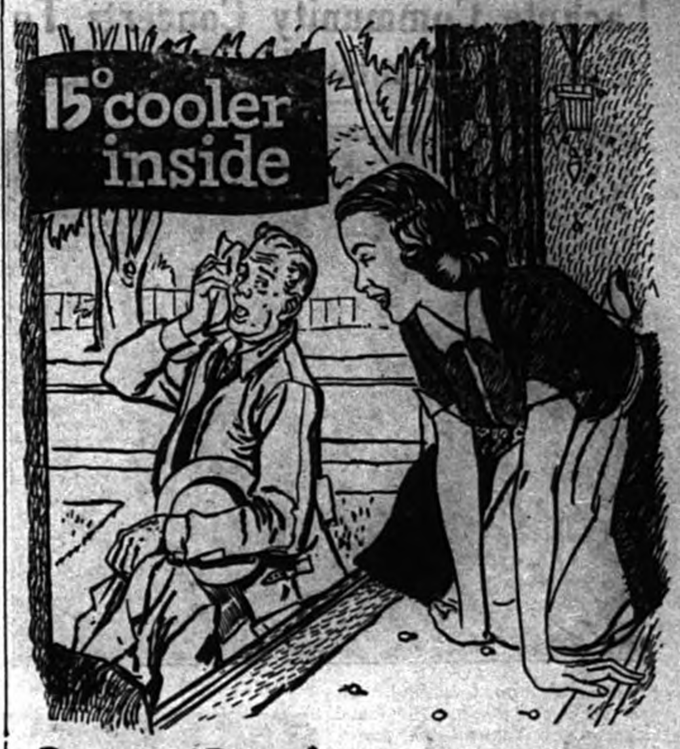

The biggest disappointment was the very poor attendance of spectators at these games, and it is hoped that the public will be more responsive in future. Below is the schedule for next Sunday.

White Rose will visit Tigers at Moore's playing field. Bluebirds and Malacket Spiders at Brownsburg. Boyd's Express will play Beavers at Wilson's ball park. All games to commence at 2.00 p.m. sharp.

Team Standing

	P	W	W	P
Malacket Spiders	1	1	0	2
White Rose	1	1	0	2
Tigers	1	1	0	2
Beavers	1	0	1	0
Bluebirds	1	0	1	0
Boyd's	1	0	1	0

Grapefruit are so-called because they sometimes grow in clusters.

Because of Barrett Rock Wool Insulation

Step out of the broiling sun into a house that's as much as 15° cooler than outdoors. There's real summer comfort. Yours—when you insulate with BARRETT Rock Wool.

And insulation works the year around. Wintertime fuel bills are as much as 30% lower in a Barrett-insulated home. Family colds are fewer—rock wool insulation gets rid of chilly drafts and "cold spots".

Fire danger is lessened, too, when a fireproof layer of BARRETT Rock Wool guards your home. Insulate your house this month. BARRETT Rock Wool comes in Batts, Blankets and Granulated "blown-in" forms.

A NEW ROOF costs less than you'd guess! Ask about sturdy BARRETT Asphalt Shingles. See their new colour harmonies! For farm buildings, get hard-wearing Barrett Storm King* Roll Roofing.

STOP LEAKS with Plastic Elastigum* Cement. Seals flashings, ideal for patching. A thin coating of Liquid Elastigum* Cement re-seals old roll roofings.

NEW—*Ready-to-use* Barrett Silvex* Aluminum Paint. No mixing! Tough, protective finish reflects light and heat . . . resists moisture, corrosive fumes, salt spray.

Your Barrett dealer sells Protection *Plus*

He stocks a complete line of roofing, insulation and weather-proofing materials. He's got what it takes to stop almost any weather. Whether your problem is leakage, seepage, rust or rot—see your Barrett dealer first!

DESERVE SUPPORT

Firms and institutions that advertise in home town newspapers deserve support because they make it possible to publish newspapers that are not afraid to give any loyal citizen a place to voice a just complaint or make a worthwhile suggestion for the public welfare.

— Val d'Or (Que.) Star

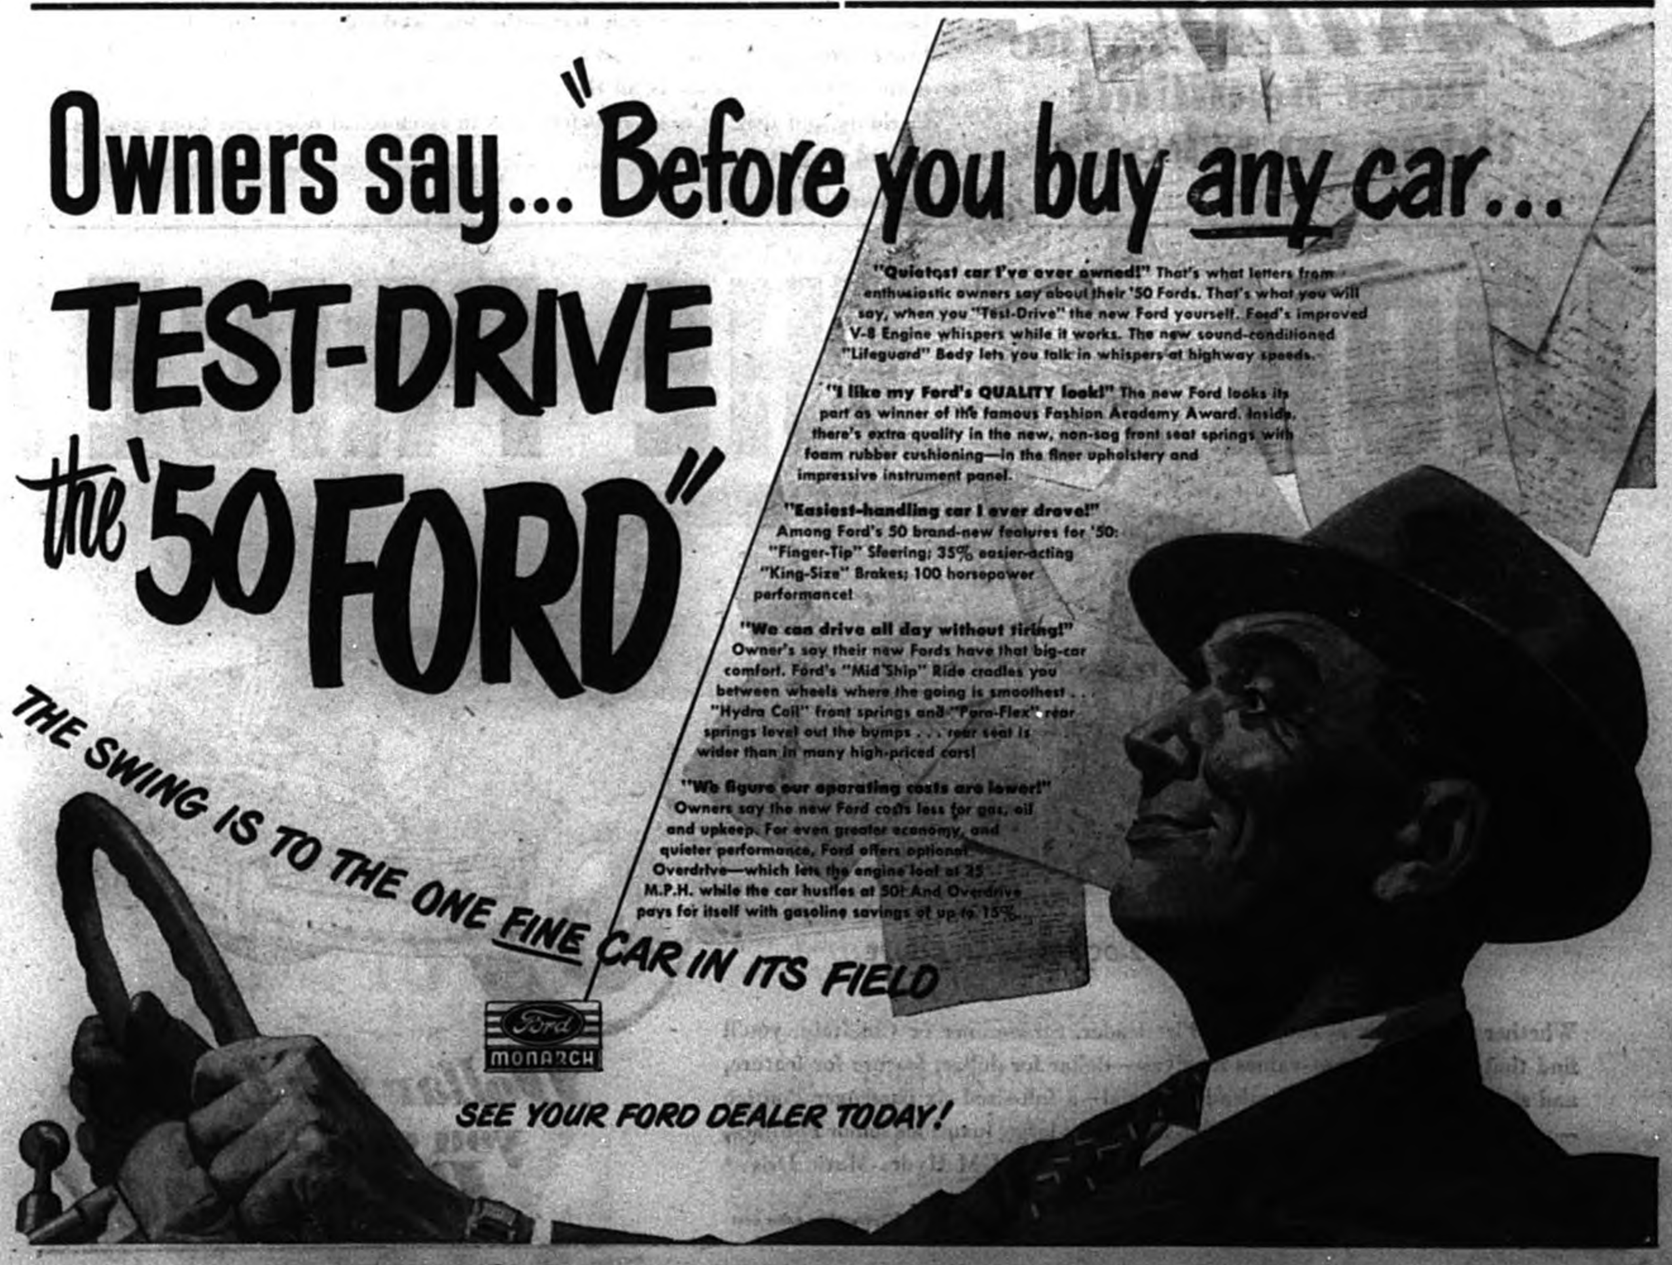

BRITISH SCOUTS FOR U.S. JAMBOREE

A patrol of eight King's Scouts will represent Great Britain at the American Boy Scout Jamboree at Valley Forge, Pennsylvania, next June 30 to July 6. Every Canadian province has been invited to send representatives. In all, some 40,000 Scouts from 45 countries will attend.

Owners say... "Before you buy any car..."

TEST-DRIVE the '50 FORD"

THE SWING IS TO THE ONE FINE CAR IN ITS FIELD

"Quietest car I've ever owned!" That's what letters from enthusiastic owners say about their '50 Fords. That's what you will say, when you "Test-Drive" the new Ford yourself. Ford's improved V-8 Engine whispers while it works. The new sound-conditioned "Lifeguard" Body lets you talk in whispers at highway speeds.

"I like my Ford's QUALITY look!" The new Ford looks its part as winner of the famous Fashion Academy Award. Inside, there's extra quality in the new, non-sag front seat springs with foam rubber cushioning—in the finer upholstery and impressive instrument panel.

"Easiest-handling car I ever drove!" Among Ford's 50 brand-new features for '50: "Finger-Tip" Steering; 35% easier-acting "King-Size" Brakes; 100 horsepower performance!

"We can drive all day without tiring!" Owner's say their new Fords have that big-car comfort. Ford's "Mid-Ship" Ride cradles you between wheels where the going is smoothest . . "Hydra Coil" front springs and "Para-Flex" rear springs level out the bumps . . . rear seat is wider than in many high-priced cars!

"We figure our operating costs are lower!" Owners say the new Ford costs less for gas, oil and upkeep. For even greater economy, and quieter performance, Ford offers optional Overdrive—which lets the engine loaf at 25 M.P.H. while the car hustles at 50! And Overdrive pays for itself with gasoline savings of up to 15%.

Lachute Community Concerts To Sponsor Membership Campaign

Remember that wonderful Concert when the five beautiful and talented girls known as the Barry Ensemble was in Lachute, and that never-to-be-forgotten night when the Teitchik Brothers performed for us on their two pianos? This is a reminder that another series of concerts, just as good or better, is now being planned. The campaign for membership is to begin next week, May 22nd. If a worker does not call on Monday or Tuesday, telephone campaign headquarters, the Bedard Ltée Store, and make sure of your membership for next year. Remember this will be your only opportunity to continue to enjoy these musical treats.

Four Young Farmers Touring U.S.A.

Recently four young Ontario farmers set out on a tour of inspection of some of the outstanding agricultural projects in the United States. This interesting adventure is the prize they won in the Salada Tea event at last year's International Plowing Match.

They will visit the famous Tennessee Valley development, the laboratory of the Ohio Breeders Co-Op Association, the Muskingum Watershed Conservancy District, the renowned Malabar Farm of Louis Bromfield and famous Universities like Cornell, Ohio State, and Kentucky.

Their trip will take them through some of the most beautiful mountain country in the eastern states and will include a tour of the city of Washington and a week-end in New York City.

Altogether the boys will travel about three thousand miles and they should have a story to tell when they return.

The party consists of Earl Bacher, of Cayuga, Robert Nixon, Hagersville, Eugene Timbers, of Milliken, Norman Watson, of Woodbridge, and A. G. Skinner, Ontario agricultural representative at Cayuga, who will conduct the group.

Salad Tea Company is sponsoring the trip as a good will gesture toward the enlightenment of young farmers in soil conservation, cattle breeding, and farming in general.

EQUALITY FOR WOMEN

Women the world over are well on their way to gaining political equality with men. A report, issued from United Nations headquarters reveals that equal rights have been gained, and are now protected by law, in at least 52 nations. In the U.N. organization itself, however, women still have a tough row to hoe. All choice positions have fallen to the men.

SCOUT HERO'S THREE WISHES GRANTED

Awarded a Silver Cross for life saving, 13-year-old Scout Walter Olney of Slave Lake, Alberta, recently visited Edmonton as the guest of the Edmonton Boy Scout Council. During the radio broadcast he was asked to name three things he wished he could do while in Edmonton. Like magic his wishes were granted: He had a plane ride as guest of the Edmonton Flying Club, rode in a police motor cycle side car (with the siren going), and slid down the big brass pole at a fire station.

Arundel

(Intended for last issue)

Mr. Stanley Cooke spent the week-end at the home of his parents, Mr. and Mrs. Hugh Cooke, who also had as their guests, Messrs. J. Groom, V. Secrett, R. Arthur and D. Mackay.

Mr. and Mrs. Roy Cooke accompanied by Mrs. T. Sevegny and son, spent the week-end at their cottage.

Mr. and Mrs. Alvin Graham, Mr. and Mrs. P. Gordon and Ivan Rathwell, attended the graduating exercises of Grade XI at Lachute. Among the graduates were Miss Lois Gordon and Earle Graham, both residents of Arundel.

Mrs. Hugh Cooke, Mrs. S. Cooke and Mrs. L. Cooke were joint hostesses at a shower held on Tuesday at the home of Mrs. Leslie Cooke, for Miss Jean Morrison, where about twenty guests gathered to wish the young guest of honor "good luck" and present her with gifts of remembrance. Tea was poured by Mrs. Wm. Morrison and the guests were served by the joint hostesses.

The Ladies' Aid held their regular monthly meeting in the United Church Hall last Wednesday, the president, Mrs. P. Staniforth presiding at the business portion of the meeting. The meeting was opened with devotional exercises which were taken by Mrs. Frank Davis, first vice-president. The highlight of the business was arranging for the convention of the United Church Missionary Society who will be guests of the United Church Ladies' Union, May 31. Tea was served at the close of the meeting by Mrs. J. Moncrieff and Mrs. Alfred Staniforth as joint hostesses.

Mrs. C. J. Staniforth is a guest at the home of Mr. and Mrs. Percy Staniforth.

A tired but happy group of scholars returned home in Arundel after participating in the first Musical Festival at Lachute. It was quite an experience and from the moment they arrived at the Lachute High School, the pupils were taken care of and everything from refreshments to amusements was carefully planned out.

We as a unit would like to convey our sincere congratulations to the organizers of the Festival for the smooth efficiency with which the program was carried out and the splendid organizing for transporting the contestants to Lachute. We sincerely hope we will be able to take part in a similar festival next year.

Miss Viola Moncrieff and Miss Mary MacArthur spent the week-end at their respective homes.

Mr. and Mrs. Arthur Scott, accompanied by Mrs. Leonard Rathwell, motored to Harrington last week to attend the funeral of the late John McMahon.

We have just received a report that the ice went out of Barkmere last week. Quite a few of the Barkmere residents were at their cottages over the week-end putting their houses in order for the coming summer season. Among those noticed were Mr. and Mrs. L. Owens, Mr. Henry, Mr. H. Gelenas and guest, Mr. and Mrs. Carruthers and son, Mr. and Mrs. A. Neale, Mr. Bedbrooke and daughter, Mr. and Mrs. Howard Cooke and Mr. Frank Jarvis, accompanied by guests.

Fleet Owners Know Why —

3 out of 5* SWITCHED TO B.F.Goodrich FROM SOME OTHER BRAND

Mr. S. V. Martin, President, Strathdee Transport Ltd., Toronto, states: *"B.F.Goodrich tires give us what we must have — long, trouble-free service at bedrock cost per mile."*

**A nation-wide survey of the tire customers of B.F.Goodrich dealers from coast to coast shows — that 3 out of 5 B.F. Goodrich tire buyers switched from some other brand.*

Why did they switch?

Fleet owners can tell you why they switched ... because B.F. Goodrich tires stand up under all driving conditions ... *help keep operating costs DOWN.* Motorists in other walks of life switched to B.F. Goodrich for greater mileage, extra safety, easier riding ... for superior performance assured by B.F.G. research and manufacturing skill.

Cooler-running, longer-wearing rubber compounds ... superior tread and body design, have come from B.F. Goodrich research. They are good reasons why B.F.G. offers you most for your money.

There's a friendly B.F.G. tire dealer near you. He's one of the B.F. Goodrich family of 5,000 trained tire specialists who will help keep your tires in first class condition, the year 'round.

