

St-Bridget's Home Names/Refuge St-Bridget's Noms

Editors Note

As the original name's list of the St-bridget's Refuge is not searchable, a member of the CIMPN has copied the list to the best of their ability. Do note that this list of names is incomplete and may contain errors. Please refer to the original ledger in the document library while consulting this list for better accuracy.

There are also inconsistencies within the ledger; sometimes the first and last name are swapped, other times there is a second family name after the first name.

Note de l'éditeur

Comme la liste originale des noms du refuge St-Bridget's n'est pas consultable par recherche, un membre du RCPMI a transcrit la liste dans la mesure du possible. Veuillez noter que cette liste de noms est incomplète et peut contenir des erreurs. Pour une meilleure exactitude, veuillez vous référer au registre original dans la bibliothèque de documents lorsque vous consultez cette liste.

Le registre comporte également certaines incohérences : parfois, le prénom et le nom de famille sont inversés; à d'autres occasions, un deuxième nom de famille apparaît après le prénom.