Ask him to show you the new B.F.G. Silvertowns and the famous Seal-o-matic safety tubes that seal punctures instantly ... permanently, *as you ride!*

See him today!

LOOK FOR THE PENTAGONAL SIGN that identifies your friendly B.F. Goodrich Dealer

If your new car, truck or tractor is equipped with B.F. Goodrich tires, take advantage of your dealer's free tire inspection service for long, trouble-free mileage.

Makers of Tires • Batteries • Automotive Accessories • Rubber Footwear • Industrial Rubber Products and Koroseal

5-3A

"I wanted more mileage for my money, so I switched to B.F. Goodrich. I've driven 20,000 miles and my B.F.G. tires look good for as many more." F. H. Landon, Fort Rouge, Man.

"I drive 1,000 miles a week over rough back roads. Since I switched to B.F. Goodrich I've enjoyed complete freedom from all tire troubles." J. Duvall, Ottawa, Ont.

"A friend urged me to switch to B.F. Goodrich and enjoy extra blowout protection thanks to B.F.G.'s stronger sidewall construction and thick, road-gripping tread." P. W. Bell, Victoria, B.C.

"I've had B.F. Goodrich tires for 9 years ... drove the first 6 before I had a puncture. They're tops for long, dependable service." Mrs. V. Heatherington, Vancouver, B.C.

"I got record mileage from my last set of B.F. Goodrich tires, so naturally I bought B.F.G.'s again." M. R. Henderson, Winnipeg, Man.

Sports Camera ... Baseball in the Lens

Specially Written for The Lachute Watchman By Wally Izsak

It's a natural reaction for a baseball fan to feel disappointed when a batter strikes out during a crucial part of a game. He may even deride the player for failing to hit safely. But actually the batter doesn't deserve it, for the odds are all against him getting that hit.

Even in big-league ball any player who hits more than three times in 10 trips to the plate is considered a heavy hitter. If he strikes out a few of the other seven times it's small wonder, for the pitcher has a great advantage over him.

The reason for this is that the hurler has a large stock of pitches. It would be impossible to make an accurate count — various pitchers have developed throws of their own — but somewhere between 20 and 30 would be a good guess as to the number of ways of serving the ball up to the batter.

Basically, most pitchers have the same stock — curve, slider, knuckleball, fastball, blooper, sinker, and so on. But each of these pitches has variations of its own.

It wouldn't be too difficult for a batter to get used to these if the pitcher didn't have something else — perhaps the most important — to work with. And that is the change of pace. Each of these pitches can be thrown at varying speeds to confuse any batter who might fathom the regular throws.

Matter of Timing

The hurler might, for example, pour fastballs past the batter for awhile. But the batter soon will time the speed and start banging away.

But if the pitcher changes the pace — or speed — of his throws, the batter will remain confused in his timing. This applies not only to a fastball but to all the others as well.

To get back to the variety in ways of throwing any certain pitch, let's take the curveball as an example.

It, too, depends a great deal on change of pace. And that change of pace may be applied to fast curves and slow curves, sharp curves and little curves, drop-away curves and curves that cut the corner, overhand curves and side-arm curves. The batter has to judge these to hit successfully.

The knuckleball, it's said, is just about the most confusing of all pitches. Not even the pitcher or catcher can tell what will happen when the ball reaches the plate. It may break either to the right or left or it may drop or rise. Its action is said to depend on air currents around the plate.

However, the odds against a batter aren't as black as they might appear, for few pitchers have mastered all the various forms of pitching. The veterans, naturally, are the trickiest because of their experience. Some veterans depend solely on change and control twirling after having lost the zip in their fastball, leaving the speed to the youngsters.

DISTRICT NEWS FROM OUR COUNTY CORRESPONDENTS

(Intended for last issue)

Mabel

Mr. and Mrs. Herbert Tasse, of Montebello, visited Mr. and Mrs. Douglas Clark during the week-end.

Mr. and Mrs. Thos. MacCullough, of Montreal, spent a couple of days last week with Mrs. George Murdoch, Sr.

Mr. Keith Cooke spent Friday in Montreal.

Congratulations are extended to Mr. George Clark who celebrated his eightieth birthday on Wednesday of this week. Mr. and Mrs. Perley Clark entertained his family in his honor on Sunday afternoon.

Mrs. John Heatlie Sr. spent a few days in Ottawa, attending the Baptist Women's Convention.

Mr. and Mrs. Douglas Clark were among those from this district who attended the Convocation of the Presbyterian College of Montreal, held in Kildonan Hall last week.

Lake Keatley

Mr. and Mrs. Walter Young, of Montreal, were week-end guests of Mr. and Mrs. G. Campbell and Mrs. Pauline Young.

Mrs. Albert Stewart and son, Douglas, are spending a few days in Montreal visiting friends and relatives.

Miss E. Young accompanied by Mr. Edmond Cruise, of Lachute, spent the week-end as guests of Mr. and Mrs. Dick Young.

Mr. and Mrs. G. J. Bennett and son, Stewart, are at their "Echo Valley" Camp for the summer months.

Officer and Mrs. Howard Jones, and family spent Sunday at "Hedgerow Cottage" as guests of Mr. and Mrs. D. McVicar.

Messrs. Fred Parent, Norman Parent and James Decarie, of Montreal, spent the week-end at "Oak Bend Cabin".

Cushing West

Mr. and Mrs. Allister Innes, and family, of Montreal, spent the week-end with the former's parents, Mr. and Mrs. John Innes.

Capt. and Mrs. J. D. Weir, of Grenville, spent the week-end at their summer home.

Mrs. T. W. Weir returned from Montreal and had as her guests for the week-end, Mr. and Mrs. A. Stalker and family, also Ricky and Tommy Casement, with the two boys remaining for the week.

Rev. and Mrs. A. G. Moore motored to Hartford, Connecticut, on Monday and will spend a three-week's vacation with the former's brother and family, Mr. and Mrs. William Moore.

Dr. R. Marbert and Mr. Charles Kelly, of Montreal, spent Sunday at the Doctor's residence.

Miss Katie Whelehan, of Montreal, spent the week-end with her aunt, Miss M. Whelehan.

Miss Pearl Dawson is spending a few days with Mr. and Mrs. C. F. Watson this week.

Miss Olive Hartley, of Montreal, accompanied by Mrs. C. Armstrong, Mrs. Paintin and Mr. R. D. Hartley, spent Sunday at the Hartley residence; Mr. and Mrs. E. Hartley and daughter, Doreen were also guests on Sunday.

Mr. and Mrs. J. Bissett and son, Tommy spent the week-end at their summer home.

Mrs. Aurele Brosseau, of Rouyn, Que., was a guest of Mr. and Mrs. Sylvester Robert, of Grece's Point, during the week-end.

Miss Jean Geneste and Miss Ora Watson spent the week-end at their respective homes.

Mrs. Donald Chase and daughter, Betsy, of Port William, N.S. spent the week-end with Mr. and Mrs. Vincent Elliott.

Mr. J. McDowall and Miss Annie McDowall, spent Sunday at their summer home.

This community wishes to congratulate Mr. Floyd Innes, B.A., who has been in the employ of the Sun Life Assurance Company for the past 23 years, and who received the honor last week of attaining the position of assistant treasurer of that firm.

Mr. and Mrs. John Innes were pleasantly surprised on their 51st wedding anniversary on Thursday last, when the members of the congregation of St. Mungo's United Church gathered at the manse, where Mrs. A. G. Moore presented Mrs. Innes with a bouquet of red roses and Rev. A. G. Moore presented Mr. Innes with a copy and subscription to the National Geographic Magazine, with best wishes for their future happiness, as a token of appreciation for their services, which they have so graciously and untiringly given to the church all these years.

WORTHWHILE ORGANIZATION

The recently-organized St. Vital Chamber of Commerce is ready to play an important part in fostering the welfare and progress of the community. Such an organization should receive the maximum of support from individuals and business men.

— St. Vital (Man.) Lance

TO TEACH AGRICULTURE

Announcement that a program of vocational agriculture will be established in several high schools throughout British Columbia is welcome news to the farm community. This is a need which has been felt by farmers for a great many years.

— Armstrong (B.C.) Advertiser

Around the Home . . .

TOM GARD'S NOTE BOOK

Our new neighbours moved in yesterday and we had fun watching them start immediately to fix up the interior to suit themselves. With the house shortage being what it is, I didn't think it would take long to find a tenant. I have met the man of the house, "Red" Breast, but not his good wife—she was too busy! The two robins must have liked the shelter I put up for them in the early spring as they have decided to stay.

Most of our feathered songsters will be returning soon and looking for a nesting place. Help ease their housing problem by building one or two of the houses illustrated. Weathered wood without paint is a satisfactory building material. It's wise to stay fairly close to the dimensions as given in the booklet "Around the Home".

Doorways

Does your doorway extend a welcome? It's a most important feature of the home that can be made very attractive by an arrangement of flowering shrubs for summer, ornamental evergreens for winter effect, and climbers. Perennial plants are best for the man who owns his property, annuals for the one who rents.

Rock Gardens

I spent two enjoyable hours in The Botanical Gardens last week admiring their beauty, listing some of the plants that are in bloom even at this early date, and getting some ideas for rock gardens. When asked what can be done with a sloping bank my usual suggestion is to build a rock garden. When carefully planned and executed, it's a decided asset to your property. You'll find directions and a list of plants that can be used in the booklet "Around the Home".

For more about bird houses, rock gardens and many other ideas, write to Tom Gard, c/o Dept. A., MOLSON'S BREWERY LIMITED, Post Office Box No. 1600, Place d'Armes, Montreal, Quebec, for the illustrated booklet "AROUND THE HOME"

DALESVILLE AND BROWNSBURG REGULAR BAPTIST CHURCHES
(See Church notices for details)

Mayor Carriere's Report

(Continued from page 1)

house has been closed and cleaned up before being reoccupied, and many houses have been provided with water and toilet facilities that did not exist previously.

The council has also taken its responsibilities in prohibiting the operation of fried potato wagons in all that section located North of the C.P.R. property, between the North River on the West side and the Town limits on the East side. This decision will enable the Town to maintain the cleanliness of Main Street and to ease the parking problem on that section of the street. Garbage collection has certainly been satisfactory if one judges the very few complaints made during the year in regard to same.

Relief and Donations

There have been some relief cases and as usual, without in any way being legally obliged to do so, the Council has been humane and generous. There has also been quite a number of hospital cases that have been taken care of by the Town. It is noticeable however that many of our citizens are protected in this regard by the Blue Cross or some other accident and sickness group insurance. It is our hope that in the near future all our working class may be protected by some similar plan.

The Council has also made various donations to several groups and in each case I think that we have been generous without going to extremes.

Auditorium, Park, City Hall

For the Auditorium, sometimes called a "White Elephant", we had to purchase 200 chairs. We also had to effectuate repairs of minor importance.

The bandstand in the Park has been repaired.

Our Memorial Park which is given a new supply of flowers every spring may be rather modest in size, but certainly adds a bright and cosy effect to our Town.

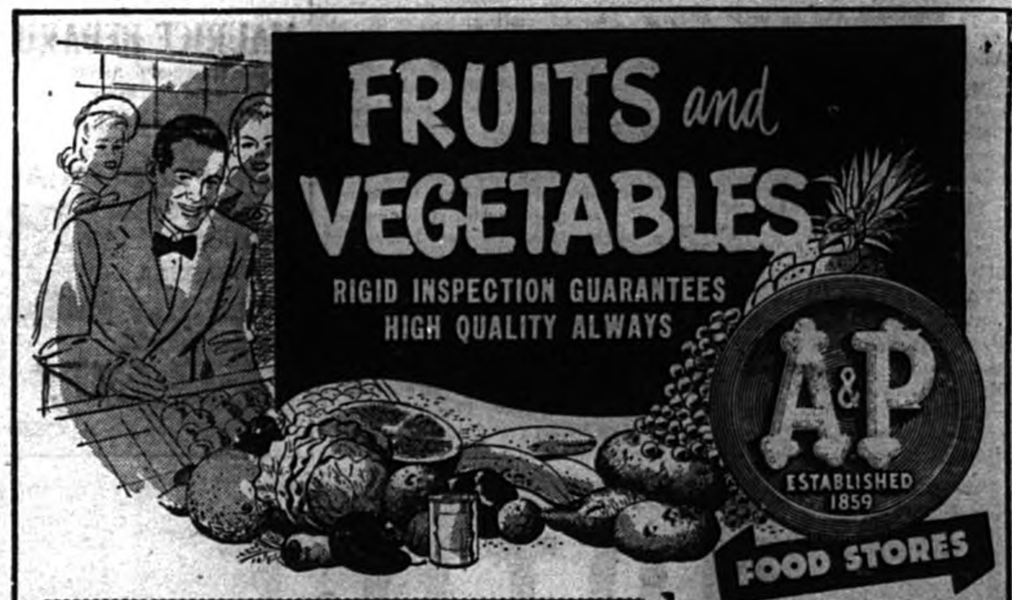

In connection with City Hall there is no change from the outside, but a pleasant surprise awaits anyone who expects to see the old Victoria Hall in all its past ugliness and untidiness. The inside has been completely renovated from top to bottom and at a very moderate cost.

The Police Department has its own quarters in the City Hall, including an office with the proper equipment, call hall with two steel cells painted with aluminum. This hall is well lighted and ventilated. There is also a private room which may be used as a private office. It is possible that one may question the advisibility of all that money being spent on an old building. With the majority of the citizens we do believe that Lachute is due for a new City Hall, but also that Lachute is due for improvements to the waterworks and paving of streets. It has been thought wise to look after the waterworks and streets first and to arrange the City Hall quarters so as to be used for a few more years.

We fill prescriptions with utmost care and accuracy.

"This Beautiful Earth, in God's Purpose."

Our kind, loving Creator of the heavens and the earth, whose name alone is Jehovah (Psalms 83:18). . . In His book, the Bible, He says "The heaven is My throne, and the earth is My footstool: I will make the place of My feet Glorious. (Isaiah 66:1, 60:13.)

LITERAL EARTH TO ABIDE AND BE INHABITED FOREVER

Gen. 1:1: "In the beginning God created the heaven and the earth".
Isa. 45: 18: "For thus saith the Lord that created the heaven; God himself that formed the earth and made it; he hath established it, he created it not in vain, he formed it to be inhabited".
Eccl. 1:4: "One generation passeth away, and another generation cometh: but the earth abideth for ever".
Ps. 37: 11, 29; Matt. 5:5: "The meek shall inherit the earth: and shall delight themselves in the abundance of peace. The righteous shall inherit the land, and dwell therein for ever".
Ps. 78:69: "He built his sanctuary like high palaces, like the earth which he hath established for ever".
Ps. 115: 16: "The heaven, even the heaven, are the Lord's: but the earth hath he given to the children of men".
Ps. 119: 90: "Thou hast established the earth, and it abideth".
Prov. 2: 21, 22: "The upright shall dwell in the land, and the perfect shall remain in it. But the wicked shall be cut off from the earth, and the transgressors shall be rooted out of it".
Prov. 10: 30: "The righteous shall never be removed".
See also: Ps. 104: 5; Isa. 60: 21.

DISTRICT NEWS FROM OUR COUNTY CORRESPONDENTS

Cushing

Mr. and Mrs. M. Burton, and family, of Montreal, were guests of the Misses Cleland on Sunday.

Mr. and Mrs. A. Hooper and family, of Montreal, spent Sunday at their summer home here, "Cedar Ridge".

Mrs. W. H. Canning spent the earlier part of the week with her daughter, Mrs. George Drew, of Verdun.

Mr. and Mrs. J. C. Dougall and little son Graham, of Verdun, were guests of Mr. and Mrs. Archie Graham for the week-end. They were also dinner guests on Saturday of Mrs. A. J. Scott, of Lachute.

Mr. and Mrs. Floyd Innes, of Montreal, were Mother's Day guests of their parents, Mr. and Mrs. J. Innes.

Rev. Mr. Booth, of the Bible Society had all of the four services in the United Churches of St. Andrews East, St. Mungo's, Grenville and Calumet, and was the dinner guest of Mr. and Mrs. T. W. Weir.

Mr. and Mrs. F. Pitt and family of Montreal spent the week-end at their summer cottage here. Mr. and Mrs. L. R. McGain, of N.D.G. Montreal, also occupied their summer home for the week-end. Mr. and Mrs. A. Hollingsworth and little son were Sunday guests of Mr. and Mrs. McGain.

Miss Grace Hartley, R.N., of Hawkesbury, was a Sunday guest of her brother, Mr. C. J. Hartley.

Rev. and Mrs. Burman, of Birchton, visited a great many of the homes of their former parishioners in Cushing on Wednesday, and were luncheon guests of Mr. W. Y. King.

Mrs. Jean Robson of Montreal paid a visit to her Cushing home on Saturday.

Mr. and Mrs. Gerald Cushing and little daughter also Mr. and Mrs. R. Coghill of Montreal, were at the Cushing Millside Cottage for the week-end.

On the evening of May fourth the congregation of St. Mungo's Church honored Mr. and Mrs. John Innes with a surprise anniversary party held at The Manse. Mr. and Mrs. Innes having been married 51 years on May 3. Mr. and Mrs. Moore made the presentations on behalf of the congregation. The gift to Mrs. Innes was a dozen lovely American Beauty roses and a subscription to the Geographic Magazine for Mr. Innes. Mr. Innes expressed the surprise and grateful thanks of both Mrs. Innes and himself very fittingly.

Mr. and Mrs. E. Hodgson, Mr. and Mrs. D. Hodgson and niece, Nelly Hodgson, of Hudson Heights, were guests of Mr. and Mrs. I. H. Fuller on Sunday.

The guests at the home of Mr. and Mrs. A. Graham on Tuesday were Mrs. N. Dowd, of Ottawa, Mr. Bob Maw, of Montreal, and Mrs. F. Allman, of Carillon.

Guests at the home of Mr. and Mrs. L. D. Smith on Sunday were, Mrs. James Chambers and Miss Margaret Lewthwaite, of Montreal, also Mr. and Mrs. Wm. Bromby, of Montreal. The Misses Ruby and Eileen Smith, of Brownsburg, were Mother's Day guests of their parents.

Mrs. Roy Dobbie accompanied Mr. and Mrs. L. Griffith and Mrs. J. Warwick, of Lachute, to Montreal, on Friday and spent the day.

A Buick car occupied by two young men from St. Placide crashed the railing of the small bridge spanning the creek that runs by Mrs. Robson's summer home and rested among some boulders at the creek side. The accident occurred in the very early hours of Sunday morning and awakened some of the families in the neighborhood.

Avoca

The Misses Ethel and Evelyn Arthurs with friends, spent the week-end at their home here.

Mr. Garnet MacLeod and Miss Jean MacLeod of Montreal, visited their parents over the week-end.

Mrs. Ewart Carson and little daughter of Ottawa, spent Sunday at the home of her mother, Mrs. Jos. J. Young and Mr. Young.

We are very sorry to report the serious illness of Mrs. Walter Kelly which has necessitated her being removed to the Royal Victoria Hospital in Montreal.

The sympathy of this community is extended to Mrs. A. Young and family in the loss of their husband and father. Also to the two sisters, Mrs. Clarke of Grenville and Mrs. R. McIntyre of Calumet, and brother Alex of Port Arthur.

The baptist church will open on Sunday May 21, with a student from McMaster University in charge, at the usual time in the afternoon.

Miss Dorothy MacLeod and friend of Montreal, spent the week-end with their parents.

Miss Grace MacLeod is visiting friends in Pointe au Chene for a few days.

Mr. and Mrs. Allan Brown who have spent the past winter in Lachute are back to spend the summer months on their farm at Pte. au Chene.

Mrs. Wm. H. Kelly, of Aylmer, Que., visited her parents last week.

Young - Kelly

The marriage of Miss Lorna Kelly, daughter of Mr. and Mrs. Walter Kelly, of Avoca, Que., to Mr. Gordon Young, son of the late Edward C. Young and Mrs. Young, also of Avoca, took place at two o'clock on Saturday, April 29, at the manse in Brownsburg, the Rev. Mr. Pike officiating.

Given in marriage by her father, the bride was attended by Miss Verna Young, of Montreal, sister of the groom, the best man being Mr. Irwin Arthurs.

The bride was in a model gown, of white bridal satin, having long fitted sleeves extending to points over the hands and skirt ending in a slight train — her finger-tip veil of tulle illusion was held in place by orange blossoms. Her attendant was in ice blue silk crepe — under silk net of the same shade. Her headdress was blue flowers and veil to match. The bride's mother and groom's mother were both in Navy blue gowns.

A reception for close relatives of the young couple was given at the home of the bride's parents, and immediately after they left on a motor trip to Renfrew, Mattawa, North Bay and other points. They will reside in Dolbeau, Que.

Grenville

Mr. and Mrs. John Owens and family, motored to Ville LaSalle on Sunday, and visited with relatives.

Mrs. Eddie Barron, who has been visiting in Montreal returned home on Sunday, accompanied by her daughter Miss Beatrice Barron, R.N., and Mr. James Timmins.

Mr. and Mrs. W. M. Sketcher, of Montreal, have opened their home for the summer months.

Mr. and Mrs. Stanley Dewar, were in Montreal for the week-end, and attended the Cogdell and LaRocque wedding on Saturday.

Mrs. Hal Barron is spending a few days in Montreal.

Mr. and Mrs. Douglas Scharf and son Bruce, of Ottawa, were week-end guests of Mrs. A. Conway.

Mr. Garth Dawson, and Miss Evelyn Bowen, of Montreal, were week-end guests of Mr. and Mrs. Ray Dawson.

Sympathy is extended to Mr. Wesley Dodd, and family, in the passing of Mrs. Dodd. The funeral took place on Saturday morning. Service was in the Roman Catholic Church. The remains were laid to rest in the Calumet cemetery.

Northern Grenville

Recent guests of Mr. and Mrs. Allen Cousins, were Mr. and Mrs. Alec McCullough, of Brownsburg, also Miss Evelyn Bowen, of Montreal.

Mr. and Mrs. Douglas McVie called on Mr. and Mrs. Martin Lowe recently.

Messrs. William and John Richardson motored to Montreal recently.

Mr. John Richardson, Jr., spent the past few days in Montreal.

Mr. H. H. MacKrith spent the week-end in Lachute.

Sunday Services were resumed at Grenville Baptist Church last Sunday when the Rev. Mr. Duncan preached to a large congregation. The next service will be held on Sunday, May 28, everyone is welcome to attend.

Mr. A. J. McGerrigle spent the past week-end at his home in Ormstown.

Mr. and Mrs. Eddie Matthew and Walter were the Sunday guests of Mr. and Mrs. Reggie Bennett.

Recent visitors of Mr. and Mrs. John Crooks were Elder Sessions and Elder Hendricks, of Idaho.

Mr. and Mrs. James Beroin, Miss Teresa McCart, Mr. and Mrs. Emmett Lowe, Mr. Dick Lamothe and Mrs. Burns were all recent guests of Mr. and Mrs. Bernard McCart.

Recent guests of Mr. and Mrs. Earl MacIntyre were Mr. Bill Woods and Miss Beryl MacIntyre.

Mrs. Enid Stone and family is spending a few days at the home of Mr. and Mrs. Basil Mott.

2 COATS at 1 TIME

Modern Science

Has produced this sensational new time-and-labour saving exterior white paint

CROWN-KOTE is made from specially-treated reaction products of the plastic group which have been "copolymerized" with vegetable oils producing the vehicle for this product, a paint that can be applied in a heavy coat which dries firm and dense without surface wrinkling and being less sensitive to weather change. This type of paint is harder, more durable and longer lasting and it can be truly said that "two coats can be applied at one time with CROWN-KOTE, the marvelous one-coat Exterior White".

Always a Favorite

By Betty Barclay

I have always been a strong admirer of Hash with potatoes. Who hasn't? It is one of those dishes that has remained a favorite of all members of the family throughout the years. And when a teaspoon of Worcestershire sauce is added, this hash becomes even more delicious. This tangy sauce has become a "must" on your table as it lends itself wonderfully to a variety of foods — appetizers, soups, vegetables, meat, and fish.

Hash with Potatoes

½ cup cooked, diced potatoes, ½ cup cooked, diced onions, ½ cup seeded, sliced green peppers, 3 tablespoons diced pimentos, 2 cups cold, cooked meat cut into ½ inch cubes, 1 cup left-over gravy, ½ cup tomato purée, 1 tablespoon butter, paprika, salt, teaspoon Worcestershire Sauce, bread crumbs, grated cheese.

This is an excellent combination. If it is not feasible to use all of the ingredients given, it will still be good. Prepare potatoes, onions, peppers, pimentos and meat. Combine these with gravy, tomato purée and butter. Season with paprika, salt and Worcestershire sauce. Heat the sauce and add the meat and vegetables. Pour the hash into one large baking dish or into six individual baking dishes. Sprinkle with bread crumbs and cheese. Dot lightly with butter. Brown the dish in a moderate oven (350°F.). Serves six.

PLAN FIRST CANADIAN ROVER MOOT

Ontario Rover Scouts (older Boy Scouts) will be hosts at the first Canadian Rover Moot, now being planned, to be held at Blue Springs, Ont., August 31 to September 4, 1951.

Egyptian Royalty Marital Mix-Ups Like Movie Plots

Land of the Arabian Nights Is Romantic Hot-Spot, With Love Disrupting Politics

By Synthia Lowry

Associated Press Staff Writer

The romantic hot-spot of the world right now seems to be the land of the Arabian Nights. Not since Cleopatra's days has love flowered so lushly among royalty, nor have matters of the heart been so complicated.

Life imitates fiction, but the way things are going, Egypt's and Iran's people seems to be copying 1915 movie plots instead of local literature.

The plot opens 12 years ago, when young King Farouk of Egypt took to wife a 17-year-old beauty, Sarinaz Zulfikar, daughter of a high Egyptian official. She was renamed Farida, meaning peerless, following the custom of Egyptian royalty to have names beginning with "F".

A year later, Farouk's sister, Princess Fawzia, married the young son of the shah of Iran.

In due time, Farida produced three girl children: Feria, Fawzia and Farida. Meanwhile, the old shah abdicated to his son. Mohammed Rezi Pahlevi became shah and Fawzia was queen of Iran. She was the mother of a girl.

Then, suddenly, there issued from Farouk's Cairo palace a couple of years back, twin communiques. One announced the divorce of Farida and the rotund, modestly-mustached Egyptian sovereign. The other told of the divorce of Queen Fawzia and the handsome shah. It was stated that the Iranian climate disagreed with Fawzia. Rumor had it, however, that in both cases the cause was the dearth of male heirs.

Falls In Love

Not long ago word leaked out of Cairo that Farouk had seen and fallen in love with beautiful 16-year-old Narriman Sadek, daughter of a modest Egyptian civil servant. Despite her undistinguished forebears, the King was determined to make her his Queen.

This would have been in a high romantic tradition except for one important fact: Narriman had already been wooed and won by one Zaki Hashem, a young man with a great future as an economist.

Hashem, attached to the United Nations headquarters in New York, went back to Cairo. He returned to the United Nations, sad-faced and tightlipped. He resigned his U.N. post soon and retreated silently to cloistered college halls in New England.

That isn't the end of the story, though, for there are indications the King still is determined to marry the girl. But the romance didn't go down so well with the people, political observers say, because the Waldist party — Farouk's enemies — won a recent election with votes cast by those who disapproved his tactics in seeking a lady's hand.

This had scarcely been settled when Farouk's ex-brother-in-law, the shah of Iran, was back in the romantic news. His pretty half-sister, Fatemeh, met a blonde, good-looking Californian, Vincent Lee Hillyer. After a whirlwind courtship and without telling anyone in advance, the couple were married in a civil ceremony outside Rome.

This romance, at least, seems to have a happy ending.

GISELE, the French Canadian chanteuse, who is heard regularly in three CBC network broadcasts: Meet Gisele, Tuesdays at 7.00 p.m., on Trans-Canada; The Song Pluggers, Wednesdays at 10.00 p.m. on Dominion; and The Girl Next Door, Thursdays at 1.45 on Trans-Canada. Recently Gisele added acting and singing before the movie cameras to her long list of accomplishments. The film, a fantasy titled Le Fiacre, has just been released to theatres across Canada and the United States by Associated Screen News. Gisele wears authentic Edwardian period costume and plays the role of a beautiful lady with too many admirers, whose husband catches her out driving with one of them! Background music for the film was written and conducted by Lucio Agostini, who also writes and directs music for Stage 50 and Buckingham Theatre broadcasts.

PENSION TALK

Pensions cannot be financed from general revenue. A contributory scheme is the only possibility. Glib talk of $60 at 60" and other such catch phrases are too readily thrown about in discussions on pensions.

— Vernon (B.C.) News

Canada has the largest fresh-water area of any country, is second in development of water power although only one-fifth of our potential water power has been harnessed.

— Quick Canadian Facts

Source of Complaint

Only a housekeeper knows the continual annoyance of outmoded plumbing . . unhandy faucets in the kitchen and laundry; sink and drainboard hard to clean; a makeshift bathroom with old-fashioned fixtures.

Call a qualified plumber, expert in approved sanitary systems, and versed in modern design for both utility and charm.

KEM-GLO
—the new lustre finish

LOOKS AND WASHES LIKE BAKED ENAMEL
on kitchen walls, ceilings, cupboards and finest woodwork

There's never been a Finish like KEM-GLO
so new, so different, so superior to anything offered before!

And it's so easy to use—with brush or Roller-Koater. All you need on most surfaces is ONE smooth-flowing coat of KEM-GLO to do a perfect job on the walls, woodwork and cabinets of bathroom and kitchen.

FOR FINEST WOODWORK — Use lovely, lustrous Kem-Glo on woodwork to harmonize with the beauty of Kem-Tone walls in living rooms, halls and bedrooms. Together they form the perfect combination for quick, easy and most pleasing interior decoration.

KEM-GLO features...
1. Ready to use and easy to apply as it comes from the can.
2. One coat covers most surfaces.
3. No primer, no undercoater needed.
4. Dries in 3 to 4 hours.
5. Washable — yes, scrubbable.

KEM-GLO Stands Punishment
Resists Grease • Withstands Scuffs
Resists Boiling Water • Dirt Wipes Off Easily

Kem-Glo saves you money because it needs no primer or undercoater! (even on raw wood and plaster). It covers most surfaces in one coat — ordinary enamels require an undercoater plus one or more coats of enamel.

Only $2.60 per quart

11 Beautiful COLOURS
Including the remarkable "Stay White" white, plus five trim and accent colours.

Made by the makers of famous KEM-TONE.

Sold at paint, department and hardware stores.

Country Club Officially Starts Golf Season

The 1950 golfing season commences officially for members of Lachute Golf and Country Club, with the Opening Tournament, medal play with handicaps, Sunday, May 21.

Men will tee off anytime after 9 a.m. and ladies will start at 1.30 p.m. There will be no draw and members are requested to arrange their own games. Men will play eighteen holes and ladies nine.

Dining room facilities will be available to all members wishing to remain for supper after the tournament.

Attention Ratepayers!

Through an inadvertent error in the letter that was circulated to the ratepayers of Lachute, by Mayor L. Carriere, and which appears elsewhere in this issue, the following streets contemplated for paving should have been included.

Charles St., from Princess to McColl Frontenac; St. Julien, from Charles to Wilson St.; Edwin, from Princess to St. Julien St.; St. Jacques Street; Hamelin, from Wilson to Hamford; Cottingham Boulevard and Mountain View Avenue.

TENDERS

Sealed tenders will be received by the undersigned for the old scrap wood on the Exhibition Grounds. Tenders close May 22, all material to be removed before May 31.

mention of the fact that May 12th was the fifth anniversary of the Brownsburg - Lachute Club and invited Linton W. Armstrong, as President and Mrs. Armstrong, to sit at the head table. Among the other local members who attended this event were — Mr. and Mrs. Harris Sherwood, Mr. and Mrs. Dennis Staniforth, Mr. and Mrs. Harold Barrie, Mr. and Mrs. Harold Dando, and Mr. and Mrs. Wes Freeland.

Further meetings took place on Saturday morning beginning with the Presidents' and Secretaries' breakfasts when President W. A. Buckley, of Kingston and Past District Governor, Harry S. Binks, of Ottawa, acted as Chairmen. Reports of the various committees were presented by President Ian Macdonald, of Montreal, President Linton Armstrong, of Lachute, and President J. P. Elwood, of Smith Falls. Two interesting addresses were delivered by Past District Governor George Webb, of Gananoque, Ont., and President Ian Macdonald, of Montreal. The final luncheon took place at the Standish Hotel with Past District Governor, Donald E. Lewis, of Brockville, Ont., as guest speaker.

A special program had been prepared for the ladies. This was highlighted by a tour of Gatineau Park and a luncheon on Friday, when the speaker was Mrs. Soma Banerjee, wife of the secretary to the Indian Mission.

The first chain food store in Canada was established over 60 years ago by the late William Carroll of Hamilton, Ont.

Scout-Guide Rally Draws Enthusiastic Crowd at Lachute

The second annual Rally under auspices of the Laurentian District Council of the Boy Scouts Association and the Two Mountains Division of the Canadian Girl Guides Association, was held at the Lachute Fair Grounds, Saturday afternoon, May 20. Several hundred Boy Scouts, Wolf Cubs, Girl Guides and Brownies staged a demonstration of their skills, in perfect weather. They came from practically all points in the district, by auto, chartered bus and a group comprising Ste. Rose, Rosemere and Ste. Therese came by chartered train. Under the direction of Earl Morrison, the Lachute High School Band provided good music which was appreciated by all present.

The addresses of welcome were given by W. M. Cottingham, M.L.A. for Argenteuil; also by His Worship Mayor Leopold Carriere, of Lachute.

There were Girl Guide Companies from Brownsburg, Lachute and Ste. Rose; Brownie Packs from Brownsburg, Lachute, St. Eustache-sur-le-Lac and Ste. Therese; Scout Troops from Brownsburg, Lachute, Morin Heights, St. Eustache-sur-le-Lac and Ste. Rose; also Wolf Cub Packs from Brownsburg, Lachute, St. Eustache-sur-le-Lac, Ste. Rose and two from Rosemere. A group of Rover Scouts came from Montreal.

In the morning the High School Band met the special train at the station and headed a parade including the Lachute Scouts and Girl Guides, to the Fair Grounds.

Miss Lawson inspected the Girl Guides and Miss Young inspected the Brownies.

Mr. Charles Downie, Rover Commissioner of Montreal, and Mr. C. L. Duncan, District Commissioner inspected the Scouts and Cubs, respectively.

Organization of the Rally was under direction of District Scout Commissioner, Chas. L. Duncan, Division Guide Commissioner, Mrs. T. E. Pattison and Chairman of the Rally Committee, A. B. Waller, S.M., Brownsburg.

Several events on the program, such as the march past, badge parade and other special events filled out an excellent program which was enjoyed by a larger audience than last year.

Mr. Linton Armstrong, Lachute, acted as Master of Ceremonies and added considerably to the success of the Rally.

Ladies of the Women's Institute provided refreshments, and all who helped make this event such a success are to be congratulated. No doubt the participants went home to prepare to make the next Rally even bigger and better.

The St. John Ambulance Brigade were on hand with an ambulance to take care of any eventualities.

Mr. W. B. Moseley provided a truck to transport equipment of the Brownsburg Group to Lachute, and many other merchants and citizens assisted in making the event a success.

(Winners of the various events on page 4).

Hit and Run Driver Faces Charges

A serious charge is being placed against a Montreal car driver, for failing to stop at the place of accident, when the car he was driving side-swiped another at 12.05 a.m. last Monday.

The accident occurred one mile south of Lachute when two cars driven by local motorists were stopped on the highway. The front car, driven by Kenneth MacKiddie, of Lachute, was hit by Claude Lariviere, of Montreal, who was in a Drive-Yourself car of that city. Failing to stop, the second car, driven by Clarence Smith, of Lachute, R.R. 1, immediately gave chase, travelling at the high speed of 80 miles-an-hour, and caught the offender at the Parliseau Bar-B-Q, and escorted him back to the accident.

Traffic Officer Howard Jones investigated the accident, and placed Lariviere in the hands of Detective Arthur Crevier, who is relieving Det. Therriault at the moment, and the offender was taken to St. Jerome, where the charges were made. Bail of $50 was allowed, and the case will come before the magistrate on June 2.

HOSPITAL COLOR TELEVISION

Colored television is to be installed in St. Thomas's Hospital, in London, to enable students in lecture rooms to watch operations. The equipment will be used experimentally at St. Thomas's for three months — probably in one or two of the special departments — and may be used to show eye operations.

Mrs. Jas. Carpenter Passes in 91st Year

Late Mrs. James Carpenter

At an advanced age, being in her 91st year, Mrs. James Carpenter passed to her reward on Sunday evening, May 21st, following an illness of several months.

Born at Cushing, Que., the former Miss Elizabeth Robinson taught school at Edina and Mount Maple. She was married to Mr. James Carpenter at Edina in 1880, and they moved to Lachute in 1884 where they took up permanent residence. Mr. Carpenter predeceased her in 1935. Twelve children were born of whom seven are still living, to mourn the loss of a loving and devoted mother; James, Roy, Percival and Ivan, all of Montreal, Russell and Theron of Three Rivers, Thayer, of Halifax; and one daughter, Mrs. Norman Holland, of Montreal. There are also fourteen grandchildren and four great-grandchildren.

Mrs. Carpenter was the last surviving member of her own family and a member of the United Church.

The funeral was held from the old homestead in Lachute Mills on Wednesday afternoon, conducted by the Rev. W. B. Rosborough. Pall-bearers were six grandsons, Trevor Holland, of Mount Royal; Keith and George Carpenter, of Three Rivers; Harold, James A. and James R. Carpenter, of Montreal.

There were many flowers sent by sympathizing friends and relatives in memory of one who was highly thought of.

Interment took place in Lachute Cemetery.

W.I. Appoint New Publicity Convener

Mrs. Alvin Heatlie, of St. Philippe has been appointed County Publicity Convener of the Women's Institute, taking the place of Mrs. A. Graham, who was nominated at the annual conference, but had to decline the office.

The various W.I. branches throughout the county are therefore requested to send their monthly reports to the new convener, Mrs. Alvin Heatlie.

Highland Cadets Formed in Lachute

Last Monday evening, "D" Company, Highland Cadet Battalion was born, with headquarters in Lachute. Over thirty boys, between the ages of 15 and 18 attended an organizational meeting and by their enthusiasm and interest made it clear that the venture would meet with success.

Training will be carried out every Monday evening between 8 and 10 p.m. Until more suitable arrangements can be made, parades will be held at Lieut. Tabrett's home, 338 Main St.

Training includes drill, weapon-training, first aid, sports, signalling and general military instruction. The boys were told that in the summer there are camp periods every year at Valcartier Military Camp, and during the winter, skiing exercises based at St. Jerome Military Camp. There were many of the prospective recruits greatly interested in these two aspects of training, despite Lieut. Tabrett's warning about mosquitoes at Valcartier, and frozen hands and feet on the skiing patrol.

Lieut. Tabrett emphasized to all prospective recruits, that the discipline and training would be very strict, and unless willing to accept this, there was no use joining the unit. The next parade has been called for Monday, 29 May, at 8 p.m. at Lieut Tabrett's home, 338 Main Street.

Manhole Causes $200 Damage to Car

Over $200 damages were caused Sunday evening last at 7.15, near the outskirts of Lachute, on the St. Andrews East road, when a car, owned by Miss Fernande Duclose, of Quebec City, and driven by Wilday Forcier, also of Quebec, hit a manhole.

Coming east from St. Andrews, the driver was on the right-hand side of the road, and as another car passed him, struck the manhole, that was 6 inches above the ground, dragging it 40 feet.

There were no warning signs at this spot where road repairs were being made, though one card ironically had a sign "Welcome to Quebec".

Several other accidents have occurred at this spot, and there seems to have been either carelessness or neglect on someone's part.

Traffic Officer Howard Jones investigated the accident.

Work Proceeding B'burg Legion Hall

Work has been started on the Brownsburg Legion Memorial Hall, which is located on the road from Maple Avenue South in Brownsburg leading to the site of the former Recreation Hall. So far, the excavation has been made and work is proceeding on the forms for the concrete basement walls. The architectural plans for the building were prepared by members of the Legion, with the assistance of resident townspeople, and almost all the actual building work will be done by the members themselves, with the help of sympathetic citizens. For the next two weeks, at least, each Legionnaire is expected to turn out as often as he possibly can to assist with the basement erection, following which, the work will be more selective in nature and individual demands will not be so great.

In order that all energies may be devoted to building construction, the Brownsburg Legion, at its regular semi-monthly meeting held on 23rd May, decided that no regular meetings would be held during the months of June, July and August. At this meeting, it was agreed that every effort would be made to intensify ticket sales for the Lion's drawing for a 1950 Pontiac Car, which will take place during the Lachute Exhibition. Inasmuch as the Brownsburg Legion are hoping to benefit their building fund as a result of this draw, citizens of Brownsburg are urged to buy a ticket if they have not already done so. Similarly they are asked to support the Monster Bingo being organized by the Brownsburg Rotary Club to be held at the Lachute Auditorium on 6th June, the net proceeds of which will be divided equally between the Brownsburg Memorial Hall and Skating Rink projects.

The meeting authorized the sum of $15.00 to be donated to the Rimouski Fund, which with the donation of $10.00 by the Ladies' Auxiliary made a total of $25.00. The sum of $5.00 was also donated to the Brownsburg Police Juvenile Club, which has been organized by Police Chief Foucreau. Comrade Seary reported that the winners of the cribbage tournament held at St. Onge's Hall on 19 May, were Arthur St. Onge and Bernard Petley.

Majority Favor Roads By-Law

The by-law for Lachute Town road improvement was voted upon last Monday and Tuesday, by property owners, and though there were only 387 votes cast out of 881, a majority of 49 was for positive action.

The vote was as follows: For by-law, 195; against, 146, with 17 rejects. Valuation respectively with the above figures are, $1,202,800 for; and $1,053,500 against, and for the rejections, $92,000, giving a majority valuation of $149,300.

St. Eustache Votes Civic Improvement

Property owners in St. Eustache-sur-le-Lac have approved expenditure by the town of $20,000 to improve municipal property, to purchase machinery and equipment, and to build roads.

About 45 per cent of those eligible voted Friday and Saturday in a referendum. Owners of property valued at $667,345 voted in favor, while owners of property valued at $478,965 voted against.

District Students Are Successful in Exams

Macdonald College

Macdonald College has published the examination lists, and the following county students are among those successful:

W. R. Hammond, Dunany, 2nd year B.Sc. Agr.; H. J. Smith, Arundel, 3rd year B.Sc. Agr.

Miss W. June McArthur, Lachute, and Miss F. A. McOuat,* St. Andrews East, (B.Sc., H.Ec.) 1st year.

O. L. Rathwell,* Arundel, 1st year Diploma Course.

* Denotes supplemental.

McGill University

Among students from Argenteuil County to graduate from McGill University are, John C. MacKimmie, Lachute; Christina Thompson, Weir; and Herbert C. Montgomery, Lachute, who will receive B.Sc. degrees. Mr. W. Percival Lachute, received a B.Eng. (Mach.), also two graduate nurses from Brownsburg, who were successful in Public Health Nursing, Miss Lorna G. Tomalty, and Miss Stella A. Warwick.

W.I. Has Varied Subjects for May Meetings

At the May meeting, members of Arundel W.I. branch made plans for the County Convention, which was held there last week in the new school hall. Twenty-nine members attended the meeting. This branch is making quilts for a lawn social sale to be held in July, proceeds going towards the School Fair prizes in the fall.

• • • •

Thirty members and three visitors at the Brownsburg meeting heard a short address by Mrs. W. Fletcher on the history of Brownsburg School. Fruit and cards were sent to sick members. This branch celebrated its 24th Anniversary, when a social evening was spent. Mrs. Geo. Leggett, county president, was among the guests. A two-layer fruit cake decorated with 24 candles was made by Mrs. C. Vary.

• • • •

Frontier branch sent a parcel of clothing overseas. Mr. M. Templeton, teacher of agriculture at Lachute High School, gave an address on Experimental Farm work and aims. He also mentioned some items of interest regarding the agricultural course at Macdonald College. Twenty-seven members answered the roll call by naming a garden pest and telling how to destroy them. Five guests also attended.

• • • •

The Lachute Women's Institute answered the roll call by several of the members showing interesting and useful articles of wearing apparel they had made. Mr. and Mrs. Wilder, of Hill Head, donated forty-six books to the library. The librarian had also purchased sixteen more new books. Mrs. S. Milnes and Mrs. G. Dobbie were appointed delegates to the county convention. Mrs. J. Lamontagne, convener of Home Economics, presented two very instructive films. The first was "This is Nylon", showing the manufacture and various uses of nylon yarn. The other film entitled, "Miracle Fluid", gave a complete picture of the Red Cross blood transfusion service. Mrs. Geo. McGibbon, as a representative of the Red Cross, emphasized the importance of a good attendance at the blood donor clinic. Thirty-two members were served tea at the close of the meeting.

• • • •

Agriculture being the theme of the Morin Heights branch meeting, members heard a paper on the care and growth of the cyclamen plant, also the proper way to plant large and small gladioli bulbs, and the depth garden seeds should be planted. The sum of $10 was voted towards buying school prizes in June. Mrs. J. W. Green showed "Viewmaster" pictures and this was much enjoyed by all present. The roll call was "Birthplace of a grandparent and bring an old photograph". Twelve grandmothers attended and each was presented with a corsage of sweet peas. As Mrs. R. Moss had the most grandchildren and great grandchildren, she received the prize. Plans were made to get as many persons as possible to attend the blood donor day for the Red Cross. Seeds, slips and bulbs were exchanged. Twenty-five members and thirteen guests attended the meeting; two new members joined.

• • • •

Pioneer branch members heard a paper by the convener of Agriculture on "How the Soil Ticks". The roll call was answered by naming a common bird. The sum of $5 was voted towards the Cancer Fund. Plans were made to attend the county convention at Arundel. This branch is looking forward to having a demonstration in the fall by Miss Birch. Plans were also made to help with the local school fair.

• • • •

Under the convenership of Home Economics, Upper Lachute and East End branch had a demonstration and talk by Mrs. J. Lamontagne of Lachute, on the art of appliqué. Plans were made to cater for a wedding later in the month. Twenty-two members attended this meeting.

Parking Rules to be Strictly Enforced

The Municipal Police of the Town of Lachute have issued a warning that parking rules must be strictly followed.

Car owners are warned that the police of Lachute have been ordered to enforce the parking rules. New white lines have been painted for parking direction, and any car found outside these lines will be subject to a fine.

Also, any autoist or person found breaking bottles on the streets will be immediately fined, states Chief D. Villeneuve.

"IN BROWNSBURG"

Specially Contributed

Fishing, Tall and Short

The fishing stories this season are mostly short. There have been some good catches reported, and John Duncan as usual made the headlines with a large catch of beauties. Tom Anderson and party did pretty well, but early sorties back north were unproductive.

Lady of Lourdes Shrine

This secluded isle of meditation and prayer has been closed all winter, but on Sunday last received a party of pilgrims from Montreal. About 500 persons attended ten o'clock Mass, among whom were a number of catholics from Lachute and Brownsburg. Services were conducted by the Franciscan Fathers, and generally in French, but a wholly English program has been arranged for Sunday, June 4, when a large English party from Montreal will make a pilgrimage to the shrine.

Juvenile Police Club

A general meeting of the Juvenile Police Club will be held at the Social Club on Friday evening at 7.30, when the recent drive by the members to collect clothes for the devastated residents of Rimouski and Cabano will be assessed. The boys are contributing 25 cents each to a fund which closes this week. They are to be highly complimented upon the splendid effort of assisting a worthy cause, as well as performing a noble civic duty.

$25,000 Referendum

At the next meeting of the Municipal Council, steps will be taken to put machinery in motion to determine the peoples wishes as to whether the sum of $25,000 can be borrowed to expand the waterworks system. Repairs and expansion are badly needed. New

(Continued on page 12)

Grenville Bay Lad Seriously Injured

A nine-year-old child of Grenville Bay, narrowly escaped death last Friday noon, when Marcel Beauduin was struck by a Canada Dry 3-ton truck, driven by Marcel Beauine, of Montreal.

The accident took place on the No. 8 highway, when a tractor full of hay was being taken by Edgar Larose, of Grenville Bay onto Highway No. 29. It is believed that the young lad had been holding onto the tractor, and when he let go, ran right in front of the passing truck.

The injured boy was taken to the Notre Dame Hospital, in Hawkesbury, and was treated by Dr. Chas. Lafrance, the diagnosis being a fractured skull and broken right hand.

Being still unconscious on Saturday morning, the patient was removed to the Neurological Institute, in Montreal. This accident was investigated by Traffic Officer H. Jones.

Motorists Warned by Prov. Traffic Police

Officers of the Provincial Traffic Police have been notified from headquarters, that they are to fine any car driver who is still using an old license plate, or holding last year's driving license.

It is understood from the authorities that there will be no warning, and offenders will be immediately fined.

Fines are also liable to any motorist who delays putting license plates on both front and rear of his car. During the war, and years following, license bureaus were only issuing one plate, but in 1950, two are issued, and both must be placed on the car.

Local Legion Hosts At Re-Union Rally

Argenteuil Branch No. 70 of the Canadian Legion were hosts at a reunion held in the Legion Memorial Hall on Saturday, May 20, with representatives from Brownsburg Branch No. 71. Guests of honor and principal speakers were Mr. A. W. Heron, President of Quebec Provincial Command, of the Canadian Legion, and Col. McGibbon, Senior Medical representative from the Department of Veterans' Affairs. Comrade President S. W. Milnes of Branch No. 70 was in the chair.

After a brief opening ceremony, Mr. Heron gave a very clear account of the activities of Provincial and Dominion Commands along with future organization plans and projects to be undertaken. Mr. Heron also congratulated the Lachute Branch on building such an outstanding Memorial Hall, which is in itself proof of an active participation in community improvement.

Col. McGibbon followed with important information on the set-up of present medical services for veterans, whether pensioners or ex-servicemen. After answering questions on hospitalization procedure, he left behind much valuable information.

The business meeting was followed by a delightful supper served by the Ladies' Auxiliary of Branch No. 70, followed by amateur movies and a social evening.

A collection was taken for the victims of Rimouski and Cabano fires. This augmented previous Legion collections and donations. The sum of $75 has been forwarded for relief purposes.

Bicycle and Truck Collide At Lachute Mills

At 6.10 p.m. last Monday, an accident occurred at the intersection of Milway and the Main Street, when a light delivery truck, driven by Marcel Laframboise, and owned by Armand Grenier, Lachute Mills, collided with a youthful cyclist, Jean Lapierre. The lad received an injured left hand, and the accident was investigated by Constable Armand Sabourin.

Ladies' Branch Golf Club Elect Officers

At the opening meeting of the Ladies' Branch of the Lachute Golf Club, held on May 17, the following slate of officers were elected:

President, Mrs. W. M. Cottingham; 1st vice-pres., Mrs. Geo. Leggett; 2nd vice-pres., Miss M. Scott; secretary, Mrs. J. McIndoe; treasurer, Mrs. S. W. Milnes.

Match Committee, Mrs. A. W. Lapp (Capt), Mrs. J. Reid, Mrs. H. Sherwood, Miss R. Parsons, Miss M. Lafortune, Miss C. MacKenzie, and Miss B. Ogilvie.

Decorating & House Committee, Mrs. A. O. Anderson, Mrs. P. Valois and Miss F. Carriere.

Social & Entertainment Committee, Mrs. H. Dando, Mrs. F. Barnes, Mrs. F. Legault, Mrs. N. Rogers and Mrs. F. Stein.

Auditors, Miss C. Ethier and Miss E. Morrison.

A special meeting of the Ladies' Branch of the Golf Club has been called for Wednesday, May 31st at 8.30 p.m. All members are urged to attend.

Tournament Winners

Winners in the Opening Tournament, Sunday, May 21st were as follows: Men: J. E. Leonard and G. Leggett, Jr. tied for first; G. Ayers and Dr. J. Castagner tied for second.

Ladies: Miss Bobby Ogilvie 1st, and Miss Pierrette Gosselin 2nd; Miss C. Brasseur, and Miss M. Lafortune and Mrs. R. Coté tied for 3rd. Ties will toss at prize giving in fall.

Fire and Flood Victims In Need Of Your Help - Send Now!

"Mrs. Robert Mattson and two children have arrived home from Winnipeg, to be with her parents for the time being, as her home has been flooded".

Thus states a report from our Grenville correspondent this week. There are thousands like Mrs. Mattson in the West, who face many difficulties upon returning to the Winnipeg area, when the flood waters have subsided. Many homes will need repairing, furnaces replaced, walls and ceilings replastered, furniture bought and hundreds of other expenses caused by the floods.

All these numerous difficulties face many people in the Rimouski and Cabano areas, and they also are in need of your help.

The Watchman hopes that by next week, there will be a very long list of supporters to this necessary cause. Do not hesitate, send or bring your contribution in at once.

Make your cheque payable to The Rimouski Relief Fund or to the Manitoba Relief Fund, or if you wish to send to both, make it payable to Giles Publishing House Ltd., and it will be divided between these two funds.

Contributions received during the week are as follows:

Y.P.U. Lach. United Church	$50.
John D. Giles	10.
Mildred Morrison	5.
Hugh McEntyre	2.
Lachute Lions Club	150.

Local Delegate's Impression of New Liberal Leader

By Mrs. Geo. McGibbon

The slogan of Mr. Georges Emile Lapalme, who was the unanimous choice of the Quebec Liberals, is "Victory for the Liberal Party in Quebec in 1952". His reputation as a public speaker, capable of carrying a crowd, rather than his program of social reforms, was the reason of his success in being chosen to head the Quebec Provincial Liberals. The delegates were unanimous in their opinion, that he was the man most likely to succeed against Premier Duplessis' quick-witted tongue.

Born in 1907, George Emile Lapalme received his primary education in the village school of St. Esprit, Montcalm County. In 1914 the family settled in Joliette, where he took his classical course at Joliette Seminary from 1918 - 1925, and then studied law at Montreal University from 1925 - 1928. In January 1929, he was admitted to the Bar and opened office at Joliette, and in 1946 became Councillor of the Bar Association of the Laurentians.

In 1945 he was elected to the House of Commons at Ottawa, for the Joliette - Montcalm seat, with a majority of 2,250 votes, and was re-elected in 1949 by a majority of over 5,000.

In 1947 he founded the Joliette Journal, a weekly newspaper.

In 1935 Mr. Lapalme married Miss Maria Langlois, of Montreal. They have seven children. Those who have met and talked with Mrs. Lapalme at the convention found her to be both charming and friendly.

Mr. Lapalme paid very high tribute to Mr. Marler, present leader of the opposition. He said that Mr. Marler was nominated by such a large number of French-Canadian catholics, that we in Quebec should remember there exists a true and great friendship between the two races.

Mr. Marler, in refusing the nomination felt that he lacked some qualifications as a leader, and he hoped to see liberalism again established in our province.

The ladies attending the convention were entertained at the Reform Club and had the opportunity of meeting and chatting with the candidates and their wives.

One of the highlights of the convention was the visit of Prime Minister and Mrs. Louis St. Laurent on the day of their 42nd anniversary. Mrs. Tancrede Jodoin presented Canada's First Lady with a spray of 42 red roses. As they entered the Palais Montcalm, where the convention was held, the delegates rose in a body, cheered and sang the praises of their National Party Leader.

Mr. George Dansereau, of this county was appointed vice-chairman of the convention, while Mr. F. Legault acted on the organization committee, Mr. Bernard Gosselin was appointed scrutineer. Others from this constituency attending in an official capacity, were Mrs. Geo. McGibbon, Mrs. P. Valois, Mr. L. Cantel, Mr. W. MacKimmie, Mr. G. Dansereau, and Mr. V. Pothier.

Painful Injuries in Motor Accident

Several persons were painfully hurt in a car accident last Sunday night at 11 o'clock, when a Montreal bound car, driven by Jas. Nickles, 21, of that city, crashed into the ditch and into a tree, which was nearly four feet in diameter.

The driver received five stitches in the head, and Miss Jean Folin, 19, also of Montreal, had eight stitches in her forehead, while Antonio Chaisson, 22, necessitated eight stitches in both forehead and right hand. Miss Folin and Mr. Chaisson were afterwards taken to St. Mary's Hospital, by Menard's Ambulance. Dr. A. L'Allier, of St. Andrews East treated the injured at his office.

Three other occupants in the car, Miss Anita Kelly, and Messrs. R. Garon and Cyril Grace, were not injured.

Investigating the accident, Traffic Officer H. Jones was told by the driver that another car passing closely in front, forced him to the side of the road, thereby causing the accident.

1,500 EYES FOR TORONTO

With an average weekly output of 1,000 artificial eyes, an Essex firm, probably the largest of its kind in Britain, will exhibit a range of 1,500 artificial eyes at the Canadian International Trade Fair in Toronto. These will be of all sizes and colors and suitable for any country in the world.

Gatineau LINES

Chelsea - Farmers

The "twins" of the power-producing facilities of Gatineau are the Chelsea and Farmers plants located just a few miles above the point where the Gatineau River pours into the Ottawa. They are mighty twins too, pouring a total of 290,000 horsepower into the high voltage lines of Gatineau Power.

Chelsea and Farmers are just 1¼ miles apart, but the Gatineau River drops 164 feet in that distance, making the spot a natural one for power development. Neither Chelsea nor Farmers produces as much power alone as does Paugan farther up the river, but together they can beat Paugan's 238,000 horsepower by a considerable margin.

A feature of the development of these twin plants is the log chute which starts above the Chelsea plant and joins the river again almost 7,000 feet lower down, below the Farmers Plant. Logging companies use the Gatineau extensively to bring their wood down to the market, and so the log chute had to be provided so that their operations could continue. Logs, of course, can't go through power plants, so a way was found to take them around the plants instead.

The Chelsea plant is situated on the west channel of the river, and consists of a power-house and dam 450 feet long and 160 feet high. On the east side is another dam 1,600 feet long, with five 50-foot gates which can be raised when extra water is "spilled" downstream. The plant has a capacity of 170,000 horsepower.

Only slightly smaller than Chelsea is the Farmers power-house a short distance down the river. To produce electricity at that spot, a 320-foot plant was built on the east side of the River, with an 1,800-foot dam diverting the water into the turbine wheels or spilling it down river as required.

Although every power-plant must, of necessity, be equipped with sluiceways where surplus water can be spilled where necessary, over the years very little water has been wasted on the Gatineau River. Rather than being spilled, practically every drop of water is made to do its share of the work of producing electricity. This is possible partly because the demand for power has been so great that every plant is working at its peak; and partly because the rigid control exercised at Mercier Dam far up the river makes certain that only the amount of water which the plants can use is released down the river to them. The remainder is stored behind Mercier and Cabonga Dams in readiness for use in a dry spell when the level of the river would otherwise drop.

Gatineau Power Company

Barrel Rat-Trap Almost Perfect

Only One Good Way of Clearing Barn of Rodents Often Numbering 500

Kitchener, Ont. May 20 (CP) — There's one thing a farmer will never admit without wincing. That's the number of rats in his barn.

Not that it's any reflection on his work as a farmer — there's only one almost fool-proof way of getting rid of them — but he always feels uncomfortable in making the admission.

A sense of unbridled hatred comes upon the man who discovers a large section of his grain bin converted into hulls or bags of grain ripped open and their contents scattered. Mashed eggs and gnawed roots and fruit have the same effect.

Numerous rat-ridding methods have been tried, from shooting to using ferrets. All are slow when as many as 500 rodents infest a single barn. Cats are effective — if the rats don't get them first.

But for all his cunning there's one trap the rat's curiosity will finish him off nearly every time. That's the common rain-barrel.

The barrel is set so rats can run along their paths and leap on to its head to feast on bait left there. After a few days the head is removed and balanced on a centre-rod, so that any weight will be tipped into the barrel, which is half-filled with water.

When the rat jumps on to it for his customary hand-out, he is thrown into the water and the head swings back into place.

Farmers who use this trap say it is fool-proof and over a period of weeks will catch all the rats in a barn.

Rotating Poultry Range

Having a colony house or poultry shelter close to the farm home is naturally a great convenience, as it saves many steps. But it is not always a good idea unless there is sufficient room to change the range areas from year to year.

Land used too long as a poultry range, even on well-drained sandy soil, is bound to become sour. Then it soon becomes an ideal breeding place for harmful organisms which bring intestinal troubles.

Experts of the Department of Agriculture say the answer is to rotate the poultry range. At the Experimental Farm at Harrow, Ont., the large paddocks are rotated with poultry one year, a hoed crop the second, then oats and alfalfa the third year. The alfalfa provides range for the poultry during the fourth year. Smaller runs are used every year with fresh seeding in the intervening season. During the early summer of 1949, 280 young pullets were put out on plots which had been in two and three year rotations over a period of twenty years. Four months later the same number of pullets were moved to winter quarters and there had been no sickness or deaths during the ranging period.

Naturally there can never be complete assurance that young birds will go through a growing season without setback from intestinal parasites. But moving shelters to rested ground from year to year, and if the area is large enough, once or twice during the season, is a proved and worthwhile precaution.

Mechanical Egg Breaker

First of its kind to be introduced into Canada a mechanical egg breaker is being tried out by a creamery in western Ontario, according to a recent report of the Department of Agriculture, Ottawa. It has been found to reduce the actual labor cost by about one-third and increases the amount of the product obtained by a pound and a half per case of eggs handled.

Nylon Hay Barns

Hay growers in the U.S. are virtually building barns around their haystaks — with nylon tarpaulins.

In the past they have found tarpaulins or ordinary fabrics very troublesome. They were heavy, bulky and hard to handle. Wet weather weakened them with rot and mildew. They often snagged on bailing wire and wooden platforms on which the hay bales rested.

Use of nylon eliminated most of these objections. Nylon tarpaulins are 50 per cent lighter. They are said to be resistant to deterioration by rot and mildew, petroleum oils and alkalies. Their toughness and durability, elasticity and resilience makes them virtually tear-proof. It is estimated that nylon increases tarpaulin life from three to five times that of "tarps" made of other fabrics.

Better Fishing Through Fertilization

Excessive fishing and lack of natural fish food is making it increasingly difficult for anglers to find trout and other high quality game and food fish in easily accessible lakes.

This problem can be alleviated by the judicious use of commercial fertilizer, suggest scientists of C-I-L's agricultural chemicals division who have made a study of the fertility needs of lake waters in Canada over the past few years.

Fertilizers, they claim, promote the growth of microscopic plant and animal organisms called plankton which are the major source of food for forage type fish. One application of fertilizer should be made as soon as flood waters have subsided with a second application during mid-July. Fertilizer should be applied by broadcasting from a boat in water of moderate depth. Fertilization of the sunny parts of ponds and lakes is important since plankton are more abundant in these areas. A special fertilizer mixture with analysis 12-24-12 is available for lake treatment.

Tests have shown that proper fertilization can considerably boost the annual weight increase in a catch usually expected from fish in the unfertilized waters of poor districts. In highly developed farming country, lakes and streams are naturally enriched by drainage water from well-fertilized and manured fields and treatment with fertilizer is not as essential as for lakes in poor soil areas.

Bacon Potential in the West

Economics Division, Department of Agriculture, Ottawa, survey figures from 1941 up to the end of 1948, show that 64 per cent of the bacon exported to the United Kingdom originated in the Western Provinces and this area is considered to have a great potential productivity capable of meeting emergency demands.

Fire and Flood Victims Need Your Help

Canadians from Newfoundland to British Columbia are responding to the appeal of the flood victims of Manitoba and the burned-out citizens of Rimouski and Cabana . . . but their appeals cannot be met unless all citizens in Canada feel that they have a personal interest in the dire plight of these unfortunate Canadians.

It is alright to have a shocked and terrified re-action when we see pictures of the hardships our fellow Canadians are going through, but that isn't enough. Every person, every church society, every social club in every community in Canada should be his "brother's helper".

The Lachute Watchman is co-operating with the Rimouski and Manitoba Relief Funds . . . we are ready to accept your contribution, to publish the names of donors, and to co-operate in any way to make the funds "go over the top". Send your contribution now. Make your cheque payable to the "Manitoba Relief Fund" or "Rimouski Relief Fund". Official receipt will be issued from headquarters. These contributions will be deductible from your income tax next year.

Remember Shut-In's Day, June 4

A day that is not too well known in Canada, is "Shut-In's" Day, which is to be celebrated on Sunday, June 4. It is a day that should be remembered, for it was conceived by a Canadian, Mr. Ernest Barker, of the Cheerio Club, in 1940. The purpose was to create friendship through correspondence, and to make a special object of visiting the sick and shut-ins.

In every community of Argenteuil and elsewhere, there are people we know who have been obliged to spend many weeks or months in their beds. It is only too well known, that when a person is first taken ill, she will be showered with flowers and edibles, but as the weeks and months pass, the patient is so easily and readily forgotten.

We therefore make this appeal . . . remember Shut-In's Day. Visit the sick, send flowers or a cheery card . . . adopt a pen-pal in some sanitorium or hospital, and thereby spread a little sunshine around.

Death at the Bridge!

We readily admit that the headline above, borders on the sensational . . . but if the municipal or provincial authorities read it, we will be satisfied.

For several weeks now (up until the time of writing this editorial), there has been a gaping hole in the floor of Barron's Bridge, a hole large enough for any young, adventurous child to fall through into the North River.

Therefore, we issue this warning with the hope that the headline above will not have to be printed in describing a real tragedy.

Not all that tempts your wand'ring eyes
And heedless hearts, is lawful prize;
Nor all that glistens, gold.

— Thomas Gray

Wisdom is to know what is best worth knowing and to do what is best worth doing.

— Humphrey

Mining On The March

Across Canada's northern rim, from Ungava to the Yukon, search for the wealth that lies locked in thousands of square miles of unexploited territory goes on with renewed impetus.

Canadian mining is on the march. The grimy, bearded prospector of earlier years is out of date. The modern prospector flies over the north in ultra-modern aircraft and sets about his task aided by precision instruments, electronic devices and magnetometers.

Much of the industriy's progress can be attributed to the remarkable growth of scientific knowledge and technical skill. In 1898, the year of the famous rush to the Klondike, Canadian mining production totalled $38,000,000. Today the figure is set at $890,000,000.

For years the layman thought of Canadian metal mining largely in terms of gold, silver and copper. Then Gilbert LaBine's discovery of radium ore in 1930 turned the spotlight on the northwest.

The search for radioactive minerals widened, but it was the urgency of war and the ushering in of the atomic age that brought spectacular developments not economically feasible in peacetime. Uranium from the Northwest Territories went into the making of the atom bomb and since the attack on Hiroshima the quest for the basic product of atomic research has been pushed with increasing intensity.

As the first half of the century closed, discovery of great deposits of iron ore carried with it great economic potentialities. Total investment in the Steep Rock region of northwestern Ontario is estimated at $12,000,000 and output may reach 3,000,000 tons a year — an annual production value of $24,000,000 at present prices.

Great as the Steep Rock development may be, it is not likely to compare with discoveries in Labrador, once production is started. The tremendous deposits there may eventually yield 25,000,000 tons a year.

Who can limit the future of Canada's mines? There seems no doubt that the second half of the 20th century will prove the industry's golden era.

Local Police to Check Shocking Habit

We do not know if the offenders are local, from nearby communities or far afield, but we do know that the Lachute police have been ordered by Chief D. Villenneuve to take prompt action against any person breaking bottles (mostly beer) on the thoroughfares.

This shocking and dangerous habit has been very prevalent since the snow has gone, and during week-ends, the number of broken bottles found on the Main Street and elsewhere has necessitated strict action by our police.

All citizens are asked to co-operate in stamping out this offense, and a notation of the car license of persons involved may be of considerable help.

"PLEASE" and "Thank You" in themselves do not mean a great deal, perhaps. But behind these expressions lie the other phases of courtesy. We can be courteous ourselves and thus help to make this a well-mannered community.

— Virden (Man.) Empire-Advance

Ah, never can fall from the days that have been,
A gleam upon the years that shall be.

Clothes Washed by Sound Waves

Threatening to steal the show when Canada's third International Trade Fair opens in Toronto, May 29, is a radically new washing machine from Australia, reports The Financial Post. The machine, making use of ultrasonic waves, dispenses with soap or other cleaning agent, is claimed to do a 14 pound wash in 15 minutes or less, and it could be produced in Canada to sell here for $10! The Australian-made model could be imported to sell in Canada for $55.

Outwardly the revolutionary machine looks like a standard washer, but there are no moving parts inside. The washing is accomplished by vibrations transmitted through the clear water from a small box with a patented airlock, The Post reports.

The export manager of a Toronto appliance firm says he used one of these machines when he was in Australia recently, and their cost of operation is fantastically cheap — one Australian penny (2½ cents) for 100 hours.

Bill Butlin, Britain's millionaire "king of holiday camps", was a drummer in Canada's World War I army.

NOW that you are thinking about Life Insurance, let me explain the different plans best suited to your needs.

Record Settlement of Rimouski Fire Losses

Something of a record for settling insurance claims arising out of the Rimouski fire is reported by The Financial Post. Following an emergency plan formulated by fire insurance companies during the war, most indemnity cheques to individual home owners were delivered within a week of the fire itself, and the larger losses are also being adjusted with record despatch.

Total fire loss may reach $20 millions but insurance officials resitate to make any estimate of the insurance loss, The Post says. Some 200 companies are involved, and while individual companies know how much they have paid and what their total liability it, it has not been possible as yet to estimate the total value of insured property destroyed. Attention has been centred on paying losses, rather than in compiling statistics covering the whole situation.

In the old days a woman's face was her fortune. Now it's the druggist's.

DISTRICT NEWS FROM OUR COUNTY CORRESPONDENTS

Cushing

Mr. and Mrs. Geo. Drew, of Verdun, spent the week-end with Mr. and Mrs. W. H. Canning.

Mr. and Mrs. Archie Graham spent the week-end in Montreal the guests of their daughter, Mrs. J. C. Dougall, they also were guests at the wedding of Miss Joy D. Wilkinson and Mr. Donald Banks, grandson of Mr. W. A. Graham, of North River.

Mr. and Mrs. L. R McGain, also Mr. and Mrs. A. Hollingsworth, and son Bobby, of Montreal, spent Sunday at their summer home here.

Mrs. J. A. Bradley and son Ian, of Carillon, were Sunday guests of Mr. and Mrs. Roy Dobbie.

Mr. and Mrs. M. Wilson spent the week-end at their home here.

Miss Elsie M. Graham, of Verdun, spent the week-end at the home of her parents, Mr. and Mrs. A. Graham, and on the previous Sunday spent the day with Mrs. A. J. Scott, of Lachute.

Mr. and Mrs. M Burton, and sons, also Mr. W. McDairmid, of Montreal, were guests of the Misses Cleland on Sunday.

Capt. and Mrs. J. W. Weir, of Senneville, accompanied by the three sons of Kenneth Weir, spent the week-end at their Cushing home.

Mr. and Mrs. Robert Robinson, of Lachute, were Saturday guests of Mr. and Mrs. H. V. Elliott.

Mr. and Mrs. F. Pitt and family, of Montreal, occupied their summer home here for the week-end.

Mr. W. H. Godwin entertained a party of friends from Montreal at Glenelen for the week-end.

Mr. and Mrs. Roy Jackson and sons of Brownsburg were Sunday evening guests of Mr. and Mrs. W. H. Canning. They were accompanied by Miss Lizzie Clark.

Mrs. Roy Dobbie spent the greater part of the week at the home of Mr. and Mrs. John Heatlie, while Mr. and Mrs. Heatlie were in Hamilton attending the graduation services at McMaster University, their daughter Shirley being one of the graduates. Mrs. Dobbie also attended the meeting of the Baptist Circle held at the home of Mrs. Alvin Heatlie on Thursday night, when Mrs. Duncan, the wife of Rev. J. J. Duncan, of Brownsburg, gave a most inspiring address on the mission work of the Baptist Church, one which she had previously given at the Convention held recently in Fourth Baptist Church in Ottawa.

Sunday guests at the home of Mr. and Mrs. A. Graham were Miss I. Boyd, of Lachute, also Mr. D. Smith, of St. Hermas.

Mrs. A. Wright, Mr. Lemuel Cushing and Mr. and Mrs. Porier, of Montreal, were callers at the home of Mrs. W. Y. King on Saturday. Master David Wright was a week-end guest of Mrs. King.

The Rev. Mr. Carson, retired United Church minister residing in Hawkesbury had the morning services of St. Andrews East and St. Mungo's United Churches on Sunday.

Mr. and Mrs. G. Cushing, and little daughter, also R. Coghill, of Montreal, spent the week-end at the Cushing Mill Side Cottage.

Miss Ives, President of the Montreal Association for the Blind and several members of her committee spent Tuesday of this week at Ingleside, preparing the rooms occupied by the Association last summer, for the coming of the first contingent of blind ladies next week.

Weir

Mr. and Mrs. R. A. Craig and son John, of Lakeside Heights, spent the week-end at the home of Ray's parents, Mr. and Mrs. E. J. Craig.

Mr. and Mrs. E. Dubeau, of Montreal, were week-end guests of Ernest's brother, Mr. P. Dubeau and Mrs. Dubeau.

Mr. and Mrs. Stanley James, of Montreal, were guests of Mrs. R. G. Bowie, on Ascension Day.

Mrs. Arthur Loudin, of Mont Laurier, visited with her sister, Mrs. V. Courte and Mr. Courte on the week-end.

Miss Carole Ann Bowie entertained several guests to a party on Saturday, the occasion being her seventh birthday.

Mrs. Jas. Moore, of Rockway, was a recent guest at the home of her daughter, Mrs. Frank Craig and Mr. Craig.

Mr. and Mrs. Jack Alderidge and son David accompanied by Mrs. Walter Golding, of Montreal, visited friends here over the week-end.

Mrs. R. E. Moyce arrived here recently to spend the summer at her cottage after spending the winter with her sister in Vancouver.

Miss Pat Trottier, of Montreal, spent the week-end at the home of her parents, Mr. and Mrs. R. E. Trottier.

Congratulations to Mrs. M. Waters who was the lucky winner of the calf which was raffled at the school at Arundel recently.

Mrs. Robt. Bates and family spent Saturday visiting at the home of her brother, Mr. Wm. Hutton and Mrs. Hutton, at Pine Lake, on Saturday.

Morin Heights

Mr. and Mrs. Lorne Crawford, and son Brian, also Mr. O. Crawford, of Montreal, were guests of Mr. and Mrs. T. E. Seale on Saturday last.

Mr. and Mrs. T. E. Seale, and son Huntley, were Sunday guests of Mr. and Mrs. D. Morrow at Mille Isles.

Rev. C. R. Wood has returned home after holidaying at Ottawa. Mrs. Wood and son David, have remained due to the illness of Mrs. Wood's mother.

Mr. and Mrs. Herb. Bennett, Miss Lois Bennett and Miss Wilma Davis, of Harrington, visited friends here on Sunday last.

Mrs. Geo. Hamilton is still a patient in the Western Hospital.

Eighteen of the Boy Scouts attended the rally at Lachute on Saturday.

Mr. and Mrs. Chester Morrow held a reception at Bellevue Hotel on Friday evening last in honor of the marriage of their daughter Rena, to Mr. Edgar Ward, of Kilkenny. There were approximately 200 guests present.

Mr. and Mrs. Victor McCullough and family were recent guests of Mr. and Mrs. Cecil McCullough.

Mr. and Mrs. Ernest Hughes were recent guests of Mr. and Mrs. Alex McCullough.

Mr. and Mrs. Geo. Watchorn and Miss Doris Watchorn attended the wedding of Julian Fayett to Miss McLeish from Erskine American Church on Saturday afternoon last.

Mrs. Edith Davis and daughter Margaret accompanied by her sister Miss Amy Olsen, spent the week-end in Ottawa, then left by motor on Monday to spend a few days at Quebec City. Mrs. Allan Buxton accompanied them.

Mrs. W. Emmett and Miss Lillian Emmett were guests of Mr. and Mrs. Geo. Watchorn on Sunday.

Miss Bonnie Gillingham entertained a number of little girls at her 7th birthday on Tuesday afternoon.

Mr. and Mrs. Fred Watchorn, and Miss Barbara, visited Mr. and Mrs. Thos. Watchorn at St. Jovite on Sunday.

Col. J. E. Seale and Mrs. Seale, also Mrs. Melvin Dey arrived home this morning from Florida. Mr. Carl Seale is motoring and expecting to be home on Friday.

Mrs. A. Silverson, of Ottawa, is visiting with her daughter, Mrs. W. Darol and Mr. Darol.

Mr. and Mrs. John Heatlie, Sr., and Mr. and Mrs. John Heatlie, Jr., also Mr. Robert McFaul, motored to Hamilton, Ont. last week to attend Convocation of McMaster University, of which Miss Shirley Heatlie was one of the graduates. Miss Heatlie will spend a short visit here at her home before going on to attend Convention in London, Ont. next week, and later commencing duties in Toronto in New Canadian Fellowship Work under the Baptist Women's Home Mission Board.

Mrs. Alvin Connelly, of Brownsburg, and Mrs. Thos. MacCullough, are spending a few days with their mother, Mrs. George D. Murdoch, who is confined to bed. Friends wish her a speedy recovery.

Mr. Douglas Clark was in Ottawa on Wednesday of last week attending the all Eastern Holstein sale held at the Coliseum.

Mr. and Mrs. Clarence Brazeau, of Dorval, and Miss Inez Dewar, of Montreal, were week-end visitors of Mr. and Mrs. H. D. Welden.

Messrs. Garth Dawson, and Bert Bond, of Montreal, were week-end guests of Mr. and Mrs. Roy Dawson.

Grenville

Sunday guests of the Rev. and Mrs. P. R. Stote at the rectory were — the Rt. Rev. John Dixon, Bishop of Montreal, the Rev. Harrowood-Jones, of Montebello, Mr. and Mrs. Clifford Atkinson, of Ottawa.

Mr. and Mrs. James Oakman and daughter, Linda, were in Montreal for the week-end, and attended the wedding of Mrs. Oakman's sister on Saturday.

Friends of Mr. Walter Dewar are sorry to hear that he is a patient in the Hotel Dieu Hospital in Montreal, and good wishes are extended for a speedy recovery.

Mrs. Robert Mattson and two children have arrived home from Winnipeg, to be with her parents as her home has been flooded.

Mr. and Mrs. Craig and Mr. Victor Gaudry attended service in Chatham West Baptist Church last Sunday afternoon.

Mrs. Ernest Noble, will be hostess on Thursday evening to members of St. Matthews Ladies Guild.

Long Resident of Brownsburg Passes

The funeral of the late Walter W. MacVicar was held in the Brownsburg United Church on Sunday, May 21, the Rev. S. J. Pike, assisted by the Rev. C. R. Lang and the Rev. C. Maclean, officiating.

Mr. MacVicar was born in Dunany in 1868, and was the only son of the late John MacVicar and the late Sarah Smith. After having lived in Dalesville for several years, he married Elizabeth Ann Armstrong, of Lachute and they came to the farm in Brownsburg fifty years ago.

With his wife, he leaves to mourn his passing, three sons, John, Robert and George and one daughter, Sarah (Mrs. Russel Graham), and two grandsons.

Pall-bearers were Messrs. Victor and Fred MacVicar, Stanley and Edmund Smith, Bert Graham and Archie Murdoch.

Interment was made in Lachute Cemetery.

Quebec Grand Lodge Of L.O.B.A.

The annual meeting of the L.O.B.A. was held at Sherbrooke, Que., on May 19 and 20.

Many members from the County of Argenteuil were in attendance; among whom were Mrs. Ball, the Grand Mistress, Mrs. Billingham, Mrs. V. Billingham, Mrs. Licop, Miss Jean Elliott, Miss E. Gauley, Mrs. McVicar, and others.

Reports showed there had been an increase in membership, and a marked interest in the Degree work of the Order. The financial statements were satisfactory, all showing a good balance. Donations were voted to the Orphanage at Rosemere, the Flood Fund of Winnipeg, and the Fire Fund at Rimouski.

Mrs. Price of Montreal was elected and installed as Grand Mistress for the year 1950 to 1951. The next annual meeting will be in Montreal.

Haarlam (Holland) will raise a statue to the fictional boy who held his finger in the dyke.

L.O.L. Hold Provincial Meet at Sherbrooke

The 101st annual meeting of the Loyal Orange Lodge convened at Sherbrooke last week-end, and the following local members were in attendance: L. Tomalty, Nelson Morrison, L. Hodge, J. Butters, A. Gauley, T. Gauley, V. MacVicar, Rev. G. T. Spriggs and J. W. Cooper.

Reports presented were very encouraging; there had been an increase in membership and the financial statement showed a creditable balance. Many matters of provincial and national importance were discussed, including a resolution to the Attorney-General of Quebec regarding the Shawinigan Falls incident.

The Orphanage, under the Superintendance of Mrs. Pilkington, at Rosemere, is progressing fayorably, and will soon have a total of ten children for whom to care. Mrs. N. Copeland, of Lachute, was particularly congratulated for her continued work in raising funds for this important work.

The election of officers and installation was carried out by Bro. W. H. Brady, B.A., and Nelson Morrison, of Dunany, was made the Provincial Grand Master, and Mr. Lorne Tomalty was installed as Deputy Lecturer and Rev. G. T. Spriggs as Deputy Chaplain.

Well-Known Montreal Contractor Dies

The Late J. A. Durocher

A well-known general contractor, Mr. J. A. Durocher, died at his residence 675 Dunlop, Outremont after a long illness on May 12, 1950 at the age of 72 years. He was the father-in-law of the Honorable Georges E. Dansereau, of Grenville, Que., former Provincial Minister of Highways and Public Works.

Mr. Durocher had been the contractor in the construction of 36 schools for the Catholic School Commission of Montreal. He also rebuilt the Montreal City Hall after its destruction by fire in 1921, and built both the Hotel-Dieu and St. Charles Hospitals at St. Hyacinthe.

During his lifetime, Mr. Durocher had been active in assisting many social services in the Montreal district.

He was born at St. Damase, near St. Hyacinthe, and received his education at St. Cesaire College. He had resided in Montreal for about half a century.

Surviving him is his wife, Alexandrine (née Moreau); six children, Hector, Therese (Mme Louis Marchildon), Gabriel, Veronique, Emile, all of Montreal, and Georgette (Mme Georges E. Dansereau), of Grenville, Que. Mr. Durocher also leaves a sister, Mrs. Kepron, of Montreal, two brothers in New York, and 13 grandchildren.

The funeral service took place on May 16th, at the Church of St. Germain d'Outremont, and was attended by a large number of friends and relatives. Father Brennan was the Celebrant, with Father Renault, curate of Belle-Rive, as Deacon and Father Theriault, curate of Grenville, as assistant-Deacon. Masses were celebrated at two side altars by friends of the family. The choir was under the direction of Mr. Gerald Desmarias.

Food Parcels Still Needed in Britain

In view of the closing on April 30, 1950, of the services of the United Emergency Fund for Britain, branches of the Quebec Women's Institutes have been asking if their Personal Parcel project was still of benefit. They will be interested in hearing that the Women's Voluntary Services, in Montreal, have made inquiries as to the present food situation in Britain and have received the following cable from W.V.S., London, England, in reply: "While wartime rationing of food continues here, parcels are of greatest value".

A card has been received at the Q.W.I. office from Miss J. M. Bovey, Chairman Personal Parcels Committee, W.V.S., Montreal, giving the above information that parcels continue to be sent as before, by post, or ordering through stores, etc. She adds meats, sugar, shortening and butter, are now the most needed items of food.

Many branches order their parcels through "Canaid", as these are made up in varying prices and sizes and consist almost entirely of the essential foods listed. These are still available until further notice.

MOTHER RUNS, WARDEN GETS WOLF CUBS

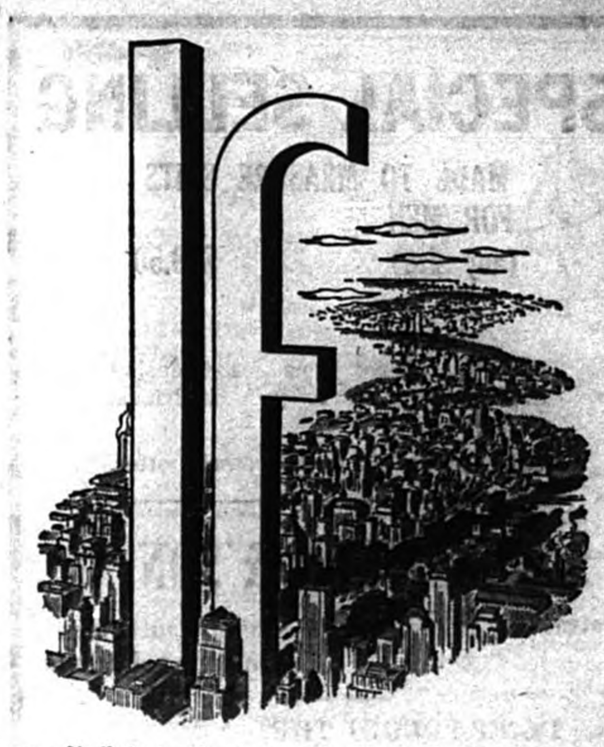

—Central Press Canadian

These four wolf cubs were captured near Orangeville, Ont., after they were spotted with their mother. The mother ran away and now Eddie Smith, game warden, has the cubs.

LIFETIME CARPET

Halifax, Yorkshire, England (CP) — A rubber wool carpet which lasts a lifetime will sound attractive to housewives bothered by renewals every few years. Invented by Percy Shaw, the carpet is dirt-resistant, the pile is washable, it will not slip and needs no underfelt. Full production is expected toward the end of this year.

If all the people who work for the telephone company,

And all the people who earn a living by making the things the telephone company needs,

And all the people who have their savings invested in the telephone company,

And all the people who depend on good telephone service to run their businesses and manage their homes;

If all these people, with their families, lived in one city,

This City-With-No-Name would be by far the largest in Canada, and one of the largest in the world.

Keeping pace with the growing needs of communities everywhere for more and better telephone service has taken lots of work and lots of money.

Only a financially healthy telephone company can carry on this big job.

Telephone users, employees, shareholders — everyone has a vital interest in a service that means so much to the welfare of so many people.

Flood Victims Need Aid Send Help NOW

Cottage owners at Winnipeg Beach, a resort town 48 miles north of the City of Winnipeg, have opened their doors and their hearts to 5,000 flood refugees.

The majority have made their cottages available to Winnipeg families on a rent-free basis.

Pat Irwin, Mayor of Winnipeg Beach, called an emergency meeting of service clubs and cottage owners while the flood was still in its infancy. He asked for the co-operation of cottage owners, and discovered that they had already been considering some method of assisting flood refugees.

The most obvious way of helping was to hand the keys of the cottages over to a central committee that would look after registration. Within half a week, the cottages were filled. They were homes for the homeless.

Refugees flocked in from as far away as Emerson on the international boundary. They found a voluntary organization of 100 persons awaiting them and ready with clothing stores, an inoculation clinic, and food for those left destitute by the ravages of the flood.

Red Cross vouchers were issued to provide food, coal, and medical prescriptions. A sound truck roamed the streets of the resort town, broadcasting reassuring messages, while a committee of public-spirited women travelled from door to door, offering what assistance they could.

"Many people have brought with them no more than the clothes they stand in", Mayor Irwin told a reporter of the Manitoba Flood Relief Fund who paid a visit to the resort town. "We're doing the best we can for them, but our assistance can only be of temporary nature".

The Manitoba Flood Relief Fund has assumed the task of rehabilitating flood victims, a job which begins when that of Winnipeg Beach ends. On their journey homeward, the people staying at Winnipeg Beach will face the cheerless prospect of warped and cracking walls, ruined furniture, weeks of unrelenting toil and years of financial worries — unless all Canada matches the example of the cottage owners of Winnipeg Beach.

Contributions may be sent to the Manitoba Flood Relief Fund, paid into the nearest bank, or sent to the Lachute Watchman.

At the time of the 1941 census there were 3.22 persons per square mile in Canada. Belgium has more than 700 persons per square mile.

— Quick Canadian Facts

The Cycle of the Seasons

When May with shining veil of showers
Comes tripping o'er the hills
We know that spring has come to stay
With golden wealth of daffodils

Comes summer gay on dancing feet
In rainbow tinted gown,
Garlands of flowers sweet she wears
With roses for a crown.

Now autumn comes more quietly,
With steps sedate and slow,
Her gift the harvest apples sweet
With russet cheeks aglow.

Then winter spreads a blanket white
O'er naked hill and field.
And sleeping nature hushed, prepares
For springs abundant yield.

Thus the seasons as they pass
Each their gifts bestow,
The flower, the fruit, the harvest,
The soft, protecting snow.

1682 "Digestor" Pressure Cooker

French Invention Provided Royal Society With Full Meal

Royston, Hertfordshire, England, May 20 (CP) — The pressure cooker is usually regarded as a recent invention for saving time spent in the kitchen.

Actually, the ladies of King Charles II's court, though probably incapable of boiling an egg, heard all about pressure cookers, although in those days they were known as "digestors".

They were mentioned in John Evelyn's diary for April 12, 1682, when he said he "went this afternoon with severall of ye Royal Society to a supper which was all dress'd, both fish and flesh in Monsieur Papin's digestors, by which the hardest bones of beefe itselfe, and mutton, were made as soft as cheese without water or other liquor, and with less than eight ounces of coales produced an incredible quantity of gravy".

The utensil which caused so much excitement looked very much like the modern cooker, valve and all. One of them was recently discovered in a village shop here.

The proprietor was rummaging through his cellar when he came across it. Puzzled by the construction of the lid and the special valve, he took it to experts, who pronounced it to be a "digestor" of about 1700.

The Royal Society of which Evelyn spoke is, of course, Britain's famous scientific society, and presumably the honor of inventing the pressure cooker should go to France and the unknown "M. Papin".

Amount received by unemployed Canadians from the unemployment insurance fund for twelve months ended February 28, 1950, was $79,851,401. Amount of administration costs charged against the fund for the same period was $20,358,734 or a little more than 25 per cent.

— Quick Canadian Facts

TO CARRY CANADIAN EMBLEM OVERSEAS—Shown inspecting the Canada Goose, long familiar trademark of Canada in the sky, which has been selected as the new insignia for Canadian Pacific Airlines, are R. W. Ryan, (left) executive assistant to the president, C.P.A., and W. G. Townley, general manager of operations for the airline, both of Vancouver. This famous bird, with aerial traits of high speed and long distance flight, will highlight the design on Canadian Pacific planes flying the Pacific Ocean to the Orient and Australia as well as on routes in Canada. The new insignia on the nose of C.P.A. airplanes, shows a true rendering of the Canada Goose (as pictured) in straight flight and is treated in dark blue, white and grey-brown. It has an overall length of nine feet when applied on the company's four-engined Canadair-IV's and six feet on the two-engined DC-3 aircraft. Supporting the insignia on the fuselage is a tapering flight line of bright red, with a narrow silver line through the centre, which carries through on the fin and rubber. The company's standard script lettering "Canadian Pacific" is painted in dark blue above the window level. The Canada Goose insignia, developed by the Canadian Pacific Department of Public Relations in co-operation with Mr. John Hampshire, Montreal-born industrial designer now practising in New York, has been worked into a standard style and color pattern which will be used on all forms of C.P.A. promotional and sales material.

Help Fight Polio

Cam Robertson, 7, of Toronto, is determined to aid the Canadian Foundation for Poliomyelitis in its constant fight against the dread disease in Canada. Recently, Cam wrote to the Canadian March of Dimes, enclosing a contribution to the fund. He said, "Here is 50 cents I saved up for the Canadian March of Dimes. I had polio last summer and hope that no boys or girls get it this year."

In a letter thanking the boy, Horace Brown, Founder and Executive Director of the Foundation, said, "We were glad to get your donation of 50 cents to the Canadian March of Dimes, which you had saved up yourself. Believe me Cam, a donation like that means a lot to us.

"You say you had Poliomyelitis yourself last summer, and that you hope no boys or girls get it this year. We hope so, too, Cam, but I am very much afraid that it is a wish that cannot be granted. There are no fairy godmothers to wave wands and cure polio; the cure must be found by men and women working hard day and night in what is known as "research" . . . that means trying to find out what causes a thing, and fixing it.

"You know Cam, I had polio myself when I was only eight months old, so I am always glad to get letters from fellows like yourself. Just keep on thinking of the other person, and polio will never worry you".

In 1949 there were 164 wheat flour mills in Canada with a total daily capacity of 105,949 barrels in 24 hours.

Quebec City is Canada's oldest city. — Quick Canadian Facts.

Badly-Designed Utensils Shown

Exhibition Includes Poorly-Insulated Pots and Pans

Friern Barnet, Middlesex, England, May 20 (CP) — An unusual exhibition held here recently featured badly-designed household accessories.

It was organized by the five-year-old Friern Barnet Urban Council Women's Advisory Panel on Housing, representing local organizations working to solve problems of housewives.

Exhibits included pots and pans, the handles of which were apparently insulated against heat until housewives found they were not. There were kettles which spouted water when near boiling and were difficult to clean, and teacups so wide and shallow that their contents cooled quickly.

Besides lamps which threw light anywhere but on the reader's book and gate-legged tables seemingly designed to give at the legs, were included. Playpens shown had been made with dangerous screws which children easily removed and tried to swallow.

As an antidote, the housewives of the town included the kind of articles they did like to see in their homes. Many of these were designed by the London region of the Design and Industries Association.

PITY THE COUNCIL

This is the time of year to be lenient with the town councillors. While they wrestle with their estimates, trying to keep the tax rate down, they must listen to worthy causes asking for more town funds.

W. Erskine Rodger Attends Ayrshire Events in U.S.A.

As Told to the Editor of Ayrshire Review

In accordance with past practise in that respect my fellow directors on the Executive Committee of Canadian Ayrshire Breeders' Association delegated me to attend the annual meeting of the Aytshire Breeders' Association of the United States. A pleasant procedure for me at any rate. There are no official duties attached to such attendance. Just a sort of "good-will" appearance and so I had an opportunity to meet quite a few old acquaintances and to meet a lot of others.

This annual meeting was held at Syracuse, N.Y., on May 6, 1950, and this year's meeting was also in celebration of the Diamond Jubilee of the United States Association. Since this was the first time I had attended a meeting of the sjster association across the line I found a great deal to interest me. So much so that it would take a great deal of space to even briefly relate a few of them. I may say here, however, that one of the things that impressed and interested me most was the almost precision clock-work manner in which the business of the meeting was handled.

I might also add that quite a number of my fellow Canadian Ayrshire breeders were in attendance at either or both the annual meeting and the Grand National Sale which was held on the following day. Including the following Ontarians — J. L. Stansell, Aylmer; Howard and Mrs. Kittle, and Mr. and Mrs. Merkley of Winchester.

There was quite a large contingent from Quebec including representatives from Burnside, which firm consigned three head to the sale. The Burnside contingent consisted of Douglas A. Ness, his daughter, Miss Aileen, Mitchell A. Ness and Rebert (Bobby) Ness, son of J. Earle Ness, of Terrace Bank. Along with them were Gerald A. Roy and Bob McFarlane. Also in attendance at the sale was Jack McConnell, of Montreal and Timber-Top Farm, of Mont Rolland, and Wyman and Mrs. MacKeehnie, of Wyman.

Also it was a great pleasure to meet two distinguished Scottish Ayrshire breeders, James Howie, Jr., of Eglinton Mains, President of the Ayrshire Cattle Herd Book Society of Great Britain, and David Patterson, of The Lagg, immediate Past President of that Society.

It was also interesting to meet two natives of Lachute who are now located somewhere in New York State — Dr. Irvin Centre and Carswell McClure. Dr. Centre has an Ayrshire herd.

I was also pleased to see Cliff Conklin, Secretary-Manager of the U.S. Association, who was looking pretty much his old self after a spell of sickness.

Cliff Conklin and C. M. Rodriguez(retiring president, asked me to convey their best wishes to a number of their Canadian friends.

Both the luncheon and banquet were a tremendous success. The chief guest speaker was James G. Hays, Humourist and Dairy Specialist. To which description we might add "extraordinary". Other speakers were Messrs. Howie and Patterson. Mr. Howie gave a most impressive speech, mostly as regards the Scottish Society. Mr. Patterson delighted his audience with his many witty sayings including several humorous comments about his compatriot, James Howie. The writer briefly extended greetings on behalf of Canadian Ayrshire breeders.

On the Saturday night, six of us from Canada were privileged to entertain the two Scots at dinner. The Canadians present being Douglas A. Ness, Wyman and Mrs. MacKechnie; W. J. McConnell and myself. After a pleasant hour or so at dinner we had another pleasure in store for us. Mr. and Mrs. Ezra Stone of Stone Meadows Farm, Penna., joined us. Mr. Stone owns a herd of Ayrshires, but he is probably best known as the famous Henry Aldrich of Radio.

During the course of our visit to Syracuse, we also had the pleasure of meeting Senor Tulio Ospina and his son from Medellin, Colombia, South America. Senor Ospina operates a large Ayrshire herd in Colombia.

Like the meeting and banquet, the sales were splendidly and efficiently organized. Actually there were three separate sales — the third Grand National Bull Sale and the second Grand National Heifer Calf Sale, both of which were staged as between 10.30 a.m. and noon of Saturday, May 6. The eight Grand National Female Sale was staged during the afternoon. Whilst it is not our intention to make any detailed comments on these sales we may state that we were impressed with the high record backing of most of the animals sold. Also that we Canadians were gratified that the R. R. Ness & Sons entries were the three highest priced animals of the series. That is Carnel Hazel 4th (Imp.) at $1,750.00; Willoxton Flowers 2nd (Imp.) at $1,110.00 and Burnside Predominant at $1,050.00. The Burnside cattle were brought out in grand form. It was also interesting to us that the fourth highest priced animal of the sale has a Canadian background. That is the Strathglass Farm entry, Strathglass Clippy Blossom at $925.00. Her dam is the R. R. Ness & Sons' Burnside-bred Burnside Top Grade's Blossom by Burnside Lucky Top Grade and from Burnside Barr Blossom.

Whilst the outward journey by train was rather tedious, the return journey was most interesting and pleasant. The return journey having been made by car, my host and driver being Jack McConnell. We left Syracuse at 9 a.m. on the Sunday morning; travelled across New York State to Rooseveltown and thence across the St. Lawrence to Cornwall, Ont., and from thence to Montreal which we reached at 4 p.m.

Tropic Whaling Revived Off Australian Coast

Miniature Township Created On Island for Processing; Norwegian Experts Employed

By Bruce Hamilton

Perth, Western Australia, May 20 (Reuters) — After years of neglect and apathy, Australia is now trying to revive what is probably her oldest industry—whaling.

For years she has watched Japanese whaling expeditions and, more recently, Russian ships sailing past her shores to join the hunters from Norway, Holland, Britain, South Africa and other countries in the icy waters off the Antarctic continent.

But Australia's new venture will have nothing to do with the icebergs, blizzards and intolerable cold which are usually associated with whaling. It will be located off the hot, dry coast of western Australia, almost on the tropic of Capricorn.

In the early days of Australia's history, small parties of whalers and sealers lived an adventurous and highly dangerous life round the Australian coast, operating in tiny craft and fighting against rough seas, uncharted shores and savage natives.

Gradually, the number of whales decreased and remunerative catches became more difficult to secure. The industry practically died out for nearly a century.

In mid-June, two whale chasers will put to sea from Babbage Island, off Carnarvon in Western Australia, to begin a hunt which is expected to yield whale products worth $1,500,000 in three or four months.

The chasers will work for the Australian Whaling Commission, set up last year by the federal government in an effort to share the wealth taken every year from Australia's "back door".

Built On Clyde

They are the Gascoyne, a 344-ton vessel which recently arrived at Freemantle from South Georgia, and a second vessel, the Carnarvon, newly built on the Clyde.

They will operate about 50 miles to sea, seeking the hump-backed whales which come north from the Antarctic to tropical waters each year.

The commission has set up a modern whaling station on Babbage Island, after levelling sandhills, building roads and creating a miniature township with electric light and power. Norwegian experts, who will train Australians in the work of the whaling industry, are already living at the station.

A former Royal Australian Air Force workshop has been taken to the Island and converted into a processing factory. Five large digesters, made in Oslo, will be operated with steam generators and each one will be capable of processing an entire whale in from four to six hours. Each whale must be processed within 36 hours of being caught.

This season, the whalers hope to catch six humpbacked whales, measuring between 35 and 40 feet, each day.

The great digesters will reduce the tons of whale meat, bone and blubber to pulp. Oil and meal will be extracted and the remainder converted to stock food by a modern plant of American design.

Canada's production of crude petroleum reached 21,500,000 barrels last year, an increase of 74 per cent over 1948.

Around the Home...

TOM GARD'S NOTE BOOK

Human nature being what it is, we seem to require an extra stimulus to carry out the annual spring cleanup. A program of concentrated action always gets results and members of the Junior Chamber of Commerce are conducting just such a program this year. What a country we'll have when each one does his bit in this national campaign. Examine the slogan "clean up, paint up, plant up, light up" more closely, and you'll be amazed at the number of jobs now awaiting your attention that must be completed before your place is shipshape. What's more important, you'll be amazed at the improved appearance of your property with two or three days of concerted effort.

Why not begin by making a small gadget to ease the burden of washing outside windows. The cleaner illustrated is as effective as it is simple to make.

Discourage Flies

I dropped in unexpectedly on an old friend of mine the other day and found him making his own window screens for the summer cottage. I was so impressed with the ease with which he turned them out I decided to make some myself for the house. The chief handicap confronting most people is their fear of tackling a new job. In case you have promised to screen that bedroom window this year, you'll find a handy list of material and sizes in the booklet "Around the Home".

Flower Pot Covers

The beauty of potted plants can often be strikingly enhanced by enclosing the flower pot in an attractive plywood container. The corners are fastened with small finishing nails, or laced together with leather thongs or shoe laces. If laced, drill the holes at two-inch intervals, top and bottom holes about one inch from the ends.

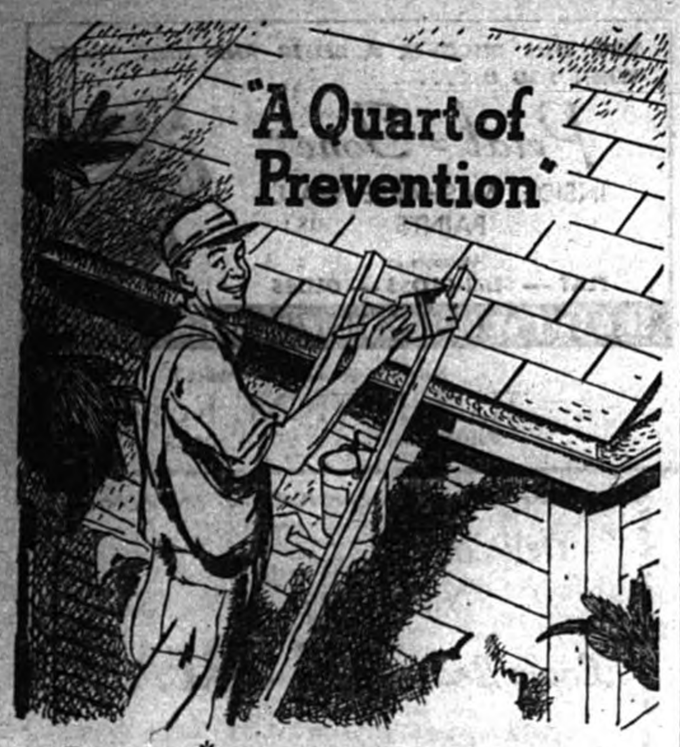

B.C. fir with an attractive grain or pattern is excellent. The wood then can be left natural—or painted to harmonize with the colour scheme of the room. Further decoration can be provided by using floral transfers on the four sides.

More about these and many other ideas in the booklet "AROUND THE HOME". Write for your copy to Tom Gard, c/o MOLSON BREWERY LTD., P.O. Box 1600, Place d'Armes, Montreal, Quebec.

Barrett* Rust-Proofing Paints

SILVEX* ALUMINUM PAINT Now, a really effective, ready-to-use aluminum paint. No mixing! Just open the can, stir *lightly*, and brush (or spray) it on. Resists moisture, corrosive fumes, even salt spray . . . reflects light and heat up to 75%. Use all-weather, all-purpose "Silvex" Paint to protect any metal, wood or concrete indoors or out.

EVERJET* PAINT Another fine Barrett rust-proofing paint. Apply "Everjet" Paint with either brush or spray to any exposed metalwork. Dries fast to a hard, black, glossy surface that seals the weather out.

STOP LEAKS with Plastic Elastigum* Cement. Seals flashings, ideal for patching. A thin coating of Liquid Elastigum* Cement reseals old roll roofings.

STOP SEEPAGE with Hydronon* Paint. An ideal damp-proofer for cement or wood.

INSULATE with Barrett* Rock Wool. Available in Batts, Blankets, Loose or Granulated forms.

NEW ROOFS cost less than you'd guess! Ask about Barrett* Asphalt Shingles with a whole *new* selection of colour harmonies. For barns, you can't do better than hard-wearing Barrett Storm King* Roll Roofing.

Your Barrett dealer sells Protection *Plus*

He stocks a complete line of roofing, insulation and weatherproofing materials. He's got what it takes to stop almost any weather. Whether your problem is leakage, seepage, rust or rot—see your Barrett dealer first!

Women's Institute Progress In Great Britain

A copy of the 33rd annual report of the National Federation of Women's Institutes, England, for the year 1949, has just reached the office of the Quebec Women's Institutes, and gives a vivid picture of the achievements of this voluntary association. Commenting on the fact that it has grown in size, strength and vigour in spite of a time of national anxiety and world-wide economic difficulties, it adds, "This will be particularly welcomed by those who hold that the maintenance of free voluntary associations, such as the N.F.W.I. is of the utmost importance in an increasingly planned national and international economy".

There are now 7,281 W.I. branches in England with a total membership of 438,000, an increase in the last two years of 58,000. Good progress is being made in the Channell Isles, where Institutes have only been formed since the war and requests, which are being met, have been received from the Isle of Man to form branches there.

The report of the work carried on at Denman College is of special interest. During the year 1,571 students have stayed at the College and visitors from East Africa, Australia, Ceylon, Denmark, Germany, India, Malaya, Natal, New Zealand, Norway, Northern and Southern Rhodesia and Sweden have been welcomed.

Extensive gardens are connected with the College, which are used at many courses for teaching purposes. These supply the College with fruit and vegetables and in addition the surplus was marketed bringing in £1,000.

Canadian population estimates at June, 1949, showed that out of a total of 13,549,000 persons, there were 8,799,800 between the ages of sixteen and seventy and therefore not qualified for old age pensions or baby bonus.

— Quick Canadian Facts

Double-Ring Ceremony At Verona Church

Gross - Titley

A very pretty double-ring wedding took place in Verona Penticostal Church on Saturday, May 13, at 3 o'clock, with the Rev. Laurie Price, of Belleville officiating.

Muriel Elinor, of Verdun, Que., daughter of Mr. and Mrs. Wilbert Titley, of Harrowsmith, R.R. 2, Ont. was united in marriage to Mr. Geo. Gross, son of Mr. George Gross, of New Brunswick, New. Jersey, U.S.A.

The bride wore a low cut white satin gown, with lace inset studded with pearls at the neck, a long train, and a headpiece of pearls with a waist length veil. Her only ornament was a gold wrist watch, gift of the groom. Her bouquet was red roses. The maid of honor Miss Lillian Titley, wore a blue silk dress with lace overskirt, blue veil with headpiece of flowers and she carried pink carnations. The bridesmaids, Mrs. H. Hodgson, and Dorothy Powell, wore yellow and pink silk dresses with veils to match, and headpieces of flowers and they carried blue and yellow carnations. Judy and Shirley Dixon, of Dalesville, nieces of the bride acted as flower girls, wearing blue and yellow voile with flowers as headpieces, carrying baskets of mixed flowers. Ralph and Philip Hodgson, nephews of the bride acted as page boys in white sailor suits. The ushers were John Himick, Merlin and Eldon Titley. The best man was Munroe Bowne.

The wedding music was played by Rowena Wiseman, and during the signing of the register, "The Wedding Prayer" was sung by the Rev. Hope Smith, of Belleville, Ont. After a reception at Murvale hall, the happy couple left for Niagara Falls and points west. They will reside in New Brunswick, N.J., U.S.A. The Church was decorated with ferns, flowers and plants, and the hall was decorated with white bells and pink and white streamers.

Just one of the many scenes in the thousands of flooded houses in the Winnipeg area is shown above. Here a frantic householder tries to save some of his furniture, but the water keeps rising and even his refrigerator is swamped. House after house shows a similar grim picture of swollen and water-logged furniture; tables and chairs floating up against ceiling, and drowned stoves and refrigerators. A mortal blow has been dealt the people of Southern Manitoba and the Manitoba Flood Relief Fund has been established to provide assistance to flood victims who have lost their possessions. Donations to the Flood Relief Fund may be made to any bank in Canada or direct to Fund Headquarters in Winnipeg.

DOMESTIC TRAINING PROVES UNPOPULAR

Bloemfontein, S. Africa (CP) — Many South African girls are in revolt against domestic training, according to the department of education.

A memorandum drawn up by the department says that the increasing unpopularity of these courses is a general phenomenon of the department's institutions. The position has got so bad that at two domestic and industrial girls' schools, the number of pupils has dropped by half.

When the domestic schools were established 50 years ago, the courses satisfied the needs of the day, but since then totally new economic and social needs have arisen.

The pay for this type of work is so small compared with other work now open to women that girls will not undertake the training.

The memorandum recommends that training should be brought up to date.

AMONG THE CHURCHES

Montreal Youth Group Assist at Brownsburg

The service in the Brownsburg United Church last Sunday morning was of special interest and concern by the visitation of a number of young folk, representing the Montreal Presbytery Young People's Union, and their participation. The Minister, Rev. S. J. Pike, welcomed the group at the opening of the service and introduced them individually, which included Miss Viola Russell, who brought the children's story and a brief report on hospital visitation as carried on by the Union, Mr. Ibbs Avry who would take the topic of the morning and Mr. Lloyd Martin who conducted the service. This group, with Jas. Taylor, superintendent of St. James United Church Sunday School, Montreal, also visited the Sunday School where Mr. Taylor brought the greetings of St. James, in a most hearty and inspiring manner. Another interesting feature of the visitation was the fact that Mr. Taylor was accompanied by his Sunday School Class of boys, who took their place with the other classes during the service. They were all guests of members of the congregation for dinner.

Amateur Concert Popular At Brownsburg Church

The Amateur Concert, on Monday evening, about which so much interest had been manifested, proved to be a great success. A full auditorium greeted the young performers of the Sunday School, who gave a good account of themselves in every item. The groups of solos, duets, trios, readings, pianoforte solos and exercises, ranged from pre-school age, or the beginners, up to the senior classes. The preparation and arranging for this evening was not an easy matter, but the efficient committee composed of teachers did a fine piece of work, while Mrs. Jas. Thompson was accompanist for the rendition of the various parts.

Contributions towards prizes were liberal on the part of the congregation and school, so that every contestant, other than the winner of the first prize, also received a gift. The neutral judges, in the persons of Mr. E. Morrison, and Mr. M. Templeton, of Lachute, gave fair decisions and were warmly acclaimed, as was each contestant. Mr. C. J. Wheeler, in his usual humorous manner, entertained the audience during the absence of the judges and awaiting their decisions. The Minister, the Rev. S. J. Pike, acted as chairman. As a further incentive to the committee it has been asked, "when is there going to be another amateur concert?" The committee wish to thank all who helped to make the novel event such a success.

Ministerial Association

The Argenteuil Protestant Ministerial Association will convene on May 29, at 10 a.m. at The Manse, Cushing. Devotional address by the Rev. A. G. Moore. Many important matters are on the Agenda. All Ministers in the County are invited to attend.

The Holy Bible

Authorized or King James Version of 1611

The text thereof is unaltered but this special edition appends a unique Theocratic Concordance for quickly locating important Bible passages, besides other handy Bible-study and Kingdom-witness helps. The edition is in flexible binding of maroon color, and measures 7⅝" x 5¼" x 1⅝". It is sent postpaid on a contribution of $1 a copy. — Write 40 Irwin Avenue, Toronto 5, Ont.

"This Beautiful Earth, in God's Purpose."

Our kind, loving Creator of the heavens and the earth, whose name alone is Jehovah (Psalms 83:18). . . In His book, the Bible, He says "The heaven is My throne, and the earth is My footstool; I will make the place of My feet Glorious. (Isaiah 66:1, 60:13.)

LITERAL EARTH TO ABIDE AND BE INHABITED FOREVER

Gen. 1:1: "In the beginning God created the heaven and the earth".
Isa. 45: 18: "For thus saith the Lord that created the heaven; God himself that formed the earth and made it; he hath established it, he created it not in vain, he formed it to be inhabited".
Eccl. 1:4: "One generation passeth away, and another generation cometh: but the earth abideth for ever".
Ps. 37: 11, 29; Matt. 5:5: "The meek shall inherit the earth; and shall delight themselves in the abundance of peace. The righteous shall inherit the land, and dwell therein for ever".
Ps. 78:69: "He built his sanctuary like high palaces, like the earth which he hath established for ever".
Ps. 115: 16: "The heaven, even the heaven, are the Lord's: but the earth hath he given to the children of men".
Ps. 119: 90: "Thou hast established the earth, and it abideth".
Prov. 2: 21, 22: "The upright shall dwell in the land, and the perfect shall remain in it. But the wicked shall be cut off from the earth, and the transgressors shall be rooted out of it".
Prov. 10: 30: "The righteous shall never be removed".
See also: Ps. 104: 5; Isa. 60: 21.

Former Lachute Resident Dies at Hamilton

The Late Mrs. Donald Demone

Mrs. Donald Demone, the former Mary McFarlane, died at her residence, 46 Albert St., Hamilton, in her 42nd year. She had been ill for several months. A native of Lachute, Que., she resided in Saskatchewan for some time before moving to Hamilton ten years ago.

Mrs. Demone was a member of Trinity Lutheran Church, and besides her husband she leaves her father, George McFarlane and a sister, Mrs. Jess Hawkins of Hoosier, Sask., and four aunts, Mrs. Mary Doig and Mrs. Dave Berry, of Lachute, Mrs. Joseph Hyslop and Mrs. Janett Thompson, of Saskatoon, Sask.

Service was held at the funeral home of Swackhamer and Hilts, with interment in Woodland Cemetery.

Stephen C. Pike to Receive Degree at McGill Convocation

Among the successful local students in the McGill University, recent lists of graduates appears the name of Stephen C. Pike, son of Rev. and Mrs. S. J. Pike, of Brownsburg, for the degree of Bachelor of Engineering (Mechanical). It may be noted that in his school leaving at Lachute High in 1942, Mr. Pike obtained the Wilson Prize for Intermediate Mathematics and the Principal's (Hall) Prize for Physics. Mr. Pike has already secured an important position with the Northern Electric in Montreal. From Stanstead College, Stanstead, Que., in 1943, he joined the R.C.A.F., and received his wings at Calgary, Alberta, in 1945. Along with his educational career, Mr. Pike has also taken music as a sideline.

Canada sent school supplies to Sicily in gratitude to Sicilians who tended Canadian graves.

DEATHS

CARPENTER — At Lachute, on Sunday, May 21, Elizabeth Robinson, widow of the late James Carpenter, in her 91st year. Funeral took place from her late residence on Wednesday, May 24, at 2.30 p.m. to Lachute Cemetery.

MORRISON — at the Royal Edward Laurentian Hospital, Ste. Agathe, Tuesday, May 23. Jean Edna Watson, beloved wife of Royce Morrison, of Weir, Que., and daughter of Chas. and Lucinga Watson, of the Town of Mount Royal, age 25 years. Funeral from the Chapel of Jos. C. Wray and Bros., 1234 Mountain St., at 3 p.m. Thursday, to Mount Royal Cemetery.

ACKNOWLEDGMENTS

KIRKPATRICK — In loving memory of a dear father, John Kirkpatrick, who passed away May 22, 1946. Always remembered by Iona and Bob.
"Four years ago he went away
The Dad we loved who taught us all.
And yet today we often say,
Dad said, 'This is the way'."

MacVICAR — Mrs. Walter MacVicar and family wish to extend their sincere thanks and appreciation for acts of kindness, messages of sympathy and beautiful flowers received from their kind friends and neighbors during their recent sad bereavement.

Kiquing's shock-haired "fuzzie-wuzzies" of New Guinea are enlisting in the Royal Australian Navy.

A MEDAL WINNER

Graduation exercises took place recently at Loyola College, where thirty-one graduates of St. Mary's Hospital received their diplomas and pins. Miss Beatrice Barron, daughter of Mr. and Mrs. Ed Barron, of Grenville, Que., received the Medical Board Medal for General Proficiency, presented by Dr. H. S. Dolan, chief of the Medical Staff.

ENGAGEMENT

The engagement is announced of Claire Lucena Prosser, daughter of the late Mr. and Mrs. George C. Prosser, of Brownsburg, to Thos. Gordon Smith, son of Mr. and Mrs. Gordon M. Smith, of Lachute. The marriage to take place quietly early in June.

• • •

Mr. and Mrs. C. W. Abbott, of Saskatoon, Sask., wish to announce the engagement of their eldest daughter, Phyllis R., to Mr. J. E. Grant Tomalty, youngest son of the late Mr. David Tomalty and Mrs. Tomalty, of Brownsburg, Que. The wedding has been arranged to take place in June, at Brownsburg, Que.

½ the TIME and LABOUR costs in painting

● CROWN-KOTE is made from specially-treated reaction products of the plastic group which have been "copolymerized" with vegetable oils producing the vehicle for this product, a paint that can be applied in a heavy coat which dries firm and dense without surface wrinkling and being less sensitive to weather change. This type of paint is harder, more durable and longer lasting and it can be truly said that "two coats can be applied at one time with CROWN-KOTE, the marvelous one-coat Exterior White".

All Ready for the Freezer

Each year more locker storage is made available as the popularity of frozen fruits and vegetables increases. More and more families are enjoying the freshness of strawberries and asparagus in January. Some homes are fortunate enough to have their own home freezer but sometimes these lockers are not used to best advantage.

Many homemakers have learned about preparation of foods, for locker storage, by bitter experience. They did not blanch the vegetables and took from the locker peas and beans that were quite unpalatable. They may have stored the fruits without sugar or with too much syrup and felt great disappointment with the results. For these and also for the novices in this type of preservation, the home economists of the Consumer Section, Department of Agriculture, Ottawa, have many helpful suggestions.

The first consideration and perhaps one of the most important steps is budgeting the storage space. Too often large quantities of asparagus or strawberries are frozen in the first burst of enthusiasm and then by the time corn and blueberries are ready there is no space left. Each family has its preferences for certain foods, so the homemaker will have to make her own decisions in this matter. In every case there should be a carefully thought out plan for the entire season.

If products are stored in the locker without careful labelling, the homemaker or other person may hope to bring peas and raspberries, but find that she has on her hands, two containers of pumpkin ready for pies. Then, there should be a space set aside for each of the products.

Plywood partitions to separate locker space into convenient sections may be used or nests of wire baskets for each compartment of a home freezer work very satisfactorily. Sets of mesh bags for each compartment of a home freezer work very satisfactorily. Sets of mesh bags for each fruit and vegetable are another means of separating locker space for more convenient and effective usage.

Once the locker or freezer space has been allotted, a map or chart showing the locations of each food should be drawn up. This map could be kept on the locker or freezer door or placed above the freezer. By always putting a certain food in the same place the chart will soon become familiar.

Every parcel for the locker must be labelled as to what it contains, when it was packed and perhaps the number of servings it contains. This should be done in a clear, easily identified manner. With the various types of meat, it is a good idea to use different colored strings or tapes to identify them; for example, red for beef, blue for pork, green for lamb, etc. Another suggestion is to tie small packages together into one large bundle, making sure that each little one is well labelled. In this way it is much easier to find one large bundle than several small ones.

It is most necessary that an inventory be kept of all foods placed in the locker or freezer, so that at all times there is a record of what remains. When the packages are taken from the freezer, the number is reduced on the record sheet. The inventory will then be a guide to planning menus as the housewife can tell at a glance what remains to be used.

The bulletin "Freezing Fruits and Vegetables" is available free of charge from the Department of Agriculture, Ottawa. It gives all necessary information on preparing fruits and vegetables for frozen storage as well as points on using them when they are taken from the freezer.

A new word, "simulcast", means a program broadcast for radio and television simultaneously.

Sunnyacres Sketches

RANDOM WRITINGS ON THE RURAL SCENE

By Margaret Cook

It is now a year since the first of these articles appeared. We hope the public has enjoyed reading them as much as the writer has liked composing them. From time to time, we hear criticisms, some good, some bad, but all proving that at least the column is read. If this column has served to open the eyes of the local people to the beauties of the region, which the geologists affirm to be the oldest rock in the world, or, if it has drawn the attention of city people to the magnificient playground, lying so close to Montreal, then we are satisfied. We happily record ourselves a renegade, inasmuch as we prefer the Laurentians to the Eastern Townships, the place of our birth. Natural beauty there is in both sections, but the philosophy of the Townships is American, while that of the Laurentian people is still of their Scot and Irish ancestors, who only a hundred years ago came to this wild countryside, often with only their wit, humor, determination and integrity as their dower. But these they still have intact.

If we write, or read with difficulty, blame it on the Circus. We took our eight-year old yesterday as did a thousand other parents. There were fat children, lean children, clean and dirty ones, shy and bratty ones, gay and sombre ones, not forgetting the ones who coughed germs lustily over the others. One of the last mentioned sat just behind us.

The Circus has not changed much in the last twenty years. The opinion of most children seemed to be that more animals and less humans would improve it. We concur. The dignity and grace of the beasts far outshone that of their masters. What years of practice go into the making of one acrobatic feat by a bi-ped, that any quadruped flicks off naturally in an unpremeditated moment! How foolish we are to try to emulate these experts! Perhaps the skeletal and muscular arrangements of man were intended as a Divine hint that the soul and mind should take precedence over brawn. That is, of course, heresy in our age of Sport (note the capital). But the student of history cannot help but notice the parallel with ancient history. So did the Romans and Greeks cavort before their fall.

The next excitement is the 24th of May which we connect with Queen Victoria, and which might be connected with the Dowager Queen Mary, who will be 83 this week. During her long life, she has four times known personal grief, without the privilege her subjects have of indulging it in a period of seclusion — we refer to the death of her fiance, the Duke of Clarence, and those of her son, Prince John, also of her husband, George V. Through all these personal trials and two world wars, Queen Mary has remained serene but not aloof, patient, but not pitiable, for one does not pity courage.

We had hoped to write this article from Sunnyacres, but the season and roads were against us. We managed to struggle through to Sunnyacres last Sunday and found the old place intact, except for minor depradations by mice. The daffodils were trumpets of gold in the back yard and the grape hyacinths stood coyly blue in the front. We had time before dinner to visit all our most precious haunts, scaring up one partridge and one duck in the process. It was warm enough to have dinner on the porch, whence one had a ringside view (influence of the Circus showing here) of the opening fanfare of Spring. One was reminded of Tennyson, "Everything in a midst of green, and nothing perfect". Here we rested for some hours, secure from the demands of the telephone, the greatest boon of all to our doctor neighbor who drove us up. It was with extreme reluctance that we turned our faces cityward. But our next effusion will be about Sunnyacres, whither we purpose going on the 24th for ten days.

DRINK Coca-Cola
The pause that refreshes

When Company Comes

By Betty Barclay

Here is a noodle ring recipe worthy of a place in your active recipe file. File it today and use it the next time you have dinner guests who really appreciate unusual, flavorsome dishes.

The addition of Worcestershire Sauce to the usual seasonings will give you a new taste thrill and induce you to keep this condiment handy for soups, vegetables and many meat dishes.

Noodle Ring with Cheese

1½ cups noodles, 2 egg yolks, ¾ cup of milk, ¾ tablespoon butter, ¼ teaspoon salt, ⅛ teaspoon paprika,, ⅛ teaspoon nutmeg (optional) 1½ teaspoons Worcestershire Sauce, ½ tablespoon catsup, ¾ cup grated cheese, 2 egg whites.

Cook noodles, rinse and drain, beat egg yolks, milk, butter salt, paprika and nutmeg, then combine this mixture with the noodles. Add to this, Worcestershire Sauce, catsup, and cheese. Beat egg whites until stiff, and fold them into the noodles. Butter a 9-inch ring mould or individual ring moulds, and fill them with the noodle mixture. Set in pan of hot water and bake them in a moderate oven (350°F.) until done, about 45 minutes. Invert contents of moulds on hot plates and fill centres with creamed spinach, peas, mushrooms, stewed tomatoes, etc.

Rebekahs of Canada Have Splendid Record

This is the story of the activities of the Rebekahs of the Province of Quebec, Canada, during the (so called) Last World War, and is written for the purpose of recording splendid services rendered and with the hope that other jurisdictions will likewise make a record of the services rendered by Odd Fellowship in War as well as in peace.

The activities herein related are unusual in that they spring from thirty-one lodges with a total membership of approximately 2,200 persons.

In June 1941 a check in the amount of $1,750.00 was presented to the Red Cross Society for the purchase of an ambulance. In 1944 a trailer type of field kitchen was presented to the Department of National War Service at a cost of $1,229.25. During the same year a mobile canteen was presented and the sum of $230.00 was donated to the Prisoners of War Fund. In 1942 they contributed $769.00 to the Queen's Canadian Fund for civilian war victims. They also made it possible for veterans in various hospitals to visit different resorts in Canada. In all, eighteen trips were made, bringing diversion to 500 patients and travelling over 2,000 miles.

In addition to the above services, five Rebekah lodges collected $600. for the purchase of a seeing-eye dog and donated same to the Montreal Institute for the Blind. All lodges in the province donate to such funds as Salvation Army, Tuberculosis Fund, Polio Fund, Crippled Children's Fund, and many other welfare agencies.

Through the services rendered and being rendered, the Order has gained in public esteem, has made a valuable contribution to the preservation of our form of government, and has enshrined itself in the hearts of all Canadians.

Argenteuil Softball League

The Malacket Spiders are proving to be the team to beat this year, winning their second straight game Sunday against the Bluebirds of Lachute. The Bluebirds were held scoreless until the fifth inning, before getting their first run. Bob Greeley, pitching for Malacket Spiders turned in a fine game. C. Sutton made a home run for the home team and the final score was Malacket Spiders 18, Bluebirds 4.

The White Rose team from Upper Lachute, a much improved team over last year, trampled the Tigers, also from Upper Lachute, by the score of 28-9. Raymond Maclean made his first home run of the season as the White Rose team continued to score runs every inning. Winning pitcher was Donagani. Buddy Wolfe was the standout for Tigers, scoring four runs in five times at bat.

In Lachute, the Beavers sponsored by the Western Pool Room of Lachute, won their first game by upsetting Boyd's Express 22-16. The game was well played with Boyd's never far behind. The Beavers clinched the game in the seventh inning with six runs, the Beavers having to use four pitchers to hold Boyd's from scoring. Don Cockborne led Boyd's with two fine home-runs, while R. Allaire homered for Beavers.

It was very gratifying to see such a good turnout of spectators, Sunday, and it is hoped more will be in attendance every Sunday.

Boyd's Express will be out for their first win as they meet White Rose at Wilson's Ball Field. At Brownsburg the Beavers of Lachute take on the leading Malacket Spiders at the Picnic Grounds. For ball fans up the St. Jerome Road way the Bluebirds visit the Tigers at Moore's Playing Field. All games commence at 2.00 p.m.

	P	W	L	Pts
Malacket Spiders	2	2	0	4
White Rose	2	2	0	4
Tigers	2	1	1	2
Beavers	2	1	1	2
Bluebirds	2	0	2	0
Boyd's	2	0	2	0

"In Brownsburg"

(Continued from page 1)

works will be paid for by the area which they supply.

That means there can be no increase in taxes on those already using the system and paying taxes to support it. New sections will be paid for by the new people who come in for service and in this case also no increase in the present water rate will be made. The new areas have been carefully surveyed and it is assured that sufficient householders and lot owners will be supplied to make the scheme self-supporting.

It is necessary, however that a "yes" vote of the whole municipality be obtained before the council can go into the market and borrow the necessary $25,000. It is of course true, that on a directive from the Board of Health, this money could be borrowed without a vote of the people, but the council is too jealous of the good name of our village to wait for condemnation by the Board of Health.

Gardens

Nature was late this spring, but a noble effort is now being made to get the plants in and vegetables growing.

The value of this work is not counted in dollars and dimes. . . having a little garden of fresh vegetables of ones own is what matters.

Road Work

Route 31 is to get a further face lifting this season, according to Mr. W. M. Cottingham, M.L.A. It is expected that the work so well begun last year will be pushed as far as Pine Hill before the snow flies again. Work will also be continued at the other end and at some spots along the route. It is a tremendous undertaking, but with Route 31 a main highway, we wonder what the letters to the Editor will have for a subject of complaint.

Successful merchants know that newspaper advertising brings results.
